good luck

Good luck to all our nippers at Branch this week, do your best and have fun! The program for the day is on page 2 take a look but remember this can (and probably will) change on the day so keep your eyes and ears open for calls, you don't want to miss a race!

SLIP SLOP SLAP and keep the kids hydrated & in the shade as much as they can. Keep food intake at a grazing level - we don't want hungry or too full competitors!

All the kids are entered in all individual events... whether or not they can make it, or even wish to race in everything, is entirely up to them.

Those requiring club boards, they can be collected FRIDAY after state training. Boards MUST to be returned after the carnival to NC - any problems see Brook.

If a child is selected in a Beach Relay team (after prioritising Beach) which has been marshalled, they would be expected to leave the water event area and race in the Beach event or vice versa for water events.

!! PROGRAM CAN CHANGE AT ANYTIME !!
keep your eyes & ears open for calls - we'd hate for kids to miss any of their races
