# 90th Annual General Meeting

10AM SUNDAY 12TH JULY 2015, HARRY BROWN ROOM

## AGENDA

1. Welcome to Guests, Visitors and Members
2. Apologies
3. Surf Life Savers' Prayer
4. To confirm and adopt Minutes of the 89th Annual General Meeting, held on 13th July, 2014
5. Business arising from the Minutes
6. Presentation of Long Service Awards and Patron's Award
  - a) **25 Year Badge to:**  
David Boggiss, Kristine Whitford, Adam Purdie (SLSA only)
  - b) **50 Year Badge to:**  
Edward (Ted) Brooker OAM, Barry Fretten, Gregory Fretten, Robert G Hanson, Robert G Voigt and Brian Ferguson (50 SLSA Only)
  - c) **60 Year Badge to:**  
John S (Jack) Kirkland, O.E (Ted) Larsen OAM, Neil D Oliver
7. Submission and adoption of the 90th Annual report of the Board of Directors and Financial Statements and Balance Sheet for Season 2014-2015
8. Motion of which due notice has been given:

**That by way of Special Resolution the members of North Cronulla Surf Life Saving Club Incorporated endorse that Section 1.9 (C) and 1.11 of the Constitution –General Meetings be amended as follows:**

Delete

(C) Written notice of all General Meetings shall be given either personally or by post.

and

1.11: NOTICES - Notices sent by post shall be deemed to have been received two days after the date of posting.

Replace with

1.9 (C)

A notice of a general meeting shall be in writing and shall specify the time, date and place of the meeting and shall state the business to be transacted at the meeting. Notice may be given in any form as listed:

### 1.11: NOTICES

Notices may be given to any person entitled under this Constitution to receive any notice by sending the notice by post or facsimile transmission or other electronic mail transmission where available, to the Member's registered address or facsimile number or electronic mail address.

Where a notice is sent by post, service of the notice service of the notice shall be deemed to be effected at the time the letter would have been delivered in the ordinary course of post.

Where a notice is sent by facsimile, service of the notice shall be deemed to be effected upon receipt of a confirmation report confirming the facsimile was sent to or received at the facsimile number to which it was sent.

Where a notice is sent by electronic mail, service of the notice shall be deemed to be effected upon production of a confirmation report confirming the electronic mail message was sent to the electronic mail address recorded.

*Moved Tracey McKinnery and Seconded by Brian Ferguson*

### 9. Motion of which due notice has been given:

- a) Nomination of Frank Schreuder to be elected to the status of Life Membership of North Cronulla Surf Life Saving Club Inc.

Nominated by Martin Dillon and seconded by Ron Hammond

- b) Nomination of Ben Dillon to be elected to the status of Life Membership of North Cronulla Surf Life Saving Club Inc.

Nominated by Allan Cameron BEM and seconded by Martin Dillon

### 10. To elect the Patron and Board of Directors for the 2015-2016 Season and elect one Trustee for a three year term.

### 11. To determine the date of the first Board of Directors Meeting.

### 12. General Business (urgent matters only)

### 13. President's Address

*For and on behalf of the Board of Directors*

*Tracey McKinnery,  
Secretary / Public Officer*

## Club Sponsors

North Cronulla SLSC and Surf Life Saving at all levels appreciates the ongoing support of our sponsors. These photographs are just a small sample of the many ways we benefit from your generosity. Please make an effort to support our sponsors in way you can.

## 2014-2015: A season to remember

STEVE WARREN, POSSIBLY NORTH CRONULLA CLUB'S GREATEST COMPETITOR AND MULTIPLE AUSTRALIAN BOARD CHAMPION.

HARRY BROWN, THE DOYEN OF CLUB ADMINISTRATORS

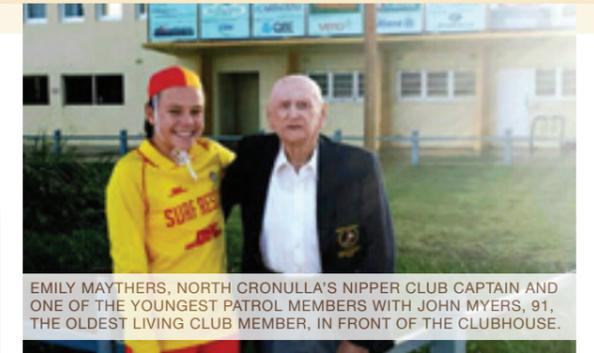

JIM PERYSMAN- TRAGICALLY DROWNED WHILE SAVING A LIFE.

STEVE SWANE - NATIONAL CHAMPION AND GREAT CLUB BOAT SWEEP

CLUB PATRON - WARREN RENNIE

EMILY MAYTHERS, NORTH CRONULLA'S NIPPER CLUB CAPTAIN AND ONE OF THE YOUNGEST PATROL MEMBERS WITH JOHN MYERS, 91, THE OLDEST LIVING CLUB MEMBER, IN FRONT OF THE CLUBHOUSE.

### North Cronulla Celebrates 90 years

By Brad Forrest

On the eve of the 90th anniversary of North Cronulla Surf Life Saving Club – and 50 years of club Nippers – and with the flags having come down on another surf season, there's a new appreciation of our lifesaving warriors.

Talking this week to the esteemed North Cronulla club patron and decorated life member, Warren Rennie, gave us an even stronger appreciation of surf lifesaving, both past and present.

#### True value

Not that I didn't already appreciate. But it dawned on us that the true value of these clubs lie not just with their own fine capabilities within, but what influence club and members alike have brought to bear on ordinary families.

"The number of family members who have joined their fathers and mothers, sons and daughters, sisters and brothers, in learning lifesaving techniques has been amazing," said the veteran Rennie, one of the stalwarts of surf lifesaving.

"And we keep hearing about them: non patrol members, saving lives, well away from the beach."

#### Much to be proud of

North Cronulla – indeed all four Bate Bay surf clubs – have much to be proud of. In keeping the beaches safe, saving lives, preventing tragedy and, collectively, passing on the latest lifesaving techniques to so many others.

Today's large heritage-listed, three-storey clubhouse under president Craig McKinnery plays host to 832 senior club members, both active patrol and non-active members, as well as 501 Nippers.

#### First patrol

The first patrol was on duty in December 1925 and consisted of a small team of volunteers armed with a reel, line and belt as their only rescue equipment, and they performed over 25 rescues in their first season of patrols.

The first North Cronulla clubhouse, a small weatherboard job, was erected in 1926 to the north of Cronulla SLSC (Wanda and Elouera didn't exist then).

But North Cronulla SLSC – which finished 11th and highest-placed of the four clubs at last week's national championships – could easily have faded from existence after World War II except for the determination of those early club members.

#### Early years

The early years and the Depression saw reasonably quiet seasons. But more members joined in the late 1930's and saw pressure for a new and bigger three-storey club, which was finally erected in 1937, followed by shark meshing and "1,000 feet of sea wall."

As detailed in the 50-year anniversary book "A shade of blue...a touch of gold", membership grew and within a year, the club organised their first carnival on January 15, 1938 under the guidance of a driving force in Jack Dillon, who with other members slept overnight in the club before erecting stands near the clubhouse.

#### Spectacular

It must rank as the most spectacular opening club carnivals in history, but for an entirely different reason.

An aerial display from pilot Harold Durant went horribly wrong. His small aerobatic light aircraft made a number of dives and loops around Bate Bay, but he aborted a final manoeuvre, stalled the plane and crashed into the shallow waters near the beach.

Lifesavers saw Durant step from the wreck, apparently uninjured (he was later seen drowning his sorrows at the old Hotel Sur Mer, Cronulla's first hotel). Members salvaged parts of the plane, and later charged a modest 2/- per person to view them in the boat shed.

#### Army constructions

The early part of World War 11 saw the Army undertake a number of defensive constructions around Bate Bay, including old tram rails supporting barbed wire and tank traps built into the sand in front of the stepped walls and the North Cronulla clubhouse.

It proved to be the club's undoing.

By October 1942, seas and erosion had resulted in 23-metres of the wall collapsing.

Worse was to come three years later when the clubhouse was directly threatened when tons of sand disappeared and the concrete paving in front of the club washed away, resulting in the club hanging over a sheer drop ...

#### Collapse under big seas

A new sea wall was built, but a year later (1946) it started to collapse under big seas, resulting in widening cracks in the clubhouse itself.

News of the club's obvious demise spread far and wide, and attracted 18,000 cars to North Cronulla from the city and suburbs, before the club kiosk and pavilion collapsed and plummeted the building into the surf below.

The remainder of the club was demolished and the council erected an Armco hut as a temporary replacement in Dunningham Park. It was around the same time members, including returned servicemen, marched north up the beach to form a new club – Wanda SLSC.

It took three years before the new multi-storey North Cronulla club was built and opened in front of a big crowd, on November 18, 1950.

#### Tragic death

Warren Rennie reminds that it was the tragic death of their popular club captain Major James (Jim) Peryman in the same year (1950) which really galvanised the club's focus on surf lifesaving.

Peryman, wearing a belt, played a major role in the rescue of a 16-year-old girl in The Alley, but not before he perished

himself in the big seas. His body was found under water, his line and belt entangled in seaweed – and all attempts to resuscitate failed.

"After his death they created a safety release pin, so a beltman could, at any time, pull the pin to release himself," explained Rennie. "Unfortunately his brother died 10 years later, on the same day, in a motor accident."

#### Remembered

Jim Peryman's death saw a fund of 2,000 pounds raised, with an ambulance room and a radio communications room furnished and decorated in his memory. His picture adorns the club's stairway, and the club's pool carries his name – the James Peryman memorial pool.

The same year, 1968, North Cronulla staged its first Australian Surf Lifesaving Championships on a beach nearby, which was later to become Elouera beach. In 1974 the first-ever Taplin Relay was won by North Cronulla (they also won the second) and two years later, the club won the Australian Championships Pointscore.

In 1981, the same year women were eligible to become active lifesavers across the movement, North Cronulla club won its first world championships (and won it again in 1994).

#### Great administrators

Great administrators, officials and clubmen like former president Harry Brown, Harold Judd, Jim Peryman, Warren Rennie and Norm Rees were complimented by champion competitors like Hall of Fame board paddler Steve Warren and surfboat sweep, Steve Swane, and their respective teams.

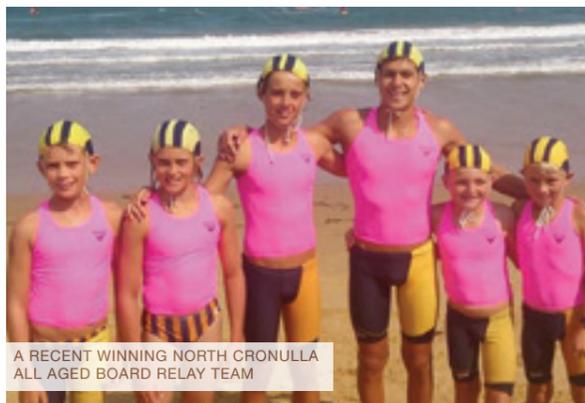

Now, the club's competition division is on the up and the club is thriving under the capable hands of men and women including club president Craig McKinnery and his wife Tracey, the club secretary and their strong committee.

"From a very small and humble start, we developed into one of the best surf clubs in Australia," said Mr McKinnery.

## 2014-2015: A season to remember

AN EARLY CLUB LADIES COMMITTEE

A RECENT WINNING NORTH CRONULLA ALL AGED BOARD RELAY TEAM

### 14,000 rescues

"And we can proudly announce that our membership over 90 years has performed over 14,000 rescues and saved countless lives.

The 90th is a celebration and recognition for all of our members from our founding members who had the vision and forethought to address safety concerns at North Cronulla beach for our community back in the early 1920's."

### Pause and reflect

"It is also a time to pause and reflect on the memories of our mates and friends who have passed away over the 90 year journey.

And finally, celebrate the achievements the members who volunteer their time today and have achieved great things in Surf Life Saving and Patrols, Training and Education, Competition, Finance and Administration and support of the community."

### Long term plans

In the wind are long-term plans to upgrade parts of the ageing building, while maintaining heritage-listed sections.

But first, on Saturday May 2, members and friends of North Cronulla SLSC come together to celebrate 90 years: to first honour members who obtained their Bronze Award prior to 1980 followed by a celebration in the Harry Brown Function Room in honour of all members, sponsors and supporters.

### 90 years Anniversary Celebrations

### North Cronulla Surf Club: Nippers 50th Anniversary & 90th Anniversary

### One Great Club – Two Great Events Hundreds of Great Friends

The mighty Blue and Gold this season celebrated two huge milestones in fantastic style.

The Nippers kicked off as the World's first Nipper club marked its 50th anniversary with marathon afternoon of fun and friendship. Abandoning the usual formula of blazers and round tables the Nippers created an event that freed up guests to mingle with old friends in glorious afternoon sunshine, to listen to as few or as many speeches as they liked and to kick on into the night with great tunes.

Nippers Chair Donna Hargreaves and her organising committee, Julie Mckinnery, Scott Young, Carmel Lewis, Maurie Tattl, Kevin Macnamara and Steven Brown worked tirelessly and keynote speakers Steve Warren, Jamie Primmer and Ray Wilkinson captured the spirit of the day perfectly.

However, the highlight of the night had to be the reunion of the club and the world's first ever nipper squad. No names mentioned but the guys have photo's and memories that will last them for the rest of their lives.

A few month's later North Cronulla celebrated its 90th anniversary with an event that borrowed heavily from both the template set by the Nippers and the team that worked to make it a success.

Club Patron Warren Rennie and his organising committee – Linda Hawkins, Kevin Macnamara, Carmel Lewis, Tony Hughes, Steven Brown and Rebecca Blue – set up an afternoon and evening where old friends could meet and mingle, get in early or leave late, partake of as much or as little formality as they could endure and most importantly share memories and swap stories in an environment unfettered by restrictive table settings.

Club members, family and friends, joined by NSW Minister for the environment Mark Speakman and Shire Mayor Kent Johns, were warmly welcomed by Club President Craig McKinnery before speakers Steve Warren and Warren Rennie reminded all present on what it means to live with veins running richly with Blue And Gold. Finally, formalities concluded, the real find of the evening stepped forth – North Cronulla's very own Siren, Kirsten Boggis – a vocal revelation!

Club members owe both organising committee's a massive debt of thanks for setting up these two sensational celebrations, and for creating a perfect template to be followed in 10 years time when the club celebrates its next two milestones – the Diamond Anniversary of North Cronulla Nippers and the BIG ONE – the Centenary of North Cronulla Surf Life Saving Club.

Giddy Up!!!

**Martin Dillon**

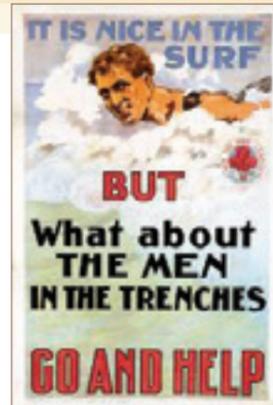

# 2014-2015: A season to remember

JOEL EATON MATESHIP TREK RECEPTION

MAJOR BLAIR ANDERSON WARK

JOEL EATON MATESHIP TREK REPRESENTATIVE

## The Mateship Trek 2015

The Mateship Trek was founded in 2008 by the Labor Member for Blaxland, **Jason Clare** and the Liberal Member for Cook, **Scott Morrison**. The Treks are designed to unite young Australians from different backgrounds to

- honour the sacrifices of our diggers and carry forward those stories;
- invest in realizing their potential to live a life worthy of our diggers' sacrifice;
- celebrate their differences and what they have in common; and
- raise funds to support our modern day diggers.

The first Trek to Kokoda in 2009 brought together surf life savers from the Shire and young people of ethnic Lebanese Muslim background, following the conflict that occurred in Southern Sydney in 2005.

The second Trek in 2011, retraced the Sandakan Death March to Ranau, where Australia suffered its worst ever military atrocity.

The third Mateship Trek, between Wau and Salamaua, followed the Black Cat Track, in Northern Papua New Guinea. The 2015 Mateship Trek retraced the steps of the Gallipoli soldiers and remembered them at a joint Australian/Turkish memorial service on Australia Day. In the year of the Centenary of Anzac, the Mateship Trek was very proud to be supporting Soldier On.

North Cronulla's representative on the 2015 Mateship Trek was Joel Eaton.

- 1915 – Appointed to Australian Imperial Force.
- 1916 – Embarked to Egypt and then to the Western Front.
- 1918 – Earned the Victoria Cross for extraordinary bravery during operations against the Hindenburg Line.
- 1941 – Returned to active service during World War 2 at Victoria's Puckapunyal Army Base.

Major Wark passed away suddenly aged 46 of coronary heart disease.

## 100 Years of Lifesavers Service to the Armed Forces

*"Part of the pre-condition of being a lifesaver is a series of sense of community and serving others so it is not surprising that those who start out in the surf lifesaving movement should be represented in higher numbers among soldiery.*

*In war time we celebrate mateship; for me there's a higher calling and you see it in surf lifesaving where you actually save people you've never met, you risk your life for people you've never met. I think that's a wonderfully admirable thing.*

*I'm interested in commemorating, not celebrating, the sacrifice made by Australian's in war time. Australia is made up of a rich mosaic of different communities and as we mark the centenary period of Anzac, it is terrific that separate communities remember their own who fell, while all of Australia remembers all that fell."*

Extract acknowledgement Author Peter Fitzsimons from *Fallen Lifesavers Book*.

### History of Surf Life Saving

In 1902 it was against the law to enter the ocean during daylight hours in Australia. William Gocher, a Sydney newspaper editor, announced a challenge of this law at Manly Beach and, eventually, the legislation was changed. However, as inexperienced swimmers were having problems with unusual surf conditions such as rip currents, the number of drownings dramatically increased. Groups of volunteers began to patrol the beach to assist the swimmers and in 1906 the Bondi Beach Association was formed.

The Surf Bathing Association of New South Wales was later formed on 18th October 1907 when nine voluntary surf lifesaving clubs and representatives of the Royal Life Saving Society (RLSS) met and affiliated to represent the interests of surf lifesavers. At that meeting it was resolved: "That it is desirable to form an association of surf clubs, to secure improved facilities for surf bathing, and otherwise promote and regulate the sport" and "That the association be called The Surf Bathing Association of NSW."

The name was changed to Surf Lifesaving Association of Australia (SLSAA) in 1922. In 1991 this name changed to the current Surf Life Saving Australia.

Historically, the Australian lifesaver is portrayed as a national symbol and an image of manhood. For more than 80 years, there was a viewpoint that women did not belong on beaches, instead being supportive fundraisers and social organisers. Almost immediately, many women refused to be confined to these roles; they participated in their own competitions, were proficient in rescue techniques and were proud to belong to the movement, contradicting the widely shared beliefs that their active involvement began only in 1980 when they were officially granted full membership.

The enlistment of many club members into the armed forces during the First World War heightened the status of the surf lifesaver as an Australian icon.

Unfortunately some clubs suffered heavy casualties. The Honour Boards in Club rooms around the country commemorate those who lost their lives at war.

