sun was shining at the bay...

Great day last Sunday at Gunnamatta Bay the weather was fantastic and there was smiles all round. Thanks to all of those who helped pull the day together getting the gear down there and setting up the swim and board areas. So great to see some of the kids who normally shy away from the water getting out there and giving it a go - and loving it by the way.

Thanks to all our great water safety volunteers days like these wouldn't happen without each of you

Wishing all our U14's an amazing time in Queensland
