December 2014

Every year, the U/13 Nipper squads at North Cronulla Surf Club work together to raise funds for a tour to Queensland in their final season of Nippers prior to these young men and women becoming volunteer Surf lifesavers. The tour provides development and experience for our young surf lifesavers and highlights the importance of teamwork and commitment as vital traits for the saving of lives.

Since its inception several years ago, the Nipper Tour to Queensland has developed into one of the highlights of their final year as Nippers. It has fostered a tremendous club spirit among the group and has considerably improved our retention rate of Nippers moving through the senior ranks of the club. While most clubs are losing numbers going through to seniors, North Cronulla has one of the best retention rates in the Sydney Branch. It is these fine young men and women who will go on to be the future lifesavers patrolling our beach.

**A great way to support the Under 13 Squads is at the
 Annual North Cronulla Golf Day @ Boomerang Golf Course
 Saturday 7th February 2015**

Sponsor a Hole – heaps of advertising with golf, lunch & drinks included

\$500.00 Sponsorship Includes	\$250.00 Sponsorship Includes
2 x games of Golf	1 x game of Golf
2 x Lunch	1 x Lunch

Advertising at selected hole	Advertising at selected hole
Advertising at function	Advertising at function
Advertising for 4weeks in Nipper Natter	Advertising for 4weeks in Nipper Natter

Alternatively, you could donate products that could be used on the day. For example, golf balls or prizes that we could use in raffles.

Or would your business prefer to sponsor other expenses, such as uniforms and bags?

All of these donations/pledges will be advertised during our function, in emails pertaining to the golf day and of course, in Nipper Natter and Senior Club Newsletter
