January 2014

Every year, the U/13 Nipper squads at North Cronulla Surf Club work together to raise funds for a tour to Queensland in their final season of Nippers prior to these young men and women becoming volunteer Surf lifesavers. The tour provides development and experience for our young surf lifesavers and highlights the importance of teamwork and commitment as vital traits for the saving of lives.

Since its inception several years ago, the Nipper Tour to Queensland has developed into one of the highlights of their final year as Nippers. It has fostered a tremendous *Club Spirit* amongst the group, and has considerably improved our retention rate of Nippers moving through the senior ranks of the club. While most clubs are losing numbers going through to seniors, North Cronulla has one of the best retention rates in the Sydney Branch. It is these fine young men and women who will go on to be the *future lifesavers patrolling our beaches*.

A great way to support the Under 13 Squads is at the Annual Nth Cronulla Golf Day at Boomerang Golf Course on Saturday 22nd February 2014

Alternatively, you could donate products that could be used on the day. For example, golf balls or prizes that we could use in raffles.

Or would your business prefer to sponsor other expenses, such as uniforms and bags?

All of these donations/pledges will be advertised during our function, in emails pertaining to the golf day and of course, in our weekly Nipper Natter and our Senior Club Newsletter.
