# BRANCH & STATE

## ATTENTION PARENTS

If your child/ren are attending Branch you will be required to form part of the North Cronulla Work Party which basically means providing help with tent set-up/pull down or Water Safety for the day. Please see Brook Fleming in the Nipper Room after nippers to get an allocate job of choice, if you can't catch Brook we'll happily assign you to an area.

Also expressions of interest to become a member of the NC Tent logistics team aka The NC Tent Fairies! for the upcoming state titles. Looking for 6 - 8 members to assist with the day to day tent movements, see Brook for further information.

Also we require Parents to nominate for Water Safety Roster

**We can't send your Children to these carnivals without your HELP!**
