North Cronulla SLSC Nippers

AGE MANAGERS COURSE

Delivering an engaging, safe and fun Nipper program is only made possible by as many parents as able being involved and those parents also enjoying themselves at Nippers.

As we move into Season 2017-2108 we would like to invite each of you to our Branch Nipper Parent Training session on **Oct 25** at **North Cronulla Surf Club** or **Oct 26th** at **South Maroubra Surf Club** both start at 7pm and finishing around 9.15pm - so just choose the one that suits you.

Each session is open to every parent, you don't have to be able to swim, run or even do CPR It doesn't matter if you are new or have been here for a while, we'd like as many parents as possible to attend this course to ensure we are all on the same page with delivering our Nipper Program.

Although this course is not compulsory at North Cronulla (it is at some other clubs) We need informed and engaged parents at the beach each Sunday knowing what's required, how we do it, what to do in certain situations, and what happens in different lessons - this is all covered in the course.

We can guarantee by attending this session your time and your child's time at Nippers, will be much more enjoyable and beneficial.

These training sessions are presented by Doug Hawkins, Sydney Branch Nipper Director. who has trained over 1,000 Nipper parents up and down the coast with very positive responses from those sessions

RSVP back to the club via email by Oct 23rd sharpeaj@bigpond.net.au
