DO YOU WANT TO GET INVOLVED? WELL HERE ARE SOME WAYS YOU CAN...

Water safety: some of the most important people involved with the nippers movement. They give our children confidence whilst training & competing in the surf and in the process you are looking after their safety & wellbeing. If you are interested in volunteering to do water safety you first have to complete your Bronze Medallion. This can be arranged by contacting the Club office or the Nipper Secretary.

Carnival officiating: the club must provide minimum levels of officials in both the beach & water areas at all carnivals that our nippers attend. Officiating is a great opportunity to be up close to all the action at carnivals. If this is of interest to you please contact: Tony Hughes on 0408 607 798. (Numbers are limited)

There are many areas we require assistance, please speak with any of the committee members to offer your support.

Nippers will commence Sunday 13th October 2013 9am. (Timed pool swims for New Members ONLY will be from 8am on normal Sunday morning nippers if not completed on registration day)

**We look forward to a family fun 2013/14 season from
The North Cronulla "Nippers" Junior Activities Committee**
