Great day on the beach for the start of the Nipper season

Lots of new faces mixed in with some regulars, great to see everyone on the beach and in the water making the most of this beautiful spring weather. Lots of kids arriving early to get their proficiencies done, thanks to all the helpers who also arrived early to get these done. A few more kids having another go this Sunday. Remember new members are always welcome so if you have a friend that wants to join up bring them down. Everyone is welcome.