The presence of surf lifesavers in the Australian armed forces was also felt in World War 2 which not only diminished their presence on Australian beaches, but made surf lifesaving on overseas beaches part of the war experience for many. Surf lifesavers patrolled beaches in war zones, set up new clubs in places like Torokina Beach in the Solomon Islands, Jaffa, Syria, and Papua New Guinea and Cornwall. World War 2 also saw the training of hundreds of American soldiers in Australian surf lifesaving methods on Queensland's beaches.

Acknowledgement: "Fallen Soldier".

### North Cronulla's Service

The Harry Brown Room contains an Honour Board acknowledging our own ex-service members from 1939 onward.

One North Cronulla Member worth acknowledging is Blair Anderson Wark (1894-1941), Victoria Cross and Distinguished Service Order. Vice President of North Cronulla SLSC as recorded in the 1939-40 Annual Report.

# 2014-2015: A season to remember

AUSSIES 100 YEARS CELEBRATION

ALEX RAMPOLDI

## Celebrating 100 Years of Surf Sports

In 2015 the movement celebrated a significant milestone – the centenary of the founding of Surf Sport competition.

In 1915 the first NSW Surf Life Saving Championships was held at Bondi Beach. This was the event that was a forerunner of the Australian Championships. Just two events were given championship status in the inaugural year with Bondi taking out the Senior R&R event and J.G Brown, also from Bondi, taking winning the Open Surf Race. In 2015 400 separate events and 7000 competitors battled out at the NSW Championships.

To win a state title, which were known as the Association Championships during the 1920's and 30's, was to be by default, the National Champion. Interstate competitors entered the NSW Championships, recognising it was the best place to develop their skills as lifesavers and athletes. The event was seen as a great way to round-off the season, and was held every year apart from a brief hiatus during the First and Second World Wars.

Due to a desire for the movement to take on a more national focus it became essential for the State Championships to be run as a separate event. In March 1950 the NSW Championships were contested in North Wollongong, the first major event to be held outside the Sydney Metropolitan area.

- Since 1950 NSW Championship hosting duties have been shared around the clubs. The sheer scale of the event today means that not all beaches are suitable to host the championships.
- The first 2-day NSW Championships took place during the 1964/65 season at Coogee.
- In the mid-80's women's events were formally added to the NSW Championships.
- In 1982/83 the competition was extended to a three-day format.

- In the late 90's the NSW Junior Championships were incorporated into the main State Titles.
  - Sydney Branch last hosted the NSW Championships during the 2006/07 season.
- The Aussies is the largest event of its kind in the world. Not only is it an elite sporting event, but it is also a celebration of Australia's culture and passion for surf lifesaving.
- The Australian Titles were started as a way of Surf Lifesavers to train and compete in skills that would enable them in a rescue situation.
  - In the early days of competition The Aussies were solely held around the Sydney area. In the post-World War 2 years the carnival finally moved interstate with its first out of NSW competition being held in the Gold Coast in 1947. This was an enormous opportunity for SLS members and was significant to the development and modernisation of the sport.
  - In 1937 until 1979 The Aussies hosted a Pillow Fight Event.
  - The only time the Aussies haven't been held since 1915 was between 1941 and 1945 when the Second World War was occurring.
  - 1975 was the first time IRB's were used in an Australian Championships to set out buoys. Legend has it that the buoys were first taken out to sea in a surf boat but were dropped a bit too far so Harry Brown assisted in the movement of the cans without hesitation.
  - 1982 at the 75th Anniversary dinner Steve Warren was recognised as one of the most successful Australian Championship competitors ever along with Ken Lacey and Ken Vidler.
  - Prior to three women's events being added to The Aussies carnival women used to compete with the men in the Surf Ski, Ironman, Boat Races and IRB Races.

## James Peryman Memorial Pool

PERYMAN AWARD TROPHY

MARIO PERYMAN

The club has a wonderful asset for the members in the form of a heated 25 meter pool that is named the "James Peryman Memorial Pool". The pool was the vision and ambition of Harry Brown OAM back in the late 1960's and was officially opened on Sunday 7th April 1968 by Club President H.J. Brown and Sutherland Shire President Mr A.T. Gietzelt.

The pool was recently painted and repaired under the guidance of John Leard and his band of helpers over a period of April and May this year and is back in top condition and looks fantastic. This task is really a labor of love and a thankless task for John but is greatly appreciated by the Club Executive, members of the club and wider community who use the pool.

The pool is extensively used by many members and community groups including club members of all ages, local council lifeguards, Cronulla RSL, Marine Rescue, NC Swim squads, local school children for learn to swim and several council programs for water safety and working with children with a disability and is another example of what makes North Cronulla SLSC a great club.

## 2014-2015 Major award winners

### 2014-2015 Major Award Winners

CN Rees Memorial Trophy	Peter Moyle
Mario Peryman Memorial Trophy	Alan Freeman
Patron's Award	Colin Mulhall
Junior Club Captain Award	Nicholas Kirby
Senior Club Captain Award	Gladys Honer
Tom Payne Memorial Grant	Kira Hood and Lachlan Moyle

### Outstanding Achievement In Education

Most Outstanding Instructor	Mark Anders
Instruction Encouragement Award	Alan Freeman
Gold Medallion	Alex Budd and Kelly Primmer

### Outstanding Achievement In Life Saving

Most Outstanding Patrol Captain	Melissa Thomas
Junior Patrol Person – Dave Cotter Award	Jarrold Tranter
10 Years 100% Patrol Attendance	Linda Hawkins and Martin Fulton

### Outstanding Achievement In Competition

Australian Youth Female Under 14 Flags Champion	Alex Rampoldi
Australian Under 19 Male 2km Beach Run Champion	Oliver Hoare
Australian Open Women's 5 Person R&R Champions	Kate Boyd; Erin Cowan; Patricia Cowan; Sydney Cramb; Kate Janssen Coach Ben Dillon
Most Outstanding Open Competitor	Under 23 Boat Crew James Budd; Zac Hughes; Angus Mackenzie; Roy Steele Sweep Trevor Robson
Most Outstanding Under 19 Competitor	Oliver Hoare
Most Outstanding Under 17 Competitor	Lachlan Moyle and Abbey Pugh
Most Outstanding Under 15 Competitor	Kira Hood and Alex Rampoldi

### Sydney Branch Award of Excellence

Category Winners	
Under 15 Life Saver of the Year	Maddison Moyle
Under 15 Female Athlete of the Year	Kira Hood
Under 15 Male Athlete of the Year	Nicholas Hards
Under 17 Male Athlete of the Year	Lachlan Moyle
Under 19 Male Athlete of the Year	Oliver Hoare
BJD Female Athlete Life Saver of The Year	Emily Maythers
BJD Female Athlete of The Year 9-10	Scarlet Cameron
BJD Male Athlete of The Year 13-14	Leo Nosatti
Official of the Year	Tony Hughes

### High Commendations

Under 17 Life Saver of the Year	Shannon Glasson
Assessor of the Year	Jason Gollan
Open Female Athlete of the Year	Kate Janssen
Surf Sports Coach of the Year	Tracey Schriek
Masters Male Athlete of the Year	Steve Warren
BJD Female Athlete of The Year 13-14	Alex Rampoldi

## Patron's Foreword

I AM MOST PRIVILEGED TO WRITE THIS FORWARD FOR THE 90TH ANNUAL REPORT OF THE NORTH CRONULLA SURF LIFE SAVING CLUB FOR THE SEASON 2014-15.

We have provided outstanding service for 90 years to the public who have recreated on North Cronulla Beach.

I salute the pioneers of our great club who had the courage, foresight, dedication and determination to establish

the club we have today, as well to the leaders and members who, throughout the ten decades that followed, diligently brought us to where we are today, to be one of the most progressive Surf Life Saving clubs in Australia.

Our club members have saved over 13,000 lives and sadly, whilst we cannot claim no lives were lost whilst on patrol duty, we have displayed great dedication in protecting the public and I thank the many Patrol Captains and patrolling members for their dedicated efforts.

A number of our members have showed great bravery in saving lives over the 90 years and have been awarded appropriately for their courage. We must always remember and recognise Major James Peryman, who as Club Captain lost his life in 1950 whilst successfully rescuing a 16 year girl in treacherous seas off our beach. This great man displayed to the highest level our motto "Vigilance and Service"

I recognise the many trainers who over the years have trained our members to achieve the lifesaving awards so necessary to enable us to accomplish this tremendous lifesaving record.

In Competition, the North Cronulla Surf Life Saving Club has achieved many milestones in it's 90 year history.

- In 1974 our club won the first Taplin Relay Championship of Australia
- In 1976 we were the first club to win the Australian Surf Life Saving Championship Point score
- In 1981 we were the first club to win the World Inter-Club Championship Point score in Bali.

I congratulate the many members who have competed for the mighty Blue and Gold. We have gained many Australian, NSW and Sydney Gold Medals. Our members have represented their country and New South Wales, North Cronulla has a proud record in competition.

Our club is to be acknowledged for venturing out to support the community away from the beach. We were the first to build a swimming pool on our premises for the public to use as well as our members and in 1975 our club was the first and only club to teach the community resuscitation. We taught 600 parents due to the fear of backyard pool drownings that were increasing.

This year our club celebrated another milestone in our history in recognising 50 years of excellent involvement of our Youth Development Group. We recognise the many men and women

who have steered this group who have supplied a multitude of members who have become Lifesavers, competitors, leaders and Life member of our club. The involvement of our Nippers has contributed to the continued success of the Club.

I thank the women of North Cronulla. Whether they are lifesavers, administrators, served on the ladies committee, mothers and wives who have supported their men, we would not have accomplished our outstanding 90 year record without you.

On May 2nd this year our club celebrated our 90th Birthday. 325 members old and current joined in the festivities conducted in the clubhouse. The day was filled with reunions, formalities and entertainment, a memorable day.

This, 90th season, has been an outstanding one. Our members have excelled in in all facets of club activity.

Whether it be Lifesaving, Education, Competition and Administration our club has performed so well.

There has been "No Lives Lost" this season whilst Patrols were on duty, this statement is so important to our club and I congratulate all our Patrol Captains and Lifesavers for an outstanding effort.

Wherever you examine our activities, the leadership of all our departments has been excellent. From the Board of Directors through to our officers, all these members have carried out their work in an excellent manner.

Our Junior Development group again has been outstanding. To the Committee, Age Group Managers and the Water Safety team congratulations on an outstanding year.

Competition has continued to develop and I congratulate the club on winning the Interclub point score and in particular the 12 aside relay. It has been many years since we won this prestigious event at the Inter-club. To finish 11th at the Australian Championships is fantastic and I congratulate our competitors for their outstanding effort. There is incredible spirit in our club and I recognise the Coaches and section leaders for their outstanding effort.

A number of our members have been recognised with SLSS Awards and I congratulate them for their achievement, and I recognise Peter Moyle on being awarded the CN Rees Memorial Trophy for being our outstanding member and Alan Freeman for being awarded the Mario Peryman Trophy for

WARREN RENNIE

outstanding service to lifesaving. Both these members have given standout performances for our club this season.

We have been so fortunate to be supported by the three tiers of Government with important financial support for the Clubhouse renovations and our big step in developing the Kiosk area. To Scott Morrison, Mark Speakman and the Ward A councillors of the Sutherland Shire Council we thank them for their important support to our future.

Financially we are in a healthy condition, and we are well placed to meet the challenges we may face looking towards the future. We thank all our Sponsors for their support and to those members who organise the fund raising activities

I wish to congratulate Ron Hammond for his excellent contribution to the design and compilation of our Annual Reports for 30 years. Ron has retired and our club is most appreciative and thank him for his dedicated effort over this long period of time.

Now after 90 years of service we look towards our centenary. We are well placed to make this journey one of the most exciting in our glorious history. The development of the Kiosk area will be a fantastic achievement. We now have before the Board a draft Constitution designed to guide us into the future and with the fantastic spirit that exists amongst the membership, a positive future is assured.

I commend this Annual Report to the membership.

# President's Report

IT IS WITH GREAT PLEASURE ON BEHALF OF THE MEMBERS AND IN OUR 90TH SEASON AS A VOLUNTEER SURF LIFESAVING CLUB THAT I CAN REPORT **"NO LIVES LOST"** AT NORTH CRONULLA BEACH DURING THE 2014 TO 2015 PATROL SEASON.

CRAIG MCKINNIERY

I extend a very personal "Thank You" to every Club member who performed their rostered patrols from our Patrol and Vice Patrol Captains, IRB drivers and crew to all of our patrol members who volunteered their time to keep the surfing public safe at North Cronulla beach this season.

This season was a very big year for North Cronulla SLSC across all aspects of club life and our key functional areas and we are building and gaining momentum each season.

Some of the highlights and milestones included:

- Our Nippers celebrated 50 years of providing lifesaving, training and education, competition and life skills to thousands of young children who progress through our Nipper racks;
- Harry Brown Room – Stage 1 upgrade and refurbishment completed
- 90th Anniversary Celebration of North Cronulla SLSC – Founded in 1925 and still going strong;
- Draft and modern constitution before the Board of Directors for review and adoption;
- Project Phoenix – Special General Meeting held and approval granted to proceed with development application process for the redevelopment of the gear complex and club;
- North Cronulla Christmas Carnival now in 35th season, Winner of inaugural Steve Warren Cup;
- North Cronulla SLSC Iron Person Classic held on Australia Day now in 25th season;
- Interclub Champions – Welcome back Bill Marshall Trophy;
- Announcement of NC Youth Engagement Program (YEP) for season 2015-2016.

Our current Club Management Plan (CMP) 2012 – 2015 is in the final year of operation and we continue to develop and expand our capabilities across the 5 key functions of Surf Life Saving & Patrols, Training & Education, Surf Sports (Competition), Administration & Finance and Community. The CMP will be extended for another season and then be reviewed with the aim to incorporate changes required to manage and grow our Club over the following four years up to and including the 2020 season.

Our members are our greatest asset and at our recent Blue & Gold Gala Presentation night at Gymea Tradies we celebrated the achievements of the season across all aspects of club life and honoured our members who gained awards, won medals and were outstanding in their training and education and lifesaving duties.

IRB LAUNCH

The following members won the Club's most prestigious awards:

**C.N Rees Memorial Trophy** (Most Outstanding Club Member of the Year) – Peter Moyle

**Mario Peryman Memorial Trophy** (Lifesaver of the year) – Alan Freeman

**Tom Payne Memorial Grant** (Outstanding contribution to the Club) – Lachlan Moyle and Kira Hood

Congratulations to our major award winners and they were richly deserved.

Our "Nippers" members are the future life savers and leaders of North Cronulla Surf Life Saving Club and under the leadership of Donna Hargreaves and the Junior Activities Committee they are in very capable hands. The Nipper section works across all areas of our CMP and each weekend the Squad Leaders work on a structured program to develop self-esteem, team work, water and surf safety skills and learn lifesaving and competition skills. Our results at surf carnivals, number of training and education awards gained, very high quality of our Nipper members including this year's Nipper Club Captains, all combine to confirm this section is working well and our challenge is to ensure we continue the level of engagement via a structured program when they move into the senior section of the Club.

I am very excited that our Youth Development Director Monika di Maio has developed and is launching a North Cronulla Youth Engagement Program to help with the transition of our Nippers into the senior section of the Club. There are several aims of the program and these include engagement with our younger members and explain the pathways open to them within the surf lifesaving movement, improve the retention rate of our members aged 13 to 18 years of age, encourage continuous develop of our young members, promote participation and

commitment within the surf club and reinforce their value as respected members and citizens within the local community. The program has been approved by our Board of Directors and will be launched for next season.

To our Junior and Senior carnival officials and water safety personal, thank you for your support and dedication to your respective duties and events throughout the season. You are a very vital and critical area of our surf club operations and we need to develop and increase our number of officials each season

## Life Saving & Patrols

Gavan Duffy, our Life Saving Director, Club Captain Jamie Primer, Club Vice Captain Kane Hughes and the Lifesaving team introduced some refreshing changes to Patrol structures and rosters with the aim to build Patrol Teams with sense and purpose to improve the ability of the patrols to meet the day to day challenges of providing volunteer life-saving patrols and beach management at North Cronulla SSLC.

The members of North Cronulla Surf Life Saving Club recorded the following activities during patrol season:

- Performed over 14,000 Volunteer patrols hours across 12 rostered patrols;
- Recorded 91 Rescues;
- Involved in over 3000 Preventative Actions;
- 132 First Aid cases;

The number of recorded Rescues is higher than the 3 year average due to a large number of rescues performed over the Australia Day weekend. Preventative Actions are up on the 3 year average and this was due to improved patrol and beach management skills.

This season we had 13 members who performed more than 100 hours of volunteer patrol duties and two outstanding Club members – Steve Cardy and Allan Freeman achieved over 150 hours of patrol on our beach. Overall this highlights the dedication of our members to their core duty which is surf lifesaving and performing patrols.

One of the highest awards in Surf Lifesaving is the Gold Medallion and this season we have two extra members who gained that award – Congratulations Alex Budd and Kelly Primmer

The seasons efforts were recognised at the annual SLS Sydney Awards of Excellence with members of North Cronulla members awarded the following:

BJD Female Life Saver of the Year – Emily Maythers;

Under 15 Life Saver of the Year – Maddison Moyle;

Under 17 Life Saver of the Year – Shannon Glasson High Commendation;

Nomination for Rescue of the Month for January 2015.

Two long serving members were awarded their 10 years 100% Patrol Attendance awards with a new Club blazer and a third celebrated 20 years of 100% Patrol attendance at our Blue & Gold Gala Presentation Night.

Congratulations to Linda Hawkins and Martin Fulton on a wonderful achievement of 10 years 100% Patrol Attendance and Darren Thorne on 20 years of outstanding volunteer lifesaving service to North Cronulla SLSC.

## Training & Education

Our Training and Education team was under the leadership and guidance of Jason Gallon our Director of Training and Education (CTO) and achieved the following:

- 55 Surf Rescue Certificates – Our future lifesavers
- 32 Bronze Medallions
- 2 Gold Medallions
- 5 Silver Medallion Beach Management
- 29 IRB Crew Certificates
- 9 Silver Medallion IRB Driver
- 7 Advanced Resuscitation Certificates
- 5 Spinal Management
- New qualified training officers & Assessors across the award structure.

This gave us a total of 544 awards including our Nipper Surf Education Awards and that was a slight increase on the previous season.

This effort was rewarded at the annual SLS Sydney Awards of Excellence, Jason Gallon recognised with a High Commendation for Assessor of the Year.

Another highlight was our club members branching out into other SLSA programs.

- Emily Maythers SLS Sydney Female Junior Life Saver of the Year;
- Emily Maythers attended the Junior Life Saver of the Year Development camp;
- Jarrod Tranter represented the club at SLSNSW Youth Opportunity Makers (YOM) Development Camp;
- Danielle Herman selected for the SLSNSW Development Networking Program and then the SLSA National Leaders College.

These are great examples of our Club members expanding their horizons and opportunities with the SLSA organisation with the full support of North Cronulla SLSC

## Surf Sports (Competition)

On the Surf Sports area, our club members enjoyed another solid season and delivered great results at Aussie 2015 (Youth, Open and Masters), State, Branch and local carnivals including IRB and Pool Championships and representing the Club with selection to representative teams throughout the season. Peter Moyle is our Competition Director and had another very successful season in this demanding position.

