Development Camp - DEER PARK

The U/13 girl and boys attended this camp the weekend before last and had a great time! Here is a short report of how much fun it was from RENEE one of our U/13 Nippers

Last weekend I went on the under 13 development camp to Deer park with Daisy and Taylor. We were split into groups with other clubs and we did activities like rock climbing, canoeing and making a raft. We also went on the waterslide there which was fun too. The Westpac rescue chopper came on Saturday and we were able to look inside it and the men in the rescue team gave us a talk about what they did. On Sunday we went in the IRB and they flicked us off the boat into the water. It was a lot of fun and we cracked up laughing!. We also did rescues in teams, where one person was drowning and one person had to be the rescuer and then give CPR. It was good practice. It was good to spend time with my nippers friends and get to know them better. Thanks Dave for coming with us

They even made it into a National Paper - make sure you check out the link below to see our up and coming stars!
