

Issue 4 2018

25 October 2018

where's the sun?

Not the greatest weather for a picnic but that didn't stop us getting out there and having some fun!

Thanks to everyone who turned up it was a great turnout with lots of activities & education covered.

Special thanks to our educators and volunteer water safety - you're amazing!

Bon voyage to the U14 team heading off on their QLD Tour this Thursday - it will be action packed and we look forward to posting some pics & report on all the action next issue.

Did you see the story about our Clean Oceans launch in the Leader online this week?. Read it [here](#) or via our facebook page.

thank you to our sponsors...