In total, 95 Club members received either a State and or Australian medal in either Open, Masters, IRB and Pool events.

## President's Report (continued)

Highlights include:

- Winner Bate Bay Interclub - Bill Marshal Inter Club Trophy;
- Winner North Cronulla Christmas Carnival & Steve Warren Cup winners;
- NSW State Open – 4th Overall;
- NSW Pool Championships – 5th position;
- NSW State Age -7th Place;
- Medals at IRB State Titles and Australian IRB Championships;
- Australian Pool Rescue Championships – 10th Place;
- Australian Youth Championships – Medals won but no point score;
- Aussies 2015 – 11th Overall;

On the representative front, our members made the following teams:

- NSW IRB Team – Danielle Herman, Kate Janssen & Elissa Hughes;
- NSW IRB Development Team – Mitchell Cardy, Jared Kuckler & Joel Ryder;
- NSW Pool Rescue Development Team – Abbey Pugh & Lachlan Moyle;
- NSW Talented Athlete Program – Kira Hood, Alex Rampoldi & Zach Roja;
- NSW High Performance Squads – Alex Budd, Abbey Pugh, Kira Hood & Matt Day;
- NSW Interstate team – Tracey McKinnery;
- Sydney Interbranch Team – Zach Roja, Leo Nosatti, Connor Flanagan, Alex Rampoldi, Ben Highfield, Kira Hood, Hailey Blatchford, Ethan Garland, Abbey Pugh and Lachlan Moyle as Team Captain.

At the Surf Life Saving Sydney Awards of Excellence our Club member won the following awards:

- BJD Female (9-10) - Scarlet Cameron;
- BJD Male (13-14) Athlete of the year - Leo Nosatti;
- BJD Female (13-14) Athlete of the year - High Commendation Alex Rampoldi;
- Under 15 Female Athlete of the year - Kira Hood;
- Under 15 Male Athlete of the year - Nicolas Hards;
- Under 17 Male Athlete of the year - Lachlan Moyle;
- Under 19 Male Athlete of the year - Oliver Hoare;
- Open Female Athlete – High Commendation – Kate Janssen;
- Masters Male Athlete of the year – High Commendation – Steve Warren;
- Surf Sports Coach of the year – High Commendation – Tracey Shriek;
- Official of the year – Tony Hughes.

A new format of events was introduced as part of the North Cronulla SLSC Christmas Carnival with the inaugural "Steve Warren Cup" to be awarded to the Club with highest combined

point score across the nominated new events.

Proud to announce North Cronulla SLSC won the overall carnival point score and the inaugural Steve Warren Cup. The carnival was a great success mainly due to the leadership of Club Captain Jamie Primmer, Competition Director Peter Moyle and Carnival Organiser Barry Schretrumpf and team.

Winner of the 2015 Bate Bay Interclub (Bill Marshall Trophy) – Simply Brilliant result! Great team effort by North Cronulla SLSC across all events on the day, winning four of the five shields and our resounding win in the 12 A Side Relay was outstanding and we have waiting several decades to win that event at the Interclub.

Another successful North Cronulla SLSC Iron Person Classic was organised by our Nipper section and held on Australia Day 2015. Unfortunately the weather and surf conditions were poor and after the first event held at North Cronulla beach, a decision was made to transfer the event down to Cronulla beach for safety reasons. Appreciation and thanks extended to Cronulla SLSC and members for your support on the day.

### Administration and Finance

This section of the Club is vital to the success of all other areas of the club operation and is once again successfully managed by Tracey McKinnery our Club Secretary and Ben Smollett who is the Finance Director.

Most of the work is in the background and is completed without any fanfare or publicity but they have to produce reports, manage financial accounts, deliver on the objectives of the club management plan, arrange sponsors events and Blue & Gold Gala presentation night, deliver our annual report and audited financial statements, manage our governance and statutory financial responsibilities, generate meeting agendas and minutes, attend Executive and Board of Director meetings on a regular cycle and the smooth delivery of these tasks is critical to overall performance of the Club.

Project Phoenix has moved several steps further along the development application process. We held a Special General meeting in November 2014 with the membership voting to proceed based on the motions voted for. The Club has presented the Master Concept Plans and overall development concept to a Sutherland Shire Council meeting and as an outcome of that meeting a Working Party was formed between the club and Council. A Pre DA meeting has been held and then we will move to a meeting with an architect panel to review concept plans. The Council is currently considering a combined approach for the construction work planned for precinct with a proposed new North Cronulla Sea Wall, upgrade works to Dunningham Park and North Cronulla SLSC redevelopment amalgamated into a single Plan of Management and this will be debated at a future Council meeting. Our next step and direction will be dependent upon the outcomes and resolutions of that important council meeting.

Harry Brown Room Stage 1 refurbishment was completed this season and the room is fully operational and held many functions including our very successful Nipper 50th Celebrations in October 2014 and our 90th Anniversary Celebrations over

the first weekend of May 2015. The second stage of the project is under review with Sutherland Shire Council and plan to complete this year subject to addressing any planning issues with council. Once again we extend our gratitude and thanks to NSW Premier, NSW Government, Department of Sport and Recreation and SLS NSW for this grant under the 2013-2014 Surf Club Facility Development Grant Program.

To our Sponsors once again thank you for your continued support and it is greatly appreciated. The ability to successfully provide services and equipment for competition, training and education, lifesaving and patrol duties is a key responsibility of the Club and is achievable with your generous support each season. We have several very long term sponsors who have once again committed to the Club and these include Carlton United Breweries, The Caringbah, Coca Cola Amatil, Toll Express, Caltex and Tradies. New major sponsors this year included Channel Nine News and Canterbury Leagues and we welcome them to North Cronulla.

Another important milestone this year was the successful effort to increase the funds for the Tom Payne Memorial Grant. The aim is to reach \$100,000 to make the fund perpetual in nature and Brian Salisbury of Austbrokers SPT is the driving force to reach that goal. The following insurance organisations contributed to the latest rounds of donations: Allianz Australia Insurance, Austbrokers Holdings, Austbrokers SPT, Zurich Financial Services Australia, CGU Insurance and Vero – AAI Limited.

One very important aspect of Club life is the social side of the Club. Our Ladies Committee with Julie Howell and her team provide meals and behind the scenes support for a large number of events and carnivals held at the Club this season. The quality and presentation of the food was of the highest quality and is always appreciated by surf sports officials who work at our annual Christmas Surf Carnival. To Brook Fleming and David Waugh, the North Cronulla Golf Day "Lifesavers Cup" was another great success based on your support and effort on running the day and is a must attend event on our social calendar. Steven Brown as our Social Organiser once again provided another year of great social events and these were enjoyed by all who attended and are an important part of the fabric of North Cronulla Surf Life Saving Club

Karon McGrath our Media Liaison Officer is retiring and I would like to thank her for high degree of professionalism and expert engagement of this important aspect of Club communication and media management over the last few seasons.

### Community

By the very nature of the surf club we support our community by providing volunteer lifesaving patrols each season at North Cronulla beach. We are very proud of this tradition, a tradition that has been followed each season for the past 90 seasons.

Our core responsibility is Life Saving and Patrols and we supported the local community with over 14,000 hours of volunteer patrols duty during the season and help education, train and keep proficient over 800 members during the season.

The IMB Cook Community Classic was held again at Cronulla beach and was proudly supported by our surf club and Nipper

section and delivers a local community event that helps us appreciate, support and value the local Shire community.

Another aspect of our Community support is our council lifeguards use our heated 25 meter swimming pool and Club facilities year round to provide surf awareness programs to local school children, provide learn to swim and water awareness programs to children with disabilities.

Thank you again to the Sutherland Shire Council and our Ward A Councillors for their continued support during the season and additional support at our surf carnivals and maintenance of the surf club building and facilities. The existing surf club building requires a programmed maintenance schedule to keep on top of the building issues and repairs and this is work in progress with the council.

Our local member for Cronulla the Hon. Mark Speakman, SC MP and Federal Member for Cook the Hon. Scott Morrison MP are very strong supporters of surf lifesaving and fully understand what benefits we deliver to our local community. We thank them for their ongoing and continued support of North Cronulla Surf Life Saving Club.

CRAIG MCKINNIERY WITH MEMBERS JOEL EATON AND KANE HUGHES AND SCOTT MORRISON AT THE ANZAC SERVICE

Our members should be very proud of effort and results delivered by our Club Executive consisting of Tracey, Ben, Geoff, Jamie and Monika. These members continue to show complete dedication to your Club, their positions and roles and constantly deliver on our plan and direction for each season.

To the Board of Directors and other standing committees in the Club, congratulations on your season and continued support of the ideals of surf lifesaving and upholding the mission statement and objectives of our Club.

As I stated on many occasions, our members can be extremely proud our achievements across all areas of Club operations this year because it once again reinforces that we are one of the top 10 surf lifesaving clubs in Australia and the best in Bate Bay area.

Well done everybody, thank you for your vigilance and service, dedication to your patrol duties and ongoing support of your Club and see you on the beach in season 2015-2106.

Yours in surf life saving

**Craig McKinnery**  
President

## Deputy President's Report

WOW, A BUSY YEAR. A TRUE "ONE CAP ONE CLUB" EFFORT. PATROLS, EDUCATION, TRAINING, CARNIVALS, NIPPERS, MANAGEMENT & THE MANY MANY FUNCTIONS. THAT IS WHAT NORTH CRONULLA SLSC IS ABOUT, MANY PEOPLE ALL DOING THEIR BIT TO MAKE AS THE ENVY OF THE OTHER CLUBS IN THE MOVEMENT.

We do it without the huge budgets, but we still gain the results & respect because our members are true club members, loving what they do & who they do it with, their mates.

This season we had the Nippers 50th & the Club's 90th Birthday Celebrations. Excellent turnouts at both functions, with many members travelling from interstate to be part of it, once a member always one. Great opportunity for everyone to catch up with old mates & reminisce.

The highlight for me this season, was the after Aussies function, 250 members entertained by the "Famous Zimmermans", no other club would have had the turnout we did, let alone the sensational entertainment, we are spoilt.

The future is looking great for North Cronulla. Having been involved the last two seasons with the Under 6 nippers,

GEOFF BUDD WITH JAMIE PRIMMER

**SLSC stalwart earns acclaim**

**North Cronulla Surf Life Saving Club's Geoff Budd has received a Cook Community Classic Award. The longtime member holds many awards, including the Bronze Medallion, Silver Medallion, Advanced Resuscitation Techniques Certificate and Spinal award certification. Budd is the club's deputy president, he is a patrol member, trains and coaches juniors and looks after the club's under-six development squad. Budd also coaches competitors in board racing competition events, lifestyle education, and swimming. For the past seven years, Budd has been chairman of the club's junior activity group.**

we are blessed with both the children that have joined the club, but also the wonderful parents that we have also gained. Plenty of people eager to help, be involved & enjoy what our great club has to offer. Really pleased to see the many "past" members returning with their children.

Again, our Education/Training section, lead by Jason, has been busy up-skilling our members, plenty of awards achieved at North Cronulla, thus flowing into our Patrols on the beach. The quality of our clubs patrols are second to none, strong Patrols means a strong club. The Lifesaving section has been well managed by Gavin & crew. Well done to all our members, again keeping the public & our own safe.

The mighty Blue & Gold was again, well represented this season at all major carnivals. The hard work of many is paying off. All colours of medals across all sections, special mention to both the Beach & Boat sections "great efforts, the future is looking good".

Exciting times for the Club are near, with the development of the "gear shed" getting closer. Craig, our President, works tirelessly on this project, we all need to support him when required. It will benefit all of us & will be a great asset for the whole community. Personally I can't wait.

Lastly, a special thank you to the whole Board on a "job well done", Strong management is crucial in the running of a successful organization, I am proud to have been a part of it. Special mention to Tracey our Secretary & Jamie our Club Captain, both who have brought a professionalism to their roles, which the

club & its members have all benefited.

Looking forward to next season, see you on the beach.

**Geoff Budd**

## Finance Director's Report

AS FINANCE DIRECTOR AND ON BEHALF OF THE BOARD OF DIRECTORS I AM PROUD TO PRESENT THE 2015 AUDITED FINANCIAL STATEMENTS.

BEN SMOLLETT

The financial statements show a profit of \$78,827 for the year (2014 \$41,506).

This excellent result reflects the hard work of all members of the club though consideration should be given to the timing difference of the proceeds from the government grant of \$49,736 included in

full as income in the 2015 financial year however the funds were spent on capital improvement for the upgrade of the ball room. These costs will be depreciated over the life of the asset.

Cash generated from operating activities during this financial year of \$178,942 (2014 \$121,571) was invested in capital equipment for lifesaving, clubhouse assets and competition to value of \$81,728, resulting in an increase in cash held of \$99,259.

Further I would like to note that the club also holds and invests funds in trust on behalf of the Tom Payne Foundation which at the end of the financial year valued \$88,454.

Our strong financial position allows our club to pursue development opportunities including the proposed gear shed redevelopment. We will need to continue to control operational spending as the club will incur significant costs preparing for and investing in appropriate due diligence on the gear shed development project.

Thank you again to the office administration team of Sheridan, Glenn-Marie and Melissa who have once again been a great help throughout the season.

I believe the board and I have again provided a financially responsible set of financial statements for the year ended 30 April 2015 and I look forward to contributing to a positive and successful 2016 year.

**Ben Smollett**

Finance Director

## Acknowledgements

North Cronulla SLSC is proud to acknowledge our Sponsors' contribution – both financially and materially. Without sponsorship our task of providing viable Life Saving Service to the Community would be difficult. The funding provided by the new Sponsors and our existing Sponsors enables the Club to support Members by mitigating running and building costs – as well as providing Surfcraft, Boats, IRB motors, competition and training wear. So when you get a chance please, support our sponsors. The club was active in applying for Grants again this year in a very competitive field with good success. Thanks go to our generous Members and supporters of the Club who have made cash and in kind donations throughout the year to support the Club, Carnivals and Sections – as listed in the report.

### ACKNOWLEDGEMENTS

- Surf Life Saving Australia
- Surf Life Saving NSW and Surf Life Saving Foundation
- Surf Life Saving Sydney
- Sutherland Shire Council
- NSW Government Ministry for Police and Emergency Services specifically "Enhanced Rescue Capabilities Grant."
- Emergency Volunteer Support Scheme
- Federal Government for "Beach Safety Equipment Funding."
- Department of Infrastructure and Regional Development Community development Grants Program
- NSW Government 2013 Community Building Partnership NSW Premier and State Member Mr Mark Speakman.
- NSW Department of Primary Industries
- DHL as a National Major Partner of SLS for their significant uniform sponsorship, enabling uniforms to be provided free of charge to patrolling lifesavers.
- Telstra as a National Major Partner and for their support across the SMS system that is utilised via SurfCom.
- BRP for financial support via discounted purchase of new ATV.
- Stramit Building Products for support of SLSNSW Award of Excellence

- Generous support of the general public and donors for the purchase of raffle tickets and / or donations.
- We would like to sincerely thank the following people for their assistance with compiling this year's Annual Report
- 542 Partners Accountants and Business Advisors – Accountants, for carrying out the audit and accounts.
- Karen Kirby and Ignite Creative for Annual Report
- Photographers including Alan Freeman, John Veage, Shannon Glasson, Kathy Lane, Marie Finnegan, Melissa Spurr, Michael Sutton, Jamie Nilsson and Club Members.
- Peter Fitzsimmons, NRMA Open Road Magazine and Randwick Council for articles referenced in 100 Years of Lifesavers service to Armed Forces.

## Secretary's Report

ON BEHALF OF THE BOARD OF DIRECTORS, I PRESENT FOR YOUR CONSIDERATION AND ADOPTION THE 90TH ANNUAL REPORT AND FINANCIAL STATEMENT OF NORTH CRONULLA SURF LIFE SAVING CLUB FOR THE SEASON 2014-2015. THE 90TH ANNUAL REPORT HAS INTRODUCED A NEW FORMAT WHICH WILL NOW BEGIN A NEW DECADE AND ERA IN NORTH CRONULLA'S FUTURE.

TRACEY MCKINNIERY WITH AUSTRALIAN CRICKET CAPTAIN MICHAEL CLARKE

### "A Season to Celebrate and Remember"

Over the course of the past season we celebrated our 90th Anniversary, 50 years of Nippers, 100 Years of Surf Sports and 100 Years of Service to the Armed Forces. These moments were celebrated with Anniversary functions, The Bate Bay Ball, Formal Services and Surf Carnivals. We have continued our service to the community with 14 000 hours of patrols and "no lives lost". Welcomed new lifesavers with 55 SRC certificates and 32 Bronze Medallions. Congratulated 3 new Australian Champions with another 5 members achieving another Australian Championship. The Bill Marshall Interclub Trophy returned to North Cronulla with amazing success 4 out of 5 Interclub shields and for the first time in an estimated 30 years North Cronulla were successful in the 12 aside relay.

All of these moments and events together with many others are referenced throughout the Annual Report. These were moments of not only celebrations but moments in which we were able to reflect on our history, the history of Surf Lifesaving and our place as a part of the culture of Australian Society. Surf Lifesaving as an institution offers many avenues and opportunities to many different people of different ages, abilities, experiences and backgrounds. It is rare that an organisation provides so many opportunities, especially a volunteer organisation. The diverse range of opportunities and as such the many different roles and the volunteer hours members donate to Surf Lifesaving deserves recognition and acknowledgement.

On the beach we have a fantastic team of Lifesavers who give many of hours of service to patrols and water safety. To prepare these members for the responsibilities we have a dedicated Education Team who give many hours towards training usually on week nights after work. We have motivated competitors who benefit from volunteer coaches, section leaders, surf sport officials and a competition team. "Off the beach" the time devoted to administration tasks and finance cannot be forgotten. Members also freely donate their skills and services towards fundraising, catering, social events, bar service, repairing, fixing packing and transporting club gear, equipment and upgrading club facilities. Last but not least we have a Junior Activities Team who are preparing and supporting our junior members – our future lifesavers and leaders.

In 90 years at North Cronulla there have obviously been so many members who have donated so much in so many areas to make North Cronulla the club we are today. The role of the Secretary allows for communication and interaction across the entire club and the organisation as a whole. In any one month well over 100 official pieces of correspondence can be received and sent in all core areas. Whilst the position continues to be incredibly demanding and somewhat unrealistic for a volunteer with full time work commitments, the positive of the position and the administrative demands is that it offers the opportunity to be able to work with inspirational people and hear and share their great stories and benefit from their work ethic. These members are happy to serve and ready to volunteer their time.

OFFICE STAFF

Whilst it always difficult to single out individuals it is important as Secretary that recognition is given in this 90th year to Life Member Ron Hammond. For just under 40 years Ron has graciously produced our Annual Report. The Annual Report is the main source of historical information in the club and the importance of this document cannot be overstated. Working with the Club Secretary, Ron has taken the report from a small half booklet style publication into the document members have grown to recognise for many years. Ron's knowledge of the club, knowledge of the Secretary's position as a former Secretary himself, and his desire to capture and preserve our history has been invaluable. One short paragraph really cannot justify the significance of the contribution Ron Hammond has made in this area. The best way to recognise Ron's work would be to take the time and look over previous Annual Reports and not only appreciate the work that has gone into these documents but also appreciate and value the history that is North Cronulla SLSC.

