UII'S DEV. CAMP2015

I would just like to thank everyone for a great weekend at The junior surf lifesavers in training course last weekend. Parents, you should be very proud of your children as they all represented themselves, their

families & our Club fantastically. The way the kids grew in confidence from the minute we got there was great to watch, as well as their willingness to have a go at whatever was asked of them & their appetite for learning new skills in leadership & surf lifesaving. I reckon the kids took a lot away from this weekend. Although their grasp on the English language needs a bit of attention, especially the words "bedtime" & "quietly". Please thank your children for me, I thoroughly enjoyed their company & was totally impressed by the way they conducted themselves & the respect, curtesy & friendship they offered to each other as well as all the kids from other clubs, minders, instructors & camp staff and Catherine & I.
