MEMBERS UPDATE FOR THE 2022-2023 SEASON

Hello Members of North Cronulla,

I last updated you on the redevelopment progress on the 1st of December - 19 days ago.

The progress and achievements over the last few weeks have been amazing.

Monday 19th December was a big day for the club and our redevelopment with a major concrete pour taking place – below are some photos for those that may not have seen them or watched the pour occur over the “Time Lapse camera”.

I fielded calls all day from members who were at the beach watching the pour live, the excitement is contagious.

This is a very large milestone and puts us in a great position for when the building crews return after their holiday break – the walls will start in the new year.

Gear shed photo 1st December 2022

The start of the concrete pour

Mid Pour

Towards the end of the pour

Nearly Finished

Finished product 20th December

I would like to thank the efforts of the steel-fixers and the concrete crews for their hard work getting this pour done prior to Xmas – it gives us a great start for the New Year.

CHRISTMAS CARNIVAL

The conditions were tough at North Cronulla last weekend, so the organisers made the correct decision to move the Carnival to Silver Beach - Kurnell. Congratulations to the Boat Section, Officials and work party on a very successful carnival. I would like to thank Sam Freeman and his IRB crews for their continued support of the club's carnivals – first there, last off the water.

Was great to see so many young crews involved and gaining the experience.

I hope next year the conditions allow us to hold it on North Cronulla Beach – will be great to finish the day off in our new clubhouse.

NIPPERS

Nippers finished off the year well hosting a very successful 4way carnival. The beach looked great with 2 water areas, beach track and 2 flag pits – well done to the teams organisation of the day. Santa even made an appearance.

PATROLS

I thank all members for supporting the patrols this year and encourage you all to assist over the holiday period, it is expected to be a busy time on our beach – all your support is required to maintain the high standard of patrol for our community and visiting guests.

CHRISTMAS CHEERS

On behalf of the Board of Management, I would like to wish you and your families all a safe, happy and enjoyable Christmas and New Year break.

Recharge those batteries, we have a big year ahead.
2023 will be a great year for North Cronulla.

I look forward to seeing you on the beach soon.

Yours in Surf