The 2014-2015 season brings to end the current 3 year strategic plan. Whilst at times progress can seem slow it cannot be forgotten that most club 'volunteers' work in fulltime paid employment away from the club. So it is worth celebrating some major achievements – especially in the administration area - in relation to the strategic plan from the past 3 years.

- The refurbishment of the club office.
- The refurbishment of the Harry Brown Function Room.
- Implementation of designated position based email handles.
- Redesign and launch of a new club website.
- Comprehensive social media platform.
- Coordinated and professional approach towards engagement with the media
- Rationalisation of resources.
- Greater recognition of member achievement via external award process.
- External grant / sponsorship success.
- Completion of new "Constitution" read for consideration and adoption over the coming season.
- Significant progress in our building project including support via "Special General Meeting".

Over the next 10 years as North Cronulla SLSC approaches their 100 year anniversary there will be many challenges for not just the club but for the organisation as a whole. In the immediate future our core business of lifesaving faces the challenge of replacing our experienced senior lifesavers who are readily approaching 10 years+ of patrols and as such move onto Active Reserve and Long Service. Our Education Team is extremely dedicated and give countless amounts of hours towards training but they are small team with enormous

knowledge – this team needs more members. Our competition team continue to face the challenge of retaining our talent together with balancing the huge financial commitment that needs to be made in order to compete with competition entry fees, travel, equipment and training costs. All Bate Bay Clubs will also farewell this year Sutherland Shire Council General Manager John Rayner – a great supporter of Surf Lifesaving.

As Secretary I wish all club volunteers all the best with the challenges that will be faced in the immediate and long term future. As a club we have tried to promote a team and family approach. Over the past 3 years as Secretary it is the "team and family" that North Cronulla provides that helps in meeting the demands of the position. To the Board of Directors, fellow Bate Bay Clubs, Combined District Council, Sydney Branch and SLSNSW my thanks for listening and providing the support and guidance as required. Finally thanks to my very supportive friends and family, especially my husband as President who has shared the journey that was season 2014-2015.

**Tracey McKinnery**

# Club Management Plan (CMP)

**MISSION STATEMENT:** TO PROVIDE A SAFE, ENJOYABLE, INCLUSIVE, FAMILY ORIENTATED ENVIRONMENT DELIVERING QUALITY VOLUNTEER LIFESAVING, COMPETITION AND EDUCATION SERVICES AND FACILITIES TO OUR MEMBERS AND THE COMMUNITY.

## Values

- Professionalism
- Effective
- Ethical
- Accountability
- Trust
- Friendship
- Teamwork
- Community Focused
- Safety
- Responsible
- Sustainability
- Integrity
- Visible
- Inclusion

## Stakeholders

- Our members and their families
- The local communities we serve
- Affiliated clubs within our Branch
- Government at Local, State and National level
- Media agencies
- Suppliers of goods and services.
- The public we advise, assist and rescue
- Our sponsors, business partners and supporters
- Affiliated clubs within our Bate Bay District
- The Ambulance Service of NSW and NSW Police Force
- Other Emergency Services agencies

## Core Business or function areas

1. Lifesaving and Patrols
2. Training and Education
3. Competition (Surf Sports)
4. Business and Administration
5. Member Services
6. Community

## Strategic and Club Goals

1. Create, implement and support effective patrols which deliver quality lifesaving services to our community and development and enhance our patrol members' lifesaving and beach management skills
2. Provide quality individual training and development opportunities for members and key stakeholders
3. Provide competition opportunities to develop and enhance our competition skills, build team work, respect peer competitors and officials and enhance club spirit
4. Perform the routine and develop new tasks which enhance and underpin the day to day operations of the Club.
5. Provide opportunities to develop and support our club members and recognise their achievements
6. To encourage the involvement of the wider community in the club and increase community awareness of the essential volunteer work performed by our club members.

## Key Performance Indicators

### 1. Lifesaving

- 1.1. No lives lost between the flags during patrol hours
- 1.2. Lifesaving Agreement requirements achieved 100% of the time
- 1.3. 100% Patrol Attendance recipients higher than last season
- 1.4. Development of 2 new Patrol Captains and 4 new Vice Captains each season
- 1.5. Total patrols hours same or greater than last previous season

### 2. Training and Education

- 2.1. Increase the number of specialised awards gained by members
- 2.2. Conversion of Nipper Under 14 SRC awards to Bronze Medallion above 75%
- 2.3. Maintain or increase the number of accredited and active Trainers and assessors
- 2.4. Increase the number of facilitators within the club
- 2.5. Increase or maintain the number of training hours available to members

### 3. Competition (Surf Sports)

- 3.1. Increase the number of competitors at Club Championship rounds from previous season
- 3.2. Improve participation rate at Branch, State and Australian carnivals
- 3.3. Target development of (Nominated section) each season
- 3.4. Club finished equal or higher place at Branch Championships than last season
- 3.5. Improve overall combined position at NSW Age and Open Championships

### 4. Business and Administration

- 4.1. Club overall financial position is stronger than previous season
- 4.2. All BOD positions are filled and performing effectively throughout the season.
- 4.3. Rental of club assets eg Pool, Gym, conference rooms is increasing year on year
- 4.4. Front office and back office performance improves year on year.
- 4.5. Redevelopment of Gear Shed project is progressing satisfactorily

### 5. Member Services

- 5.1. Junior Activities membership is growing year on year
- 5.2. Senior Active membership is growing year on year
- 5.3. Total membership is growing year on year
- 5.4. New Club facilities are added for members benefits

### 6. Community

- 6.1. Increased attendance of Local and State members at AGM.
- 6.2. Increased participation at community events.
- 6.3. Improved media coverage in local media

## Club Captain's Report

THE BLUE AND GOLD GALA EVENING CAPPED OFF ANOTHER FINE YEAR FOR OUR GREAT CLUB.

Fantastic to see so many members and their families support the night and pay tribute to the many award recipients. You know a healthy club when you have every section well represented supporting all areas of Lifesaving, Education and Competition.

I will do my best to summarise "The Year That was"

- 370 members patrolled 14,543 hours keeping our beach and the community safe
- Our education team lead by Jason Gollan trained over 150 Awards including
  - 55 SRC Members
  - 32 Bronze Medallions
  - 2 Gold Medallions
- And add our Junior surf Ed awards and it takes the total to 545

JAMIE PRIMMER

- "Moyle was on the Boil" in the competition arena with.....
  - Nearly 300 Gold, Silver and Bronze medals in all competition
  - 4 Interclub shields
  - A Bill Marshall Trophy
  - The Inaugural "Steve Warren Cup"
  - And finally after 25 years we have the bragging rights as the best 12 a side swim relay at the Interclub carnival
- We gave blood and we spilt blood
- We have 2 more Life Members, welcome MR Wallace and MR Thorne
- The Golf day "Gurus" Waugh and Fleming were at it again pulling off another great day
- What about our Nippers .....50 years old!!
- How good are our sections going, stronger every year, well done to Boff with so many crews but with the numbers come the Pests x 3.....Mitch, Jack and Mitchell
- Our Patron is still riding on a crest of a wave
- Coffees at the kiosk
- We've had boaties fixing R&R Reels and
- Another successful board clinic
- All our achievements were well documented through the media thanks to our own Karon McGrath..... So Professional, thanks Karon
  - > We turned 90 this year and what a fantastic celebration we had over the weekend, table sliding even made a comeback but came to a fiery end.....
- A member called Eaton in Gallipoli – what a great trip
- The "Duffenator" kept an eye on our patrols
- Welcome to Tom and Jason our new beach leaders, with Damien Bulion I look forward to the future
- And how good did Luke Calo go, stepping up to the plate filling some big shores in the surfing section

- Lifesaving section is finally off the mark
- Another 100% for Mr Thorne – that makes 20
- What about our Bate Bay brothers Ben and Kieran both stepping down as club captains of Wanda and Cronulla
- Slingshot and Trax just goes together
- And Brownie, what more can I say
- Don't forget those people working behind the scenes, unsung heroes but we know who they are
- And make sure we give a thought to all our past members who have help make this place great
- And we keep hearing from our prez "Project Pheonix" "Project Pheonix"
- Zimmermans twice in one season, how lucky are we
- Don't forget our sponsors who support us through the year
- Freeman and Moyle etched in Club history
- Nick and Gladys Club Captain favourites
- 100% quality x 10 Fulton and Hawkins is there 10 more to come!

Hopefully I have covered "The Year that Was" and for those that I have missed, write me a list and I won't forget next year.

What a great place to be a part of.....See you all on the beach next year

**Jamie Primmer**  
Club Captain

- Welcome to all our new under 14/15 SRC members who started patrols on our beach this season, very impressed with the numbers and quality, it gives me great confidence that our lifesaving ranks will be filled into the future. Special mention must go to our first year U14 SRC members who in their first year have no real set hours to perform but more of an introduction to patrol, we had 44 members perform an average of 33 hours patrol or more for the season with some doing up to 50-60 hours; well done to all the squad leaders and families supporting these kids.
- And what about some of these 2nd and 3rd generation familiar names starting in the senior section;
  - > Bofinger > Cameron > Moyle > Fleming > Loomes > Lewis > Flanagan > Thompson > Whitford > MacNamara and god help us another Highfield and Young!!!

## Club Vice Captain's Report

2014-15 WAS YET ANOTHER SUCCESSFUL YEAR FOR NORTH CRONULLA. 'NO LIVES LOST', 91 RESCUES, 13 PATROL MEMBERS GAINING 100 HOURS +, AUSTRALIAN GOLD MEDALS, ANOTHER INTERCLUB TROPHY WIN.

KANE HUGHES

These are all significant achievements, but there are some critical ones that are less obvious. The patrol members who complete 100% attendance, the Nipper Squad leaders and Water Safety who foster our youth every weekend, the Education and Training team who are instrumental for the lifesaving training, the Section Leaders and coaches guiding their respective disciplines, the IRB teams who are in the water from dawn until hours after the carnival is over, to the officials and parents who staff these carnivals or run them behind the scenes, to the Board of Directors and finally but most importantly Gavan Duffy, Lifesaving Director and the 12 Patrol Captains and their teams, who fulfil the motto of Vigilance and Service, patrolling over the 7 months of 'summer' the club says Thank You.

This season was the 2nd season of the All Terrain Vehicle

(ATV) being available for patrol and club use and is now complemented by a custom patrol trailer designed and built by year 12 student and patrol member Addison Lewis. Both these are significantly enhance the clubs lifesaving operations as well as nippers and carnivals. The ATV wouldn't be possible without the assistance and foresight of the BOD who accepted my proposal a few seasons ago and supported the concept both financially and administratively.

To our Norm Rees and Perryman award winners, Peter Moyle and Alan Freeman, Congratulations on a well deserving recognition of your outstanding efforts this season and seasons past.

See you all next season.

**Kane Hughes**

# Club Officers 2014-2015

COMMUNITY EVENTS	
Cook Community Classic	Brian Ferguson, Sheridan Hughes
Media Liaison Officer	Karon McGrath

Website and Social Media	Website: Craig McKinnery and Tracey McKinnery Facebook, Twitter and Instagram: Tracey McKinnery

## “Roll Up Your Sleeves”

Bate Bay Surf Clubs Blood Drive initiative.

WITH A PERSONAL MOTIVATION AND EXPERIENCE OF THE BENEFITS OF BLOOD DONATION CLUB MEMBER MATT GRANT AGAIN COORDINATED THE BLOOD DRIVE COMPETITION BETWEEN TRADITIONALLY FIERCE COMPETITIVE RIVALS IN THE SURF THE BATE BAY SURF CLUBS THIS SEASON.

MATT GRANT AND FAMILY

Thanks to the support from:

- Red Cross and Miranda Blood Bank.
- Local media, social media and the Bate Bay Surf Clubs.

Held over an extended period this year members were encouraged to donate even more time as a volunteer but in a different field away from Patrols and donate their blood. For every blood donation made members were given the opportunity to add their donation to a club tally from one of the four Bate Bay Clubs.

Sponsorship coordination from Matt Grant ensured that clubs promoting their members to donate their blood would be rewarded with donations from sponsors: Isuzu, Paragon Plumbing, Cross Fit Cronulla, Worldwide Printing Services,

Sutherland Council, Grants Trophies, Cronulla Mechanical Services & Aromabotanical. All four clubs were informed prior to the start of the program that they would receive \$400 just for participating with the winning club receiving \$1500.

At the conclusion of the program an estimated 100+ lives had been saved via donations made from members from all four Bate Bay Clubs.

**North Cronulla were again awarded the trophy for the highest number of donations.**

## Media Coverage

IT IS IMPORTANT THAT WE PROMOTE THE GOOD WORK AND ACHIEVEMENTS OF NORTH CRONULLA MEMBERS.

Whether it is competition, lifesaving, education, special social events or acknowledgement of our sponsors our relationships with the media is extremely important – especially our local media.

Over the past two season a protocol has been developed in regards to contact with local media. The club has a Media Liaison Officer, Karon McGrath, who works closely with members of the club executive and in turn communicates directly as the sole representative of the club to promote stories. Members have been encouraged not to contact the media directly instead they should submit stories for consideration to the Club Captain; Club Secretary or Deputy President.

- Photos (with names) are great and help tell the story – photos with North Cronulla branding are even better. Club shirts, hats, costumes that match and promote club identity and team.
- Facts such as full names with correct spelling, specifics such as dates and times, event details are a necessity.
- Overview of the background behind the event or achievement to help tell the story is also helpful.

In addition to local media we also have the club website and social media such as Facebook, Instagram and Twitter together with local online media organisations such as justcronullanews.com as additional avenues to support our great work.

Finally we always need to be mindful of the privacy and the young age of some of our members –if you are submitting a story for consideration that you check with all participants in the story first before including names and photos.

Our appreciation is extended to The Leader and John Veage and Paul Haige and Just Cronulla News Brad Forrest and John Mulclair.

**THE LEADER – POOL CHAMPS**

**Bate Bay champs at state titles**

By Paul Haigh

NORTH Cronulla Surf Life Saving Club members were the star of the day at the recent National Pool Championships, held at the Sydney Olympic Aquatics Centre.

The dedicated coaches of both clubs (North Cronulla and North Cronulla) were led by their coach and swimmer at the Sydney Olympic Aquatics Centre.

Other pairs came from competitors with North, 10th and 11th place.

North Cronulla had only one other athletes entered – winning an impressive 11 medals: 10 gold, seven silver and 11 bronze.

North Cronulla finished 10th overall and secured its Cronulla from the Bate Bay trophies awarded 127 points over the weekend. Elizabeth, Lisa, Sarah, Nathan, and Ben were the winners.

Elizabeth had nine competitors and four awards. They finished with 18 medals: one gold, 17 silver, one bronze.

Medals awarded by Australian representative State Medals were 10th. This was an impressive result because many medals were junior age competitors.

Victoria Clarke won a gold, silver and bronze and from West was a gold and silver.

Elizabeth won a small total of three competitors and three awards. They finished with 10 medals: one gold, 17 silver, one bronze.

Medals awarded by Australian representative State Medals were 10th. This was an impressive result because many medals were junior age competitors.

Victoria Clarke won a gold, silver and bronze and from West was a gold and silver.

Elizabeth won a small total of three competitors and three awards. They finished with 10 medals: one gold, 17 silver, one bronze.

**SURF LIFESAVING** LEADER ARTICLE

**Nippers grow by the year**

By Paul Haigh

NORTH Cronulla Surf Life Saving Club Nippers will celebrate their 50th anniversary on Saturday.

The club has a rich history of families and several generations being involved during the half of century.

It has had state, national and international champs in many surf life saving disciplines.

Two of the families that have been significant contributors in North Cronulla's history are Fleming and Boffinger.

Fleming clan members John Fleming, 60, Brooke Fleming, 41, Will Fleming, 14, Chase Fleming, 11, and Bella Fleming, 8, will be at the celebrations.

The Boffinger clan of Bill Boffinger, 70, Michael Boffinger, 48, Ted Boffinger, 18, Dore Boffinger, 16, and Abbey Boffinger, 14, will be there too.

John Fleming joined North Cronulla in 1961, he was part of the five man R & R team gold medal champions at the Australian titles, in 1969, in Tasmania.

He met Rose Boffinger, his future wife, at the club and four kids joined nippers.

Brooke Fleming continued the family tradition with his three children all joining.

Bill Boffinger joined North Cronulla in 1953 as a junior and was an top athlete in many disciplines. He said receiving club life membership was his greatest honour.

Boffinger's three sons became North Cronulla members. His son Michael is the club's best captain and his three children are nippers.

The celebrations start at noon and will include ripper demonstrations. Shire band Chuck will play at 9pm.

Details: [northcronulla.slsc.com.au](http://northcronulla.slsc.com.au)

**NATIONAL POOL CHAMPOS ARTICLE**

**It's all smiles at North Cronulla**

By Paul Haigh

NORTH Cronulla Surf Life Saving Club members were the star of the day at the recent National Pool Championships, held at the Sydney Olympic Aquatics Centre.

The dedicated coaches of both clubs (North Cronulla and North Cronulla) were led by their coach and swimmer at the Sydney Olympic Aquatics Centre.

Other pairs came from competitors with North, 10th and 11th place.

North Cronulla had only one other athletes entered – winning an impressive 11 medals: 10 gold, seven silver and 11 bronze.

North Cronulla finished 10th overall and secured its Cronulla from the Bate Bay trophies awarded 127 points over the weekend. Elizabeth, Lisa, Sarah, Nathan, and Ben were the winners.

Elizabeth had nine competitors and four awards. They finished with 18 medals: one gold, 17 silver, one bronze.

Medals awarded by Australian representative State Medals were 10th. This was an impressive result because many medals were junior age competitors.

Victoria Clarke won a gold, silver and bronze and from West was a gold and silver.

Elizabeth won a small total of three competitors and three awards. They finished with 10 medals: one gold, 17 silver, one bronze.

**SURF LIFESAVING** THE LEADER 90TH EDITORIAL

**Club celebrates 90 years of service**

By Paul Haigh

NORTH Cronulla Surf Life Saving Club will celebrate its 90th anniversary with a series of celebrations this August and September, May 1 and 2.

The club's first meeting was held in 1926, the second in 1932, the third in 1937 and the current premises in 1936.

Club patron and life member Howard Bennett said the club, which had 1200 members, had a rich and diverse history.

The club's first meeting was held in 1926, the second in 1932, the third in 1937 and the current premises in 1936.

Club patron and life member Howard Bennett said the club, which had 1200 members, had a rich and diverse history.

The club's first meeting was held in 1926, the second in 1932, the third in 1937 and the current premises in 1936.

Club patron and life member Howard Bennett said the club, which had 1200 members, had a rich and diverse history.

