

Bate Bay Surf Clubs Blood Donation Drive 2014

It's that time of the year again to kick off this year's Bate Bay Blood Donation Drive 2014. With the success of last year's Drive behind us - over 100 lives were saved from all 4 Bate Bay Club donations combined - it's time to see if we can better last year's efforts. We're making some minor changes this year and would also like to introduce another charity to the cause, The Sutherland Hospital's Children's Ward. The dates for this year are starting on the 25th of October and ending on the 6th of December 6 weeks total meaning you can get 3 plasma donations in that period or 1 whole blood donation this equals more points for your respective Clubs. This year's prizes to keep that good old Surf Clubs competitiveness in check, First place will get \$500 cash and a SLSA PRK first aid pack kindly donated by **RAPP Australia** and \$500 to each other participating Club. The catch is that the Club with the least amount of blood donated generously donates their winnings to The Sutherland Hospital's Children's Ward and then we match the \$500, donating a minimum of \$1,000 to The Sutherland Hospital's Children's Ward. The last place Club won't be left empty hand though with up to \$300 off an annual Safety Equipment service kindly donated by **Vital Resus**. Call 13 14 95 to make a booking and nominated your Surf Club, and remember 1 blood donation can save 3 lives, Good luck everybody and roll up your sleeves for a good cause.

A big thank you to all this years Sponsors.
