VOLUNTEERING:

I know that many of you help out at this wonderful community club in lots of ways, but I would like to put forward a plea to those who are cautious about helping out for fear they will be roped into doing more than they would want to.

Firstly - volunteering is just that, you are offering a little of your time, (which I know is very precious), to promote good and or improve human quality of life. Volunteering can produce great feelings of self worth and respect. Volunteering is a great way to meet new people, especially if you are new to an area.

Volunteering also strengthens your ties to the community and broadens your support network, exposing you to people with common interests, neighborhood resources, and fun and fulfilling activities. Bear in mind that the most valuable skills you can bring to any volunteer effort are compassion, an open mind, a willingness to do whatever is needed, and a positive attitude.

Volunteering is also renown for skill development, socialization and best of all fun! SO please ... Whatever you feel most able to help with .. Beach set up, BBQ, Committee, Uniform shops, Officials, Water Safety, Marshaling, Age Managers, Assistant Age Managers, The club needs you ... your kids need you... GET INVOLVED!!!

National Volunteering day is 5th december - but don't wait that long to join in :)

Thanks Helen (helen@kettlewell.org)

CLUB BOARDS

Message from the Nipper Committee ...

It was very disappointing to see there was roughly 12 nipper boards just left on the beach after nippers last Sunday.

These boards cost in excess of \$700 each for a foam boards and over \$1,000 each for each fibreglass board. If you are able to go into the sheds and select a board and bring it down to the beach then you are able to bring it back up. It is the **responsibility of the nippers** to bring the boards back up from the beach, wash them down and put them away neatly in the boat shed.

If you happen to see a board that someone has forgotten, help out - pick it up and bring it up to the sheds -

If this does not occur in the future, all nippers will loose the privilege of being able to use a club board, as they will be locked away and kids won't be able to use them.

MARCH PAST:

March Past Training with Buzz starts this week any one interested in being apart should Meet at 7.50am under the Tower BOYS and GIRLS

AMAZING WORK

Last Sunday at the Fiesta day, two North Cronulla Nipper boys Sam Schriek U/13 and Alex Nossetti U/13 were enjoying a swim at North Cronulla Beach after nippers and during the Fiesta time when the beach and the water were very busy, when they saw 3 men in trouble, out of their depth and struggling... the two boys managed to get all three grown men into back to the safety of the beach. AMAZING work boys all the effort you have put into training and learning your skills combined with your athleticism enabled you to rescue these 3 very lucky men. North Cronulla Club is very proud of you.