## Ice Bucket Challenge

OUR UNDER 14 GROUP CELEBRATED THEIR SRC EXAM SUCCESS WITH THE "ICE BUCKET CHALLENGE".

The challenge was sent out to parents, trainers, and Board members and committee members from the entire club.

The results was a lot of laughs and lots of fun.

The challenge also has a serious side that is promotion and donations towards Motor Neurone Disease.

Donations can be made via the following website link

<http://incelebration.gofundraise.com.au/page/NCSLCMNDicebucketchallenge>

## Cook Community Classic

THE SEVENTH COOK COMMUNITY CLASSIC WAS HELD AT CRONULLA BEACH AND PARK AND AGAIN WAS AN OUTSTANDING SUCCESS.

The Classic is under the patronage of the Federal Member for Cook, Scott Morrison MP, who is a great supporter of the four Bate Bay Surf Life Saving Clubs.

The event combines a competitive 'Nipper' lifesaver relay between our local Surf clubs, open 1 and 2 Km public ocean swims and a community carnival in the surrounding park areas. The carnival includes entertainment, live music, local celebrities and community stalls featuring the participating event sponsors and community organisations.

The Classic, a major annual community event, has provided a great fundraising platform where, since inception, over \$300 000 has been raised for our local Shire community groups which includes the local Surf Life Saving Clubs, Sports Clubs, Local Charities, School P & C's and other Community Organisations.

## Education and Training Report

IT SEEMS LIKE ONLY YESTERDAY BUT HERE WE ARE AGAIN WITH ANOTHER YEAR BEHIND US, HOW TIME FLIES.

JASON GOLLAN

The last season has been a bit hit and miss with regards to the Education and Training section. Whilst we have again trained and prepared all of our candidates to a high standard, the number of Bronze Medallion candidates has been low compared to recent years. This could be one of several reasons, as we all live busy lives and finding time is a juggling act we all struggle with.

This season saw the largest number of SRC candidates presented and saw the season off to a great start. I can easily say they were probably the best group of kids we have trained and the level of support offered by helpers and squad leaders was fantastic. These kids put everything into their training and it was a great achievement to see them all become lifesavers and commence patrols on North Cronulla beach.

Our Bronze Medallion numbers were low compared to recent years however our candidates were still the best presented in Bate Bay and this is evident by the 100% success we received. On another high note it was particularly good to see many of our older and long standing members, kids become the next generation of lifesavers and competitors and I'm sure the future will repay this in the years ahead.

Whilst initial Bronze and SRC awards were a mixed bag, our ARTC, Spinal, IRB crew and Drivers awards gained over the season were fantastic and this was backed up by

our dedicated team of trainers and helpers to make this a possibility.

Like every year, the weeks, days, hours and minutes spent training our candidates has been rewarding not only for the recipients of the awards but also for that of our dedicated trainers charged with delivering the highest quality of practical and theory to all members.

To North Cronulla's dedicated group of trainers and helpers who spent many a night and weekend at the club I thank you for your efforts and help over the season. Whilst we may not get the recognition that the competition section gets in way of medals etc, it is your efforts that stand tall as without the time you all put in, these members would not be able to compete for our club.

To the Board of Directors of North Cronulla SLSC, I take this opportunity to thank you for the last season.

On a personal note, to the families of our dedicated trainers and assessors, who give the club so much in the way of personal time, allowing our trainers to do what they love and are so good at, thanks - Who knows what next season will bring.

**Jason Gollan**  
North Cronulla -CTO

## Teams ready for action

By Paul Waugh

SATURDAY marked the official start of the new surf life-saving season. The five Bay clubs — North Cronulla, Cronulla, Wanda and Ewingsdale — spent the day on the beaches and in the ocean.

The dedicated members of the clubs reported for duty for their first surf patrols of the season. The clubs are the guardians of Sutherland Shire's picturesque beaches alongside the council's professional lifeguards.

Safety is paramount and the dedicated, skilfully trained volunteers play an important role in the community. The surf patrol teams do their utmost to ensure public safety by reminding the public to swim between the flags.

North Cronulla Surf Life Saving Club member Madison Kirby Makowec, 13, of Menai, has just started patrols. "Being part of the surf life-saving movement is about being able to help other people and I have just become a cadet after nine years of being a North Cronulla Nipper," Madison said. "I love being able to be on patrol and use all my training to help keep our beach safe."

"I love being down at the beach with my friends on patrol and would recommend everyone my age volunteer their time to surf lifesaving."

Surf Lifesaving NSW has 129 clubs and 76,000 members statewide, making it one of the largest volunteer movements in Australia.

# Lifesaving Director's Report

ANOTHER VERY SUCCESSFUL YEAR ON THE NORTH CRONULLA BEACH WITH NO LIVES LOST!

NORTH CRONULLA SRC ON PATROL

GAVAN DUFFY

The North Cronulla Surf lifesaving patrols are proactive in their attention to prevention of injury and accident as is one of the main reason for the continuing success of the patrols at North Cronulla.

This year I would like to make a special thankyou to Beth Fulton who is retiring from her role as one of our longest serving Patrol Captains, and on behalf of North Cronulla Surf Club, we thank her for her outstanding service. Beth's patrol will be taken over by Jason Gollan who has a wealth of experience as our training and Education Director and will now also be a Patrol Captain.

This season we have seen our numbers grow from our junior cadet members who are enjoying their first seasons as patrolling members and enjoying making friends and spending their patrol hours on the beach having a good time with their friends as well as fulfilling their rostered obligations.

In this season North Cronulla put through 55 SRC, 32 Bronze Medallions, 5 Silver Medallions, 29 IRB Crew and 9 IRB Drivers.

During the 2014 - 2014 season, we also made changes to the way the patrols are rostered to a team based system, where a focus was put on members patrolling with their mates and selection of services from within the patrols with the aim of increasing our retention of patrolling members each year. Feedback on these basic changes was that it was an overwhelming success, but as always when initiatives are introduced, there are always areas of improvement that can still be made.

Looking forward to the 2015 - 2016 Patrol Season, we always seek to improve patrolling conditions for our members, and we understand that being a patroller at the beach can conflict with work, family and competition pressure for each person.

For 2015 - 2016 we will look to increase our patrols to 14 patrols to cut down the No. of individual hours each person must spend on the beach. Also, we will look at implementing a greater degree of flexibility in patrolling hours within the patrol. Lastly, we will be trialling a new substitute process which will automatically update on surfguard which we expect to be trialled in the 2015 - 2016 season.

However, we can only go to 14 patrols if we have enough services that can be provided to sustain 14 individual patrols. Accordingly, we do need people to do additional courses to fill important roles in the club and patrol roster. The roles add value to our younger members skill sets and also look good on the employment resumes, and this year is no exception, we need people to fill roles as IRB drivers, Advances Resuscitation and Spinal injury management for our upcoming 2015 - 2016 season.

We would like to thank the current Patrol Captain / Vice Captain Roster for the 2014 - 2015

Patrol Captain	Vice Captain
1. Mel Thomas	Alan Freeman
2. Gavan Duffy	Dani Herman
3. Steve Cardy	Tina Hilleard
4. Mitch Cardy	Michael Fogarty
5. Martin Fulton	Sophie Gollan
6. Peter Loomes	Elissa Hughes
7. Adam Calo	Will Budd
8. Gladys Honer	Barry Cawley
9. Mark Anders	Jarrod Wennekes
10. Kane Hughes	Joel Eaton
11. Monika Di Mayo	Lara Hughes
12. Beth Fulton	Jarrod Tranter

During the season we have recorded 91 rescues which is above our rolling 3 year average of 84 rescues and our preventative actions and patrols hours are above three year averages. The statistics are a credit to the proactive beach management and preventative action of our patrols over an attendance of 88,452 persons attending the beach during patrol hours in the season.

PAT HUNT - GOLDEN THONG WINNER 2015

IRB WATER SAFETY

## Competition Report

THE 2014-2015 SEASON HAS NOW COME AND GONE AND WHAT A SEASON IT WAS. NOT ONLY DID WE CELEBRATE 100 YEARS AT AUSSIES, NOT ONLY DID WE CELEBRATE 90 YEARS OF NORTH CRONULLA BUT AGAIN THE COMPETITION SECTION CONTINUED TO GROW AND STRENGTHEN ITS RANKS.

PETER MOYLE

On the scorecard our season finished up as follows:

- Australian Titles 11th
- State Titles
  - o Juniors 7th
  - o Seniors 4th
- Branch Titles Cancelled this season due to weather
- Interclub 1st **Yes we brought Bill home to where he belongs.....**

I am pleased to report that all sections had growth in their numbers. This can only be achieved by the dedication of many people: Section Leaders, Coaches, Officials, Management Staff, Parents, Water Safety, IRB crews, Patrolling members and of course our Competitors. To all of you I would like to say thank you for your efforts this year.

On the representative scene we had several Members selected for various Teams and Programs including:

**NSW IRB Team** – Danielle Herman, Kate Janssen & Elissa Hughes.

**NSW IRB Development Team** – Mitchell Cardy, Jared Kuckler & Joel Ryder.

**NSW Pool Rescue Development Team New Zealand Tour** – Abbey Pugh & Lachlan Moyle,

**NSW Talented Athlete Program** – Kira Hood, Alex Rampoldi & Zach Roja

**NSW High Performance Squad** – Alex Budd, Abbey Pugh & Kira Hood

**NSW High Performance Beach** – Matthew Day

**Sydney Branch Team** - Zach Roja Under-13, Leo Nosatti Under-14, Connor Flanagan Under-14, Alex Rampoldi Under-14, Ben Highfield Under-15, Kira Hood Under-15, Hailey Blatchford Under-15, Ethan Garland Under-17, Lachlan Moyle (Captain) Under-17, Abbey Pugh Under-17 competing in Under 19.

Congratulations on your achievements.

Come December time we saw the 34th annual North Cronulla Christmas carnival. The introduction of the Steve Warren Cup allowed for a team competition format. This format proved to be well accepted by competing teams and will continue to

grow. Oh and by the way **WE WON!!!**

Another highlight of the year for me was the Interclub 2015. The performance by our team was nothing short of inspirational. To win 4 of the 5 shields and come a close second on the 5th shows the strength of all our sections. And who can forget the 12 a side surf race!!!

At both State and Aussies we fielded a strong representative team. The camaraderie in the team is clearly evident by our debrief meetings at the end of each day. To all the team you have represented your club with pride this year and you should be congratulated for that.

To finish off there are several people that need special mention.

To the Board of Directors thank you for your continued support of the competition section. In the short time that I have been in this role there has always been total support in the continued growth of the section.

To Baz Scheutumpf – Our Team Manager. Thanks again mate. You always step up each season and quietly work behind the scenes to make sure the job gets done. I look forward to working with you for many years to come....

To Steve Warren – Our Head Coach. Thanks Steve you area a champion competitor, coach and person. You should be proud of what you have built in the club.

To Bobby Lovell – Thanks mate for your assistance again this year. When something goes wrong you know where to go, who to speak to, and how to fix it. Never retire mate...

To the Office Staff – Sheridan and Glen Marie, thanks for the countless hours you put into supporting the section.

To all the Parents and families of competitors – Thank you for the countless hours you contribute. Whether it is towing trailers, running fundraising days, officiating, water safety, whatever it may be thank you.

Our Patrolling members – You may not compete but you are a part of the family. Without your support our success would be limited. Thanks.

Finally to our competitors – Over the season we have our highs and also our lows. You will all experience them, but what makes you unique is that you are a part of the mighty Blue and Gold Team. Well done this season and lets look forward to 2015/16.

## Head Coach's Report

THIS SEASON ONCE AGAIN IS BEHIND US, AS I PUT PEN TO PAPER I'M THINKING AHEAD TO THE COMING SEASON AND HOW WE AS A CLUB CAN IMPROVE ON OUR COMPETITION STANDARDS.

To all the coaches at North Cronulla I would like to thank you sincerely, without your efforts, expertise and guidance we would not be as competitive as we are.

Sometimes I guess thoughts go through your heads as to what am I doing this for! It's because you people are the unselfish band of men and women who give up their precious hours to contribute to North Cronulla's future.

To all the parents, helpers and supporters a huge thank you for your encouragement and at many times a taxi service to enable these competitors to attend training sessions and carnivals.

As we do not have a lot of carnivals during the year it is difficult at times to select teams, so a great deal of selections are based on training attendance and attitude at various training sessions.

I would hope this seasons that more competitors attend the Sydney Water Series as these are a great early season hit out.

It was a shame that the Sydney Branch Championships was cancelled due to dangerous surf conditions. Duty of care is the responsibility of Surf Life Saving and also to coaches throughout the association.

At least on that day all was not lost as we competed on the famous Yarra Bay and North Cronulla qualified through to the NSW Championships in the Club relay race which was a qualifying event through the Branch.

As always I witnessed some outstanding achievements throughout the season in the water and on the sand.

**Ollie Hoare:** 1st NSW Open and U19 2K run, 1st Australian U19 2K run. See you next season in the water as well Oli.

**Alex Rampoldi:** 1st U14 Beach Flags Australian Youth Championships, 2nd U14 Beach Sprint Australian Youth Championships

**Kira Hood:** 2nd U15 Female Iron Person NSW Championships, 2nd U15 Female Surf Swim NSW Championships, 2nd U15 Female Iron Person Australian Youth Championships, 2nd U15 Female Surf Swim Australian Youth Championships. A very inspirational effort in the NSW Iron Person – congratulations!

**Open Mens Board Relay** - Will Budd, Jake Moses, Rob Annabel: 3rd NSW Titles. One of the best relay races for North Cronulla for a long time – congratulations boys.

**Nicole Glasson:** Finalist U19 and Open Female Ski, 4th NSW Championships – very unlucky Nik. Finalist U19 Female Ski Australian Championships. A huge effort.

**Will Budd:** 5th Mens Open Board Australian Championships. You really had a "crack" at that one Will, such a great finish to an exciting race. It was anyone's on that final wave – so close.

## CHAIRMAN OF THE BOARD

IAN WARREN

After a lifetime of competition that netted him a total of 71 Aussie gold medals, North Cronulla's ISA Hall of Fame Steve Warren's son spent grandfather.

When he returned to the Masters competitors yesterday what a five year old grandchild, four year old twins and a 15 month old baby were from and his hearing aids on.

"The kids have never seen me race before so I thought it'd be fun to go and have a go," said Warren, regarded as one of Australia's greatest ever board riders.

"It was the kids down at North Cronulla and we decided to come up and have a look at the board events and have a bit of fun with grandma the Cameron and the Warrens."

Warren pulled out all stops to take a classic flight into the 40 year board race over Tomorrow's Legend (Don Marshall, Gordon Park) and Ted (Tony) (Melbourne).

He later combined with Cameron to take the board race with a win by Max's (John) and Geoff (Drew) and Ross (Peter).

**Nick Hards:** 3rd U15 Surf Australian Youth Championships, 4th Tube Australian Youth Championships. All so close – I would like to have a look at a replay of the tube touches.

**U17 Girls:**

Board Rescue – Alex Budd, Abbey Pugh: 2nd Australian Championships. A very popular second – congratulations girls.

**U17 Boys:**

Surf Race – Ethan Garland, Lachlan Moyle, Keegan Mason, Lochie Davis. To race and win on one day, then because of a balls up on the finish line by officials, race again the next day in different conditions and finish out of a place – that sucks. Next year boys!

2 teams in Board Relay Finals NSW and Australian Championships, 2 teams in the Australian Board Rescue Final – Brandon Finnegan, Chad Moses, Jye Highfield, Lachlan Moyle, Dane Bofinger, Lochie Davis, Keegan Mason, Ethan Garland. A great season from you guys – thank you.

**U14 and U15 Youth Championships**

The U14 and U15 competitors who competed at the NSW Titles and Australian Youth Championships did North Cronulla proud as your efforts and contribution to our club was outstanding. It was a huge two days and an exhausting test for some competitors. We will take a hard look at this and look at a solution to control fatigue.

The 4 Way Carnival cannot be forgotten. It was one of North Cronulla's finest moments to witness that 12 a side swim relay was something to remember. Standing next to Patron Warren Rennie was such a proud moment to see North Cronulla victorious after so many years, the moment was priceless.

Also winning the Boat, Board & Ski, R & R and Swim shields. And yes the "Bill Marshall Trophy" is home again at North Cronulla – Bate Bay Champions.

There are so many outstanding achievements from North Cronulla members that I could and I would like to mention all of them but I will congratulate you all when we all catch up.

I also do not want to take away the accolades that you deserve from your respective section captains and also nipper sections.

I would like to thank out Competition Director Peter Moyle who made our job so much easier with your input and guidance throughout the season.

**Steve Warren** Head Coach

# Beach Section Report

AN IMPRESSIVE SEASON FOR A SMALL EVOLVING BEACH SECTION WHICH PRODUCED SOME PLEASING RESULTS AT BRANCH, STATE AND AUSTRALIAN TITLES. AS NEW BEACH SECTION LEADERS, THE 2014/15 SEASON HAS BEEN BOTH ENJOYABLE AND CHALLENGING.

OLIVER HOARE

The inclusion of the Australian Youth Surf Life Saving Championships for U/14 and U/15s was embraced well by the competitors of North Cronulla and turned out to be an amazing experience for all involved.

We were pleased to see some incredible and encouraging results on the beach throughout the 2014/15 season.

The participation by competitors of all levels and the positive teamwork was great to see, with true North Cronulla spirit on show at many carnivals.

Leading the way once again was Oliver Hoare with Gold in the U19 2km beach run at Aussies, State and Branch. He also backed this up at Aussies with an 8th in the Open 2km beach run and at State winning Gold in the Open 2km beach run.

Matthew Day excelled in the U17s Male Beach Sprints and Flags by placing 4th in both events at Aussies, while Lachlan Crawford finished 6th in the U15s 2km Beach Run at State and 5th at Aussies, whilst also being part of the U14/15 Male Beach Sprint Relay Team with Curtis Cameron, Jai Vilanti and Connor Flanagan.

Connor's season was somewhat of a rollercoaster of highs and lows. Connor was once again chosen as the sole male beach competitor for the Sydney Interbranch Team for the 3rd year running. However, just days before, Connor was forced to withdraw after being hospitalised with a Staph infection in his ankle bone, which resulted in surgery then 6 weeks out of action.

Connor's comeback was impressive to say the least and through a lot of hard work and training he came back to win the Sydney branch beach flags for the 5th year running, then

backed up to win Gold in Beach Flags at State and was unlucky to be disqualified in the Semis at Aussies. In the Beach Sprints, Connor finished 4th at Branch then 5th at both State and Aussies.

Connor also combined with Jesse MacKinnon, Sebastian Plunkett and Bailey Summerhayes to finish 5th in the U14 Male Beach Sprint Relay at State.

Alexandra Rampoldi was also once again named as the sole female beach competitor for the Sydney Interbranch Team for the 3rd year running, winning her Beach Flags event and finishing 3rd in the Beach Sprints for the Sydney Team.

Alexandra continued her domination of the Beach Flags event, by winning Gold in the U14s event at each carnival entered including, branch for 3rd year running, state 4th year running and finally becoming the inaugural U14 Female Beach Flags National Champion at Aussies. The pocket rocket has trained hard this season and her hard work has paid off, with her results for beach sprints improving this season with silver at Branch, Bronze at State and a very very close silver at Aussies.

