NC U14 2018 TOURING TEAM
25-28 October 2018

Last weekend, we the Under 14's at NC surf club attended our Gold Coast Trip. After fundraising last year for this annual experience we were finally on our way.

There were 17 boys, 11 girls and 8 very excited chaperones. Boys 'diggs' were at Kirra Surf Club and the girls were at the luxurious Palm Beach Surf Club. Both clubs looked after us very well. The dolphins we saw were amazing even if they were only Dave Waugh's imaginative land movements.

We hit Wet n'wild on a top day. From the Funnel Web to Calypso Island we had an enjoyable day. The next day we participated with Palm Beach Under 14 kids. Everyone of us had a go! We met other kids just like us who are young nippers and future lifesavers.

On Sunday morning we attended Kirra Surf Club's Nipper Program. We were given an age group to help out for the morning. Some of us were water safety while others joined in with beach activities.

"This was the highlight of the trip as we got to use our knowledge and experience and share it with other young nippers."

Overall all the under 14's, even the adults had so much fun. It was a great experience that we will treasure for the rest of our lives. Big thanks to all the parents who gave up their time and especially Dave Waugh (DWW), his jokes and humour made the trip the best.

Good times, good memories, thanks North Cronulla.