Alexandra's U14 team mates and sisters have also excelled, with Emily winning Silver in Beach Flags at Branch and Leah winning Silver in Beach Flags at State while Ashleigh MacDonald is regularly finishing in the finals and semis in these events.

The U14 Beach Relay Team of Alexandra, Emily, Leah and Ashleigh MacDonald finished 4th at Branch and 7th in the final at State.

Other pleasing results were, Kai Woodger finishing 5th in the U17s Male 2km Beach Run at State and the U17 Male Beach Relay Team of Dane Bofinger, Lochie Davis, Brandon Finnegan and Chad Moses finishing 4th at State – showing great North Cronulla spirit!

Also showing this spirit was the U14/15 Female Beach Sprint Relay Team of Charlotte McNamara, Kira Nutall, Maddison Kelly-Makovec and Alexandra Rampoldi at the Australian Youth Championships, by combining to make the final and finish 7th – the smiles on their faces at just making the final were priceless – well done girls, showing that great North Cronulla spirit yet again!

ALEX RAMPOLDI

CONNOR FLANAGAN

MATT DAY

The nippers have also had some encouraging results for the future of the club with Lucy Flanagan (what do the Flanagans feed their children?) finishing with a Gold at State in Beach Flags, a 4th in Sprints and 5th in the relay with Indi Bullian, Ariane Sharpe and Tahlia Roja.

In the 13s Michael DeFrancesco has had some encouraging results on the beach and we look forward to him transitioning to the senior section and joining in on the training sessions planned.

If you are looking for inspiration and to know what North Cronulla is all about, look no further than our wonderful masters competitor Gladys Honer, who finished 4th at State and 5th at Aussies in the 1km Beach Run and 3rd at State and 7th at Aussies in the Beach Flags events.

Thank you to all beachies for competing at all carnivals with the spirit of this great club. Thanks to Damien Bulian, our own Beach Champion who gives his time and expertise to the nippers of the club. To Peter Moyle our Competition Director,

Jamie Primmer our Club Captain, Giles Pugh, Sheridan and Glen-Marie in the office and all of those quiet achievers who work behind the scenes to make sure our club is represented in the best way possible.

Moving forward, we have much planned for the Beach Section, including structured pre-season training involving sand hills, stairs and beach training. This will be open to all members, not just the Beach Section. We also have the option of track training at Sutherland with Kristy Smith and technique training with Damien Bulian for those serious competitors. Utilising the experience and resources that the club has to offer can only benefit us all.

Assisting the transition from U/14s to seniors to ensure competitor retention will be our priority.

Bring on the 2015/2016 season – We bleed Blue & Gold !

**Tom Rampoldi and Jason Flanagan**  
Beach Captains

BEACH RELAY ACTION AT STATE

## Board Riding Report

IT WAS ANOTHER SUCCESSFUL SEASON FOR THE NORTH CRONULLA BOARD RIDING SECTION. WE WELCOMED SOME NEW SURFERS TO THE GROUP AND CONTINUE TO COMPETE SUCCESSFULLY AS A TEAM WHILE HAVING FUN.

We continue to grow as a section as we have many outstanding grommies coming through the ranks moving from nippers Sunday surfing to the senior competition.

Our first hit out for the season was the north Cronulla Christmas carnival. We had a great turn out with North Cronulla surfers represented in all age groups and smashing the point score!

### North Cronulla Christmas Carnival

JARED EASON

PHOEBE HICK

#### Open Men's

- 1st – Jarred Matthes
- 2nd – Luke Calo
- 4th – Tyler May
- 5th – Luke Hawkings

#### Open Women's

- Dani Calo - Phoebe Hick
- Semi-finalists

#### Under 19 Men's

- 1st Tyler May
- 3rd – Luke Hawkings
- Semi-finalist – Jarred Eason

#### Under 19 Women

- 1st – Dani Calo

#### Under 17 Female

- 5th – Phoebe Hick
- 6th – Jae Withers

#### Under 15 Male

- 1st – Harry Sheldon
- 3rd – Jake Woodger
- 4th – Damon Foley

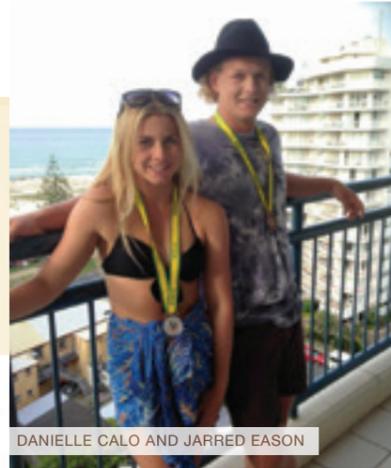

#### Under 15 Female

- 1st – Kate Hawkings

Our next carnival for surfing was Branch and although this carnival was mainly a wipe out due to dangerous conditions... surfing started early in the morning and we gained some early unreal results from our younger surfers. It was disappointing that the rest of our surfers did not get to finish; it would have been an outstanding result!

### Branch NC results

Under 14 boys	Fin Padman	3rd
Under 14 boys	Jake Woodger	2nd
Under 14 girls	Kate Hawkings	3rd
Under 15 girls	Kate Hawkings	1st
Under 19 boys	Luke Hawkings	3rd

DANIELLE CALO AND JARRED EASON

State 2015... the non event...not only was it disappointing for our clubs surfers to not be Surfing with the rest of their mates at State who were doing the State championships. We then find out that if we do have a stand alone competition that those points will not carry over to the 2015 point score. This is a shame for NC Cronulla surfers and all surfers in SLS. For Nth Cronulla it is a great loss as we have had a very proud history of surfers and this section is a wonderful contribution to membership as well as being a valuable contributor to our clubs overall point score at all 3 levels. This was greatly noted at the 2015 State Titles.

### Aussies 2015

We travelled up to Queensland with a group of about 10 surfers. We travelled out to Miami each day and with so many surfers entered the competition stretched over 4 days. Many of our surfers made semis and few finals. Our best results, was in U19 womens with Dani Calo coming away with a silver medal in heavy 5ft swell and Jared Eason surfing unreal all day, making it through all 6 rounds to the final, and finishing with a more than impressive bronze in the Open Long Board.

Special mention to Luke Mahoney first time competing on the long board, smashing it through the rounds almost making it through to the semis, hang-10 pits on his 100 year old mal. Also Luke Hawkings with consistent results at the local carnivals and at branch. It was great to see some of our new surfers Chad Moses, Lochie Davis and Jarrod Mckinnery giving it a great go and surfing through a couple heats, welcome to the team. And as usual Craig Mckinnery shredding on the longboard.

Our most improved surfer for the 2014-15 season goes to the Phoebe Hick. Not only did Phoebe come away with some strong results throughout the season, her overall attitude, team spirit and 'froathingness' spreads throughout the surfing group, making her a valued member of our team.

The most outstanding surfer of 2014-15 was Jared Eason. His efforts in the Aussies championships were epic! Spending most his heat time in the greenroom. Beating former world champions and a well known Bondi lifeguard, to earn him his bronze.

Well Done Team.

### Luke Calo

Board Riding Section Leader

## IRB Section Report

THE 2014-15 SEASON HAS BEEN ANOTHER SUCCESSFUL ONE FOR THE IRB SECTION.

For the IRB section it has been a big year on the training front, the IRB section has put through 29 crewman and 9 drivers. The training efforts over the years has been the main reason for our growth as a "powerhouse" for IRB's in the Branch. As a section we are currently forward planning to begin training new crew and drivers from September to December to expand

the section further and meet the strenuous lifesaving demands being mandated by Surf Life Saving NSW. Keep an eye out for courses coming up at the start of the 2015-2016 season. It is a great pathway for our younger member to take to stay involved in the club and make patrols fun!

As part of the IRB section role we are required to cover carnivals all around Sydney Branch. As a club with a strong IRB section we are required to set up carnivals on a regular basis (sometimes as the only club), often starting at 6am and not finishing until the late afternoon. This can often be a thankless task but done so everyone can compete. A big thank you to everyone who assisted me this season with our duties (too many to name).

As always our representation in IRB competition has been strong once again this season. In our 8th year of competition we have continued to reach more milestones. Our rise in competition has attributed to the retention of our members

JARROD TRANTER AND KATE JANSSEN

who fill our patrols week in week out. Many of our members started 8 years ago competing, many being 15 when they started and now in their 20's! These members that have been around over the years help me with maintaining the gear to keep our beaches safe, a big thankyou to you all. Our results in competition varied at state level this season, with 4 bronze, 1 silver and 1 gold from the NSW IRB Premiership Series. We were very unlucky with a lot of 4th places at the State Titles with our female crews leading the charge on finals day. We ended up finished 6th overall in NSW which was a great effort.

This seasons Australian Titles was held at Kingscliff in some "interesting" conditions. There we achieved some new milestones as mentioned earlier. For the first time we had 3 female members make the NSW Interstate Team. These members were Elissa Hughes, Kate Janssen and Dani Herman. Our "young guns" Mitch Cardy, Jared Kucler and Joel Ryder for selected to represent NSW in the Development Team. This year we made two out of the eight Australian finals in the male teams and female tube, with many of the other events our crews were knocked out in the Semi-finals. Unfortunately, in the Men's teams final we crossed the line for a Bronze only to find out we were being DQD on a technicality rule. A disappointing end to what would have capped off a top season!

These great achievements outline above would not have been possible without our fantastic core group of Sponsors. A big thank you to Caltex, who continuously supply us with fuel and vital equipment. Thankyou to All Vehicle Restraints, Alan Freeman – who has used his retirement to build us a fantastic engine trolley! Fairfield RSL, Holt Group, Cronulla RSL who purchased a new motor this season, Tradies –who have supplied us with a new boat for the season and last but not least Jamie Primmer from Toll who helps us transport gear and pick up equipment week to week that has made it possible to achieve the great things above. Our Sponsors ensure the safety of our beaches and our success in the Competition Arena. Once again thank you for your support – and I look forward to an ongoing future with your support.

Last but not least, a big thank you to Bobby Lovell – he has given me so much support over the last eight years as IRB Captain – it makes my job much easier! Thank you and I look forward to your support for the upcoming season.

### Joel Eaton

IRB Captain.

# Board Section Report

LAST SEASON WAS ONE OF MIXED CONTRASTS, FRUSTRATIONS AND PERFORMANCE.

To have regular competition spread evenly across the season would have been the ideal scenario. No one would have predicted that the Interclub would be the only serious competition prior to State Titles, with Manly having amended events, to Branch Championships being cancelled, making team selection and preparation extremely difficult.

The Interclub result was a fantastic effort by the Charges – winning 3 events plus the Board Rescue Relay and placings in remaining events saw the Board section setting a great platform to enable the Club to win the Bill Marshall trophy. Well done Chargers.

The State Titles saw 3 days of weather you could not predict. Rain, heat, gale force winds – not ideal for competition. To see many teams lead their event and not be victorious was frustrating to say the least.

U15 Female Board Rescue – A disappointing end following dominance in semi and leading the final only to be edged out of the medals. Well done Kira and Hayley.

Open Board Relay - Led for the entire race only to be run down at the finish. A great effort by Will Budd, Jake Moses and Rob Annabel – Bronze medal.

U17 Male Board Rescue – Same end result. Lachlan Moyle and Lochie Davis led for all the event only to be passed by the dial a wave teams from the back.

U17 Male Board Relay – Saw 2 teams battle it out in a high quality final. Bragging rights went to the gold team of Brandon Finnegan, Jye Highfield and Chad Moses, who fought it out right to the line and record another 4th place.

And so to the Aussies – a 9 day carnival encompassing Youth, Masters and Open events.

The introduction of the Youth Championships, whilst the concept is good, the timetable crammed too many events into a 2 day window.

LEO NOSATTI

WILL BUDD

LOCHIE DAVIS

HAILEY LANE

Special mention here to the male competitors – some of who had 5 events in the final hour of competition. Ben Highfield, Leo Nosatti, Jake Young and Nick Hards battled fatigue and injury to put in their best efforts in every race they contested, especially Ben and Leo, showing great spirit in each event until the finish. Well done – I'm sure that some of our Senior competitors were in awe of your performances.

The Masters saw the elder statesman from the Chargers (needs to be inducted) taking out the gold medal in the over whatever age Board Race. Well done Steve.

The Open events saw days of varying fortunes. We had 9 teams contesting 6 finals – which was exceptional considering the size of entries from Queensland clubs.

The full results are listed elsewhere in the Annual Report but there are some events that deserve special mention.

U17 Female Board Rescue team of Alex Budd and Abbey Pugh showed great composure at the end of their semi and grab a spot in the final. This was another high quality final with the girls picking up a great runner to push through and take the silver medal. Well done girls!

The Open Board Final saw Will Budd serve it up to a top class final. His change of tactics at leading from the outset saw him clear of the field after turning the last can. But as fate has it a wave appeared for others in the field who nailed him 50 meters from the finish line. A fantastic effort by a very focused young man and success will ensure many times in the seasons to come.

Whilst on team events I can't let this opportunity pass without highlighting the U17 Male Board Rescue final – in which the Club

had 2 teams ie. Lachlan Moyle/Lochie Davis and Chad Moses/Jye Highfield. Both of these teams were given no chance of being competitive, after being drawn outside of the course which was reset by the area referee. To their credit both teams fought it out to the finish – with Chad and Jye storming into 6th place. I have never seen 2 competitors being so elated on gaining one point for the Club. A sterling effort by both boys.

OPEN MEN BOARD RELAY

Special mention to Jake Moses, our first sectional Vice Captain, his composure and leadership qualities are unequalled and his help during the season was much appreciated.

I would like to take this opportunity to express my gratitude to the following:-

Brook Fleming and employees from Paragon Plumbing for the new racks on our trailer. The capacity of our trailer has now doubled and was certainly needed for Aussies.

Giles and Sarah Pugh for keeping everyone updated with emails and entries during the season and Giles assisting when extra hands were needed.

The Mums, Dads and members who attended the Caringbah Pub raffles – thank you all.

Michael Bofinger and Peter Moyle for their efforts in towing the trailer to State and National Titles. Well done guys.

Kelly Moyle for undertaking the unenviable task at seasons end – asking people for money. Good work Kell!

So this concludes Season No. 8 and like the TV series, 8 is enough! I firmly believe if you want something bad enough, no matter what it is, you will do whatever you need to make it happen. I hope your dreams and ambitions become reality, seize the opportunity, take hold of it and make it whatever you want.

Ian Wallace

LARA HUGHES AND KELLY PRIMMER

ABBEY PUGH AND ALEX BUDD

# March Past Section Report

WE ARE PLEASED TO REPORT ON ANOTHER SUCCESSFUL SEASON FOR THE MARCH PAST SECTION.

OPEN MARCH PAST

UNDER 23 MARCH PAST

NORTH CRONULLA UNDER 23 MARCH PAST

NORTH CRONULLA UNDER 17 MARCH PAST

It was fantastic to see North Cronulla enter a team in all three divisions at Aussies, (under 17's, under 23's and opens), and we note that we were the only club to do so. The effort in getting the three teams on the beach on the day was richly rewarded with two silver medals, under 17's and 23's, and a tenth for the open team. Congratulations to the under 17's and 23's for such strong results with the under 17's deservedly being awarded most outstanding and improved in our section for the season.

## Open's Report

The 2014-15 season saw the bulk of the team reunite for another run with our standard bearer Maurie Tattle leading strongly from the front. We were also happy to be able to welcome back past marchers such as Brian Booth.

Although the Aussies did not yield the results that we had hoped, there was much to celebrate along the way such as our bronze at the State at Umina.

As always, the team would not be the team without those working tirelessly in the background. To that end we would like to thank our coach Macca for his expertise and dedication to the role and his Chief March Past Advisor Bob Hanson whose experience and passion for March Past is unsurpassed. We would also like to thank Brian Cowan who took on the role of captain this season. We also extend our thanks to Peter Calder, John Scott and Bob Taylor who also assisted with training and carnivals. To all our technical advisors we appreciate being able to leverage of your expertise and your assistance is greatly appreciated.

Our 2014-15 team was made up of; Maurie Tattle, Brian Matthes, Brian Cowan, Bill Goldthorp, Rod Fowler, Kevin Boggiss, John Turner, Kevin Macnamara, Tracey McKinnier, Lenore McKinnier, Frank Schreuder, Brian Booth, Gladys Honer, John Scott.

We thank the team for what was an enjoyable season and look forward to getting back on the track in 2015-16.

## U23 Report

The Under 23 Team had only one start this season however it was a successful start. Combining three teams and using their R&R training the ladies managed an Australian Silver Medal.

The team was Kate Janssen, Ellie Streater, Taylor Harvey, Chelsea Robertson, Jade Jenkins, Hannah Goman, Erin Cowan, Patricia Cowan, Sydney Cramb, Kate Boyd, Stephanie Buncombe and Lara Hughes.

## U17 NC Marchers

What a way to finish the season, Australian Silver Medallists!

Congratulations to Buzz and the girls on an amazing first season, we are so proud of all you have achieved in our debut year. Firstly this team needs to thank some amazingly generous people who helped make this team possible, Brian Cowan (Cronulla Smash Repairs) has been so instrumental in us having a reel, he found parts of our reel on a council cleanup and from other surf clubs then with the generosity of Adam & Paul Degnan ( Enware – all the chrome to our reel), Scott Withers ( Age Signs – all our artwork), Col Mulhall (Southern Fasteners many parts and nuts and bolts for our reel ) and then Brian and Tubby Turner put everything together and gave us the amazing reel we now have, we cannot Thank You both enough, not only did we have these amazing donations so we could compete, we also had Katrina Robson from Creative Solutions donate NC Marchers hats and Warren Carney from CSM donated shirts, The whole team cannot thank you all enough .

I want to say a huge Thank You to our coach Buzz Piddington for the countless hours you put into training this team even though I'm sure you wanted to run a mile, The majority of

these young ladies are first year seniors so it was a big step up from Nippers and I am so proud that this team was formed with keeping these beautiful girls in our club and Buzz, you became more than the coach, you became family, That's what makes this team so special, they all made the effort every Sunday morning to turn up at 7am to train and also being first year seniors they also had the responsibility of rostered patrols, which these young ladies handled with no fuss always helped each other out when it came to finding a sub, and also Thank you to those who helped our girls out with our patrols when they were competing at State and Aussies and huge Thank you to all you parents who gave up your Sunday sleep in to drop the girls to training and to all our carnivals all over

Sydney, special thanks also to Emily Maythers (u14 nipper) for stepping in for us. Also to our open March Past team, Thank you for taking our girls under your wings and sharing your March Past knowledge with them.

Lastly to this amazing bunch of young ladies, this team would not be possible without each and every one of you, can't wait to see you all back next season, Good luck to Caitlin Cowan and Adelaide as they move up to the u19's, Congratulations and Thank you Girls we are so proud of what you have all achieved this season. Lastly Kelly Moyle Thank you for all your help this season we couldn't have done it without you.

U17 March Past team : Maddison Moyle, Madison Kelly Makovec, Abbey Bofinger ©, Lara Somerville, Caitlin Cowan, Adelaide Robertson, Charlotte Macnamara, Georgia Dynon, Aimee Robson, Sian Collier, Mikayla Ebb and Kirra Nuttal

**Bree Makovec Manager**

## Masters Section Report

OUR MASTERS TEAM THIS SEASON COMPRISED OF A FEW OF NORTH CRONULLA'S FINEST SURF LIFESAVING GREATEST AND A LOT OF BOATIES.

STEWART CAMERON AND STEVE WARREN

Unfortunately the surf conditions prevented our masters water team from competing at branch which left Gladys Honer as our only competitor. Gladys was able to continue her winning streak from 2014 at branch medalling in the sprint and flags for her age group.

At state this year North Cronulla was represented by a small but successful contingent of competitors. Stephen Warren once again proved his superiority as a board paddler winning his age group in the board race and backing up to win a silver in the Iron man. Warren Lobb was also 3rd in this same board race. Steve also teamed up with Stewart Cameron in the board rescue to claim another gold medal and then partnered Warren Lobb in the double ski claiming bronze. Shane Whittaker also won an individual gold in his Iron man event and finished 4th in the rescue tube and 6th in the surf race. In total we had 4 individual water competitors who won 5 medals. Gladys was our only Beach competitor this year and was happy to come away with a bronze in the flags and a 4th in the 1 km beach run. North Cronulla had 2 masters boat crews competing at State with the 180+ vets crew of Michael Bofinger, David Gregson, Vaughn Meldrum, Wayne Turner and Trevor Robson (sweep) winning gold and the 200+ Koros crew of Adam Purdie, Barry Schuettrumpf, Michael Spurr, Geoff Streater and Steve Swaine (sweep) finishing 5th. Both crews were up against a large number of strong entries from many NSW clubs so to make finals in masters boats you need to be extremely competitive.

At Aussies this year Steve Warren showed that retirement definitely agreed with him when he took out the Australian board race title for his age group. I've actually lost count of the times he has now won this event and it is no wonder he is referred to as a legend in Surf Lifesaving. It was also nice to see a large number of the board section Steve coaches come along to watch him race and in his Iron man final where he finished 5th. Steve and Camo also finished with a bronze in the board rescue after a very exciting and nail biting end

to the final. Gladys Honer was once again our soul beach representative winning a bronze in the sprint and coming 5th in the 1km run. We also had 2 other sneaky competitors who do a lot of secret training together during the year and always try to slip into events without even the masters captain's knowledge. However this year thanks to facebook we all knew that Peter Moyle and Paul Moses made the Aussies final of the double ski!!!

Up at Tugun in the masters boat area surf conditions proved quite challenging for many crews with lots of rolls, backshooting and men overboard. North Cronulla had 3 crews entered who each had to survive several elimination rounds in rough conditions against tough competition to qualify for the final 6. Our 140+ crew of Chris Osbourne, Brian Clarke, Adam Mulhall, Andrew Smalley and sweep Steve Swaine were the first to race in the final. They had a great start and were second to the cans when fatigue appeared to set in and we looked no chance as we headed back home dropping to last place. That was until a huge wave popped up behind them

STEVE WARREN

and they managed to hold on to it all the way to the beach flying back past most of the field to finish with a silver. A really exciting finish to watch. The other 2 crews who had rowed strongly all day and looked unbeatable were then told they would have to return the next day to finish semis and finals. A bit of a disappointing end to the day but out of their control. So the vets and the Koros returned the next morning to continue with their quest for gold. Both teams cruised into the finals with convincing wins in the semis and things were looking very promising for our crews for the finals. The vets were the first final of the day and lead from start to finish, never looking threatened. They stormed home to take gold in the 180 + Australian Boat Final. In the final of the 200+ Boat race the Koros crew got off to a blistering start and stayed out front all the way to the cans and didn't look like losing this intensity on the return trip continuing to stay out the front of the field until

SHANE WHITTAKER

VETS BOAT CREW

mother nature interfered and allowed 4 other crews to catch a wave from well behind them to bring 5 crews together in a blanket finish over the line. The judges took ages to agree on who had finished 1 to 5 with every judge having an opposing

opinion. All the North Cronulla supporters were convinced we had crossed the line second but unfortunately after 20 minutes of deliberation the Koros were awarded a gut wrenching 4th place. This was a bit of a disappointing end to the season for a crew that had trained so hard and performed so well in all the rounds but unfortunately sometimes this happens in surf. I am sure they will be around again next year to prove they were and are the best 200+ crew.

On a final note to all the North Cronulla Masters congratulations on your achievements this season. Our numbers are small but our achievements are huge. Maybe next season we can work in increasing the amount of females in the section as Gladys I'm sure would love some company. So everyone who is over 30 have a think about doing some training and getting a beach or water team together for 2016 especially if you are down there taking your kids to training anyway you might as well get in and have a go too!

**Karen Goman**

## R&R Section Report

ANOTHER VERY SUCCESSFUL YEAR FOR THE R&R SECTION. FOR THE SECOND YEAR RUNNING WE HAD ALL TEAMS MAKE THE AUSTRALIAN FINAL AND TWO OPEN TEAMS ON THE DIAS IN THE OPEN WOMEN'S EVENT.

R&R SECTION AT AUSSIES

Yet another R&R team, this time the North Cronulla Red team, is now blessed to grace the coveted North Cronulla wall of fame, winning the gold. Our teams medalled in the U15, U17, U19 and open events at the NSW State Championships achieving Gold in both the Open Women's and U19 events.

We had a slight decrease in the number of teams this season and it was disappointing we were unable to find competitors for the U13/U12 2-man and U14 5 person teams. We have top coaches available who can get guaranteed results and with such a large number of Nippers I am unsure why we couldn't man teams. We also had some very late starts from our opens teams, I had to twist a lot of arms, and we had poor showing at carnivals which led to a lowered sense of section unity, something for us to work on next season. In saying this, all my arm twisting paid off, we had medals raining down on us. I appreciated the work Chelsea Robertson and Hannah

Goman put in by mentoring the younger teams which I hope to see more of. It was also great to see the club unity with the R&R competitors going above and beyond driving to state and taking time away from their own training in Qld to carry equipment and pay out for the Swim section in the belt races.

Our Most Outstanding R&R competitor for this year goes to Taleisha Garland. Not only is Taleisha one of the highest quality linesmen to come through the junior ranks but she is a tireless and dedicated competitor with the strength to compete with three different teams back to back all of which made the final and at both State and Australian Championships. Taleisha is to be commended for her focus and commitment to training, often being required to train on the beach for 3-4 hours at a time in multiple teams.

The Most Improved Competitor as always is difficult with noted performances from U15 and 17 teams. This year's

R&R Section Report (continued)

award goes to Erin Padman who exemplified what makes a great competitor, attitude, training, commitment, and an overall desire to improve. Erin had to learn the whole event from scratch as well as do extra training in the pool to be a belt swimmer, she had some great swims up against the U17 and U19 males holding her own and she can now say she is a State gold medal belt swimmer.

A huge thank you to the sections sponsors, supporters and the parents. In particular Brian Cowan and Tubby Turner spent all winter getting sponsors and refurbishing our sections reels some of which were in desperate need of some TLC. Reels are around 3k each, with our refurbishment we are well equipped for the next 5 years of competition. This has saved the club a lot of money and will enable us to retire equipment (that broke this year) to ensure our teams don't suffer the issues we have had in the past where equipment failure has caused disqualification and saw us borrowing from other clubs. Our section fundraiser was again a huge hit with the youngsters with tickets selling out well before the event and we even had scalpers selling tickets. Thank you to all the parents that helped with this night. It's a huge, and difficult event to run with our security team (aka the 'dads') dealing with the crowds swamping the doors to get in, 'the mums' monitoring the underagers, our bar staff tending to the long bar line-up

R&R STATE MEDALS

and our resident DJ Derek Turner putting up with the tabletop dancing!. The night raised around six thousand dollars for the club.

My biggest thank you as always goes to our coaches. We have extremely competent coaches within the section with Ben Dillon, Karen Goman, Beth Fulton, myself and our newest 'coach' Chelsea Robertson on the beach for hours a week. Karen Goman coached three teams all of which medalled at championship carnivals. Ben Dillon now graces the wall for his third time in the past 6 years coaching a team to the gold.

Lastly to our competitor's thank you for another amazing season, you made North Cronulla proud and helped secure our place of one of the top R&R clubs in the country. To the oldies I know some of you are hanging your hats up, I hope

UNDER 15'S

you will always look back at the years you have spent with us fondly and maintain the lifelong friends you have made. For the youngsters coming through, we have a saying, you can't quit until you are on the wall, so I look forward to seeing all of you next season, where hopefully there will be enough of the oldies to help guide you in all things R&R.

**Under 15s:**

Josh Hargreaves, Maddi Moyle, Maddi Makovek, Abbey Bofinger, and Kirra Nuttal

We were able to merge 2 nipper teams from 2014 to form our under 15s team for their first year out of the junior competition. We began the season by changing everyone's positions from the previous season. The team adapted remarkably quickly to these new positions and showed a lot of potential from early on. There are some very promising members in this team who consistently demonstrate focus, commitment and skill in R and R. It was the first exposure to Aussies for 4 of the team and they were unlucky not to sneak in for a bronze eventually finishing a very credible 4th in the final of the Australian Youth Titles ever held in Surf lifesaving. Other successes for this team included a silver at Branch and A bronze at the NSW Championships. This team were always a pleasure to coach. They were enthusiastic, eager to improve and were always well mannered and respectful. They are all accredit to their families. Congratulations on a great first season of senior competition.

**Karen Goman (Coach)**

**Under 17s:**

Erin Padman, Taleisha Garland, Grace Goman, Adelaide Robertson, and Caitlin Cowan.

This was a new experience for this team as it was not only the first time they had competed in R&R as a water event it was actually the first time Adelaide and Erin had ever done R&R. This team had to work really hard to learn the new event and out of all the teams I trained they definitely put the most hours in at training. Congratulations on progressing so far during the season. It was a very steep learning curve especially for Erin Padman who not only hard to learn all the land drills but also had to swimming train for her role as the team's belt swimmer. Their first major carnival was Sydney Branch where they won silver in the 17 event, Silver in the 19 and Bronze in the Open Women. At State we continued to improve our performance and were deservedly awarded with a NSW silver medal in the 17s event. At Aussies this year the competition for under 17s

UNDER 17'S

was particularly strong especially from the Victorian clubs. However despite the competitive field the girls still managed to qualify in 3rd position for the final. Unfortunately we were unable to quite repeat our sensational heat performance in the final but still finished a credible 5th place. The girls should be really pleased with their progress throughout the season. Congratulations to you all and a special thank you must go to Adelaide who regularly broke the monotony of training with her comic relief. Well done girls.

**Karen Goman (Coach)**

**Under 19s:**

Taleisha Garland, Hannah Goman, Erin Padman, Chelsea Robertson, and Jade Jenkins.

This team only made one appearance this season which was at the NSW Championship. Taleisha and Erin stepped up from the 17s to allow Hannah, Jade and Chelsea to compete in their last year as under 19s. This proved to be a very successful combination with the girls becoming the 2015 Under 19s Mixed R and R Champions of NSW. A great result for the last year 19 girls but also for Erin and Taleisha who each won their ever first state gold medal.

**Karen Goman (Coach)**

UNDER 19'S

**Open Women's Pink:**

Taleisha Garland, Hannah Goman, Chelsea Robertson, Jade Jenkins, and Kelly Primmer.

Due to illness, study /new work commitments and various other obstacles we were a bit later in beginning our campaign than in previous years and subsequently we were unfortunately only able to compete at State and Aussies this season. I am sure the girls were all disappointed with their 4th at State and 5th at Aussies after the highlights

of last season but they are still an excellent R&R team who on their day can match any R and R team in Australia. This just wasn't our year. I have been with these girls a long time now and I still enjoy spending time with them. They are a great bunch of girls and very easy to coach. A special thank you must go to Chelsea Robertson who was an invaluable help to me with coaching the under 17s team. She went beyond an above the call of duty not only giving up her own time but also taking the reel places for me so we could train on safer beaches. Chelsea is an asset to any R and R team and also shows excellent potential as an R and R coach. Thanks girls, it's always a pleasure and we shall wait until further down the track to see what next season has in store???

**Karen Goman (Coach)**

**Open Women's Blue**

Stephanie Buncombe, Monika Di Maio, Taylor Harvey, Lucy Mahoney, and Ellie Streater.

The old girls were back again to better last season's disappointment. We had to do a fair bit of grovelling and blackmail to get Lucy back but we got her in the end thanks to the ever persistent Ellie. The team decided to approach the season without the obsession of the last (to avoid 4th place heartbreak) and we breezed through the season pretty casual and winning every carnival up to Aussies. Lucy as always was exceptional in her belt swims, with Ellie mastering patient, Monika and Steph in sync on the line and Taylor dual gold medal reelman as brilliant as ever in getting this team back to the beach first. The team went into the State Championships with a strong determination. They drilled exceptionally, Lucy won the belt swim and Taylor was first back to shore, all cementing their first place achievement. Going into the Australian Championships we knew it was going to be a challenge with so many teams at such a quality, we had the three medal winners from last year along with some new contenders to beat. I had no doubts the team could win, it would all come down to what judges we ended up with and what position we drew on the beach, based on surf conditions. The team won the Heats moving into the Final in our dreaded 1st position. We unfortunately drew the worst swim lane on the beach with the teams down the other end having the advantage of a nice rip to assist them get out. The girls performed extremely well however we were not the better team

OPEN WOMEN'S R&R PINK TEAM

R&R Section Report (continued)

title winner at the open's level, maintains North Cronulla's reputation as the dominant force in women's R&R.

**Open 6 Person**

Lara Hughes, Lucy Mahoney, Ellie Streater, Monika Di Maio, Stephanie Bumcombe, Taylor Harvey and Kristine Whitford (coach)

The Open 6 Person event is considered to be the Premier of all the R&R events and up against all male teams who have 10 or more gold medals under their belt is always going to be a struggle with an all-girl side but the team of Lara Hughes, Lucy Mahoney, Ellie Streater, Monika Di Maio, Stephanie Bumcombe and Taylor Harvey did a fantastic job gaining a bronze at Sydney Branch and making the finals of both State and Australian. The team had a bit of a late

start and didn't quite get the training time in to compete in an event where you need to know all the positions as good as your own. However the team drilled well and both Lara and Lucy had awesome swims particularly Lara who kept up with the men in the Belt in the Australian Final. We still had some tears and dramas when the girls picked their 'hated positions' but everyone did a great job including Steph who managed to pull our Reelman time and time again (to the delight of the spectators). It was great to see North Cronulla represented again in this premier event after decades of absence and great we paved the way in seeing other all-female teams join the ranks this season in this event. Great job girls.

**Kristine Whitford** (Coach)

Thanks for a great season all, I hope to see many of you back in 2015/16.

on the day and we missed out on the gold by only a mere fraction of a point. Whilst a little disappointed, the team was extremely happy to be on the Dias in second position and with our fellow North Cronulla 'penthouse mates' on the Dias with us it made it all the more enjoyable. Another had a fantastic season, with no drama just a co-operative and dedication and great friends.

**Kristine Whitford** (Coach)

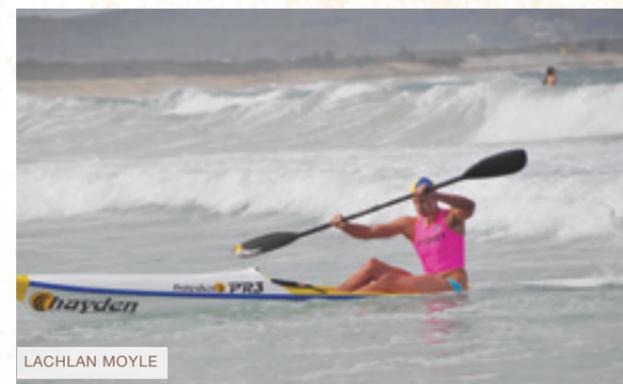

**Open Women's Red**

The Open Women's red team consisted of Kate Boyd, Erin Cowan, Patricia Cowan, Sydney Cramb and Kate Jansen and coached by Ben Dillon.

With a change of swimmers, Kate Boyd in as Beltman and Sydney Cramb as Patient, and a very late start for training, commencing only one week out from State when Kate Jansen returned from a winter in Canada, the team settled into a haphazard preparation for the R&R titles. However, they did have a significant competition history that could be called upon and when it counted waltzed onto the beach with the brazen confidence of a team that knew it could win. All had been coached previously by myself and the team quickly fell into its timing. The main task was to adjust deeply learned routines to this season's interpretation of the rules by the judges. It helps when 2 of our coaches, Kris and I, are on the National Technical Committee. At the NSW Championships they jaggd a bronze medal to stand on the Dias with the NC Blues, State Title winners again. In a replay of the Perth nationals, we again placed 3 of our teams in the final and 2 teams on the Dias but this time fortune favoured the Reds – improving from 2 successive national bronzes to win the gold medal, with the Blues holding silver. With drill points matched at 2 points, again it was only swimming points that separated the medals..... and the Reds drew the best beach position for the swim and executed the swim plan to perfection, Blues drew the worst and could not close the gap. This year it was the Red's day at North Kirra, but the continuing presence of 3 very experienced and competitive open women's teams, each a proven national

Ski Section Report

AT THIS YEARS INTERCLUB NORTH CRONULLA WON MAXIMUM POINTS IN EVERY SINGLE SKI EVENT. NORTH CRONULLAS SKI PADDLERS WON OPEN MEN, U19 MEN, OPEN WOMEN, U19 WOMEN, AND OPEN MIXED SKI EVENTS.

to helping and supporting each other. It is a pleasure to coach every one of these fine club members and they should all be proud of their efforts.

This year I have awarded our Most Outstanding Ski Competitor award to Rob Annabel. Rob won the Open Ski at the Interclub, Anchored our team in the Lifesaver Relay at Branch to qualify us for State, and had a spectacular paddle in the final legs of the All Age Taplin at North Cronulla Carnival to secure the Inaugural Steve Warren Trophy. This years Most Improved Ski Paddler is Lachie Moyle. Lachie competed at every carnival going right back to the start of the season at the Sydney Water events right thru to Aussies. Despite having team and individual commitments swimming and board paddling Lachie was dedicated to working on his ski paddling and his efforts have certainly paid off.

At the NSW State Championships for the first time ever in the 90 year history of our surf club we gained points in the Open Womens Ski race when Nicky Glasson finished sixth in the Open final.

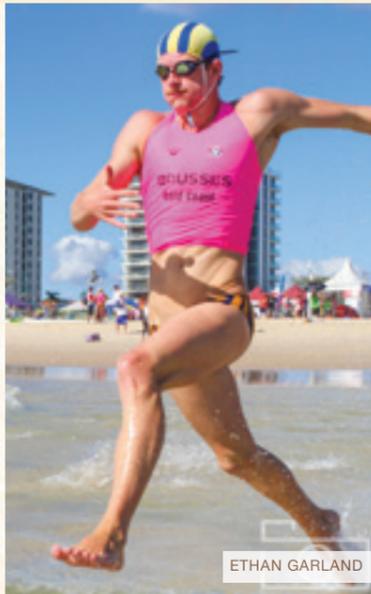

At the Australian Championships we Fielded 9 open ski competitors, Rob Annabel, Adam Calo, Luke and Jake Moses, Will Budd, Nick Kirby, Nick Pleasance, Kyle O'Brian and Michael Handley. These 9 guys competed individually, and in Ski Relay, Double Ski, and formed the basis of our Open Taplin team that narrowly missed out on making the Australian Final. Our U19's were represented by Kyle Cameron, and our 17's very successfully by Lachie Moyle and Chad Moses. Our 2 girls Nicky Glasson and Abbey Pugh had outstanding seasons culminating in both girls making their respective Australian Championship finals, and both only narrowly missing out on the medals.

Our results only tell part of our great success story. We have a strong "TEAM". Everyone is committed to their training and

## Swim Section Report

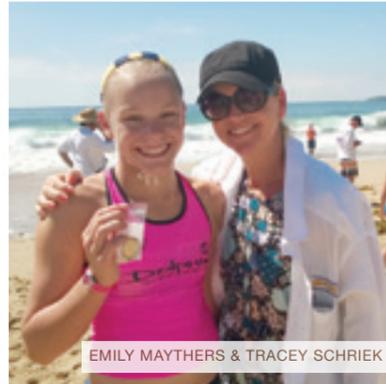

THIS YEAR WAS MY FIRST YEAR AS SWIM SECTION LEADER AND I HAVE ENJOYED SPENDING TIME WITH ALL COMPETITORS BOTH AT TRAINING AND CARNIVALS.

ETHAN GARLAND

12 ASIDE INTERCLUB CHAMPIONS

EMILY MAYTHERS & TRACEY SCHRIEK

Training this season was well attended by all swimmers and I hope this will continue in the coming season.

Thank you to Steve Warren, Peter Moyle and Stewart Cameron for all the early morning training sessions. Your time and expertise is greatly appreciated.

The highlight of the season for me was the victory of the 12 a side team at the 4 way carnival. The club spirit displayed by all members both young and old was great to be a part of. To Aaron, Adam, Keegan, Jimmy, Will, Rob, Jake, Ethan, Lochie D, Kyle, Jack and ILachie M congratulations on an awesome victory!!!

It was also great this season to see swimmers continue to compete in other swim events which we hope to encourage and continue next season.

The results were good but as always some crucial decisions didn't go our way. But as the saying goes "that's Surf"..

Congratulations to all the swimmers at North Cronulla on a great season!! See you all next year..

**Tracey Schriek**

BELT RACE START

KIRA HOOD

## Surfboat Section Report

THE 2014 /2015 SURF LIFE SAVING SEASON HAS BEEN A VERY BUSY AND REWARDING ONE FOR THE NORTH CRONULLA BOAT SECTION.

Our goal was to continue to encourage and guide the youth of our section to form a solid future and to develop the talent we possessed by providing expertise and up to date equipment. Craft is always a focus and fundraising continued throughout the season but more importantly the bonds and friendships that have been formed this season have taken the morale in our section to a new level.

Ten open crews (including three Junior Crews) and two Masters Crews started the season with determination. Eight crews entered the highly competitive South Coast Series where North Cronulla achieved a creditable third behind Austinmer and Bulli, two great rowing clubs. Purds' Reserve Crew entered the Ocean Thunder which gave Lockie and Kurt Spurr some great experience rowing with Clarky and Guru against the best crews in Australia. Trax's A's filled in for one day and made the final. A special thank you must also go to Lockie Spurr who displayed a true sense of team work throughout the entire season by filling in for many crews from Juniors to A's!!

All our crews have been competitive and results across all carnivals were very encouraging. Our strength as a section started to show at the interclub when we took ownership of the ' Boat Trophy' once again.

Nine Open Crews and Two Masters rowed at the NSW State Championships in extremely testing conditions. Four crews made the finals: Trax's A's (6th) Colts (3rd), Yappy's Junior's (3rd) and Trax's Reserve's/ 180 Vet's (6th in Reserves and 1st in 180s.)

In April at the Australian Surf Lifesaving Championships at Tugun Beach in Queensland, Eight Open Crews and three Masters Crews represented North Cronulla. Two crews made the finals: Colts (3rd) and Juniors (4th). Purd's Junior Crew made the major semi-final in their first year of rowing only to miss out by the slightest of margins. To have two Junior Crews in the top eight in Australia is simply outstanding and a first for North Cronulla. Trax's Vets made it into the Australian Top 12 in Reserves and two Masters crews won medals in the Masters competition: - Vets 160's won silver, 180's won Gold and brought home the Inaugural Aussies '180' Boat trophy. The 200's rowed brilliantly to come in 4th. Together North Cronulla was the third best performing Boat section at the 2015 Aussie Championships.

As a club and as a section we have many people who help us to function competitively. Countless people give up their time and many support us through sponsorship. Our craft is expensive and we could not sustain our section without the continued support from Phil and Julie Richards from Hogs Breath Café Cronulla and Colin and Gale Mulhall from Southern

OVER 140 MASTERS CREW

200+ MASTERS CREW

Fasteners. We also appreciate the generosity of James and Kay Attwell - Attwells Kitchens, Mick and Mel Brenton from MJB Waterways Pty Ltd, Go Electrical Caringbah, Reg Dolden, Roger Humphrey and Brian and Grace Cowan - Cronulla Smash Repairs. This year we required helmets and Dean "Wokeye" Bartlett generously purchased them for our section.

We are very fortunate to have expertise and dedication from a team of coaches and ex rowers, who spend week days and weekends sharing their wisdom; Terry 'Dog' Dowers, Donny 'Worko' Workman, Tom Chapman and Corey Bocking. This year the master, Brian Trouville, re-joined our section and wrote a gruelling programme for the crews to follow, which undoubtedly stepped our crews up to the level needed. Our sweeps are second to none: Trevor "Trax" Robson, Steve "Yap Yap" Swane, Adam "Purds" Purdie, (legend vice captain, sweep, rower, maintenance man and all round good bloke!) Chris "Ozzy" Osborne, Craig 'Hawkeye' Hawkings and Mick Hawkins. Special mention must be made of the 'old man of the sea' Steve Yap Yap 'Swane. Nothing fazes this man. He willingly fills in for every sweep and he happily takes any rowers out in any condition. He has been winning medals for years and he continues to return year after year to mentor and inspire all those in the North Cronulla Boat tent. At Aussies a boat came hurtling towards him and he did not flinch! The man is a legend. Thanks for everything you do Yap.

We have a wealth of knowledge, experience and talent always willing to help out - Aunty Jack, Barney Ferguson,

Surfboat Section Report (continued)

Roger Mentha, Linda Hawkins, Barry Schuettrumpf, Andrew Peterson, Geoff Streater, Mick Spurr and this year it was great to have Frank Schreuder back involved, he is a true North Cronulla legend whose heart is in our boat section. Bobby and Joan Lovell are also great supporters of our section always watching and constantly helping in many ways behind the scenes. The list is endless! Thank you to all!

The young rowers have been well supported and are the future of our section. They have been coached and swept by the best. It is an impressive sight to see at carnivals, especially at the Aussies this year, the mentoring that is evident at North Cronulla. Whilst on the line, every rower is flanked by several other more experienced rowers, giving tips, calming them down, inspiring them, and then celebrating their efforts.

The sweeps know their crews better than anyone else and again they have written their own individual reports.

**Sweeps Reports:**

**Chris "Ozzy" Osborne** - Amber Chadwick, Natasha Hargraves, Brigitte Duffy, Carmen Loomes

After a few crew changes throughout the season Amber and Natasha joined original crew members Brigitte and Carmen. The girls then set their goal to row at the NSW titles and knuckled down to training both in and out of the boat. I was very impressed with their commitment. There was a huge improvement with strength and fitness. Their improvement in the boat was equally impressive especially given the short time together. Continuing with their hard work and some more time in the surf I can really see this crew being a strong contender in the under 23 women's. A special thanks goes to Linda Hawkins for organising and taking the girls for all their out of boat training, and assisting throughout the season. Thanks to Bof for the ongoing support and giving me the opportunity to sweep this season. Finally thanks to the girls for a fun season. It was a season of learning for all five of us. I hope to see the girls back in the boat next season

**Adam Purdie**

**Junior crew:** Christian Ruhen, Karl Cleary, Tom Mailey, Darcy Smith, Connor Smith, Matt Dunstan, Luke Hawkins, Reece Robson and third generation boat rower - Matt Workman.

We had a few different crew combinations throughout the year and they were an excellent group of young men and a pleasure to sweep. Christian, Karl, Tom and Darcy improved with every row at the back end of the season. They formed our second Junior crew at the Aussie championships and were outstanding - finishing in the top 8, which was an amazing result for a group of new rowers. We look forward to all the boys returning to the North Cronulla Boat section next season where they will all be a force to be reckoned with.

**Black Reserve Crew:** Andrew Smalley, Brian Clark, Kurt Spurr, Lockie Spurr

It was a case of the young and the old in the boat this season. With the Spurr boys in the bow and the Old hands Guru and Clarky in the stroke seats. The crew competed in the Ocean

Thunder Boat Series (.A big thankyou to Andrew at TRAYD POOLS) and performed well against the best A grade crews in the country. The boys trained hard and were always a threat in Reserves. They were on the pace but a bit out of luck at the State and Aussies. A memorable year with a few great wave sessions out the front. Thanks to Andrew Peterson, Donny, Yap and Dog for helping out.

BLACK RESERVE CREW

YAPPIES JUNIORS

**Steve Swane**

**Yappy's 200+ Crew:** Michael Spurr, Barry Schuettrumpf, Geoff Streater, Adam Purdie

This crew's commitment to this season was exceptional! They trained extremely well, were always on the beach and showed commitment to helping and leading the younger members. Unfortunately their luck was not with them at the major titles, they got equal 4th at the Aussies, after all teams were on the same wave. Luck of the wave.

**Over 140's** - Andrew Smalley, Brian Clark, Adam Mulhall, Chris Osborne

As strange as it may seem, this crew had 2 training sessions together to pick up a silver medal at the Aussies! They rowed well to be at the back of the break first and due to lack of fitness they were rowed down by the other teams only to catch a great wave home.

**Juniors:** Jack Mentha, Jed Bofinger, Sam Chivers, Trent Purdie

The juniors showed their ability from last season, getting equal 3rd in the State and 4th in the Aussies. They are an excellent surf crew. They are very relaxed and balance work commitments and holidays around training. They are a crew to watch in the future.

**Mick Hawkins**

**Under 23 Red women:** Layne Holloway, Maddi McKinnery, Lauren Chadwick, Libby Holloway

UNDER 23 WOMEN

The girls showed plenty of potential this season after the late inclusion of newbie rower, 16 year old Libby Holloway; following the upsetting news that our stroke Bronte Howell had injured herself and was out for the season. It was a challenge in itself getting the two sisters to row together! Consistent training saw the girls achieve some good results in both the Sydney Branch and the South Coast series. The girls were looking good at the State finals before a huge wipe out in tough conditions put an end to their carnival. Come Aussies time the girls were again looking good, getting through some tough heats making it to the quarter finals before some bad luck saw them smashed at the start. This was the crew's first Aussies appearance and I think they gained an appreciation about the level of training and effort required to be a top crew. With application these girls could be unbeatable. Bring on next season!

**Under 23 Red Jelly Fish** - Mick Hawkins, Mitch O'Neill, Mitch Bouzounis, Jack Dalton, Blake Bouzounis, Sam Ryan and Josh Lea

The Red Jelly Fish started their season as the 'Hell Fish' but were quickly put in their place with an apt name change. For new rowers, the early season saw some huge efforts put in for not much return as they were learning the finer points of rowing. As the season progressed and they continued a high training ethic, the Jellies began putting on speed. Come Aussies the boys were really starting to hit their straps. Much to the delight of the Boat Section, Josh 'Bluey' Lea had recently joined the crew and they were really flying in training.

UNDER 23 MEN JELLYFISH

Unfortunately not all went their way in the Aussies. With a bit of luck they were a real finals contender, but not to be. The Jellies: all fit, all clowns - they certainly livened up the tent and helped make the season enjoyable. Hopefully the boys will hang around next season as they also proved to be good 'clubbies'

**Open women** - this year was another first for North Cronulla we had three sisters row together at Corrimal Carnival, Elena, Cherie and Rochelle, but due to family commitments only had one start this season.

**Trevor "Trax" Robson**

**A crew:** Joel Croft, Pat Hunt, Jack Finney, Kane Hughes

What a year this crew has had! Absolutely outstanding making every major final, except for the last and they had every right to think that they would be in the final of the Australian Titles. If only their sweep could stay in the boat! I am very proud of their leadership, and courage no matter what conditions throughout the whole year. North Cronulla have once more an A crew to be proud of!

OPENS BOAT CREW

Surfboat Section Report (continued)

UNDER 23 MEN

**Under 23 men:** Zac Hughes, Angus McKenzie, James Budd, Roy Steele

This crew of rascals had North Cronulla's hopes riding on their young shoulders and North Cronulla wasn't disappointed. This crew was only beaten on a hand full of occasions, all year. In both State and Australian titles leading the races in the final for victory, only to be snatched away from behind. You boys should be very proud of your efforts as the whole section was!

**The Blue Vets:** Dave Gregson, Michael Bofinger, Vaughn Meldrum, Tommy Turner

Once again I find myself fighting for words to describe how talented and tough these guys are. Not only were they undefeated in all 180 masters events, but went on competing at both State and Australian titles leading the final cut in Reserves. Not only is that a major achievement, but I cannot recall a crew in 30 years of sweeping surf boats that has achieved anywhere near the level that these old guys keep achieving. WOW! It will be a sad day when North Cronulla no longer has you guys in the tent. Thanks for another great year!

A very big thank you must go to our **leadership team** for the commitment and hours of effort they have put in to making our section work. Special mention must go to:

**Adam Purdie** - Vice Captain, Maintenance man.

**David Gregson** - Manager.

**Dean 'Wokeye' Bartlett** - Assistant Manager, Chief Photographer.

**Ben Smollett** - Head of Finance

**Matt Bell** - Head of Sponsorship.

**Mick Spurr** - Sponsorship and Rowlock man

**Linda Hawkins** - Manager, Ladies Crew Representative, Social Media Rep, Apparel, Trainer, Mentor to the under 23 women and Juniors, Sponsorship.

**Sheridan Hughes** - Manager and Secretary.

The list of supporters of our section is endless and this was evident on Tugun beach during the Aussie titles. The sheer volume of supporters wearing the blue and gold was amazing to see. There was no doubt that North Cronulla was well represented at the Aussies. Many families, parents, grandparents, partners and friends made their way up to Tugun Beach to be a part of the action. It was great to see the kids on the beach watching their brothers, sisters or dads and supporters taking photographs, carrying a few boats and helping to move the tent a few times!!

**North Cronulla Rowing Academy**

As this season closes we are already looking forward to next season. There has been much interest in our section and many young men and women have already started in the gym and on the ergs. The future looks promising.

On a personal note I would like to thank the A crew, (their commitment was outstanding this season) and of course all the old boys! These crews all lead by example for our younger rowers. Their role within the Boat Section is invaluable and immeasurable. I feel very proud to be the North Cronulla Boat Captain and privileged to still be rowing, with four great mates, for this great club!

A highlight this year for me was being a part of the finals on Sunday at the Aussies. To have the opportunity to 'warm up' as a group, then stand with our huge team of North Cronulla supporters and watch two Junior crews (including my eldest son Jed) compete in the Top 8 and the Colts come home with a medal, was an amazing feeling. It is a memory I won't forget.

Thank you to everyone involved for a great season of rowing.

Looking forward to the challenges of next season!

Regards

**Bof**

THE BLUE VETS

North Cronulla Touring Team 2015

THIS SEASON THE NORTH CRONULLA TOURING TEAM TRAVELLED TO UMINA ONCE AGAIN FOR THE STATE TITLES FROM THE 11TH TO THE 15TH OF MARCH AND BACK TO THE GOLD COAST FOR THE AUSSIES FROM THE 4TH TO THE 12TH OF APRIL.

REPRESENTATIVE TEAM 2015

I am the lucky one who can stick team manager next to my name but I can assure you this trip doesn't happen without the tremendous input from Pete Moyle, Tracey McKinnery, Sheridan Hughes, Jamie Primmer, Bobby Lovell, Mitch Cardy and Ryan Forsythe.

When you go away as a Team Manager and one of your youngest members of that Team is the current Sydney Branch Open Team Captain, you know things are going OK.

This season North Cronulla has reached a stage where as a Touring Team they expect results and deliver results in all age groups, in all disciplines of Surf Life Saving's Surf Sports program.

Our Coaches, Section Leaders and Club Officials are a collection of some of the greatest people to come through any

Club in Surf Life Saving's history.

Over the past five to six years they have coached, mentored and guided a group of fine young men and women who now represent this club with great skill and enormous courage but above all respect.

They respect their coaches and leaders, they respect their peers in competition but most importantly they respect themselves and their families.

We now have a group of elite sports people who train hard, compete hard and party hard. It is obvious that they enjoy each other's company and will always have their mate's back.

As a Team Manager this is very reassuring.

Competition Lifesaving Report

THE 2014-15 SEASON SAW TWO MEMBERS COMPETE FOR NORTH CRONULLA IN CHAMPION LIFESAVER IN THE SYDNEY BRANCH AND STATE CHAMPIONSHIPS.

Emily Maythers achieved great results in the U15s despite only being an U14, with a 4th in Sydney Branch and an 8th in state. An absolute standout in the physical events, I am confident that Em will be a force to be reckoned with in the coming years of Champion Lifesaver at Aussies. If anyone is interested in staying in competition or rejoining an easy

going competition section please let me know and I would be more than happy to organise training and assistance for you do do so! Lifesaving assesses a whole lot more than just the physical events and if you are an effective enthusiastic lifesaver, we want you! Please see the website or contact the club or myself for more information.

## North Cronulla Christmas Carnival 2014

For quite a few years now I have put my hand up to fill the roll of Organiser for the time honoured North Cronulla Christmas Carnival. I do so willingly as I know there will always be a huge amount of support given to me from many men and many women who, like me, are proud members of this great Club.

Each year I arrive quite early just to get on the front foot and lay some groundwork.

It also allows me to notice who is arriving, and as each person shows up a little less pressure is eased from my shoulders.

One man I am always so pleased to lay eyes on, and on most occasions always one of the first, is Larry Leadbeater.

Larry is a big, strong man, capable of doing a huge amount of work with a minimum of fuss. Every year the same 10 second conversation occurs,

*"Morning Baz"*

*"Morning Laz, thanks for coming."*

*"What can I do?"*

*"Same as always thanks Larry"* and away he would go with the pressure of the beach sprint set up lifted from my shoulders.

This year, the 20th December 2014, was different.

The Carnival went ahead on time and was a great success. Thank you all Officials.

The inaugural "Steve Warren Cup" was run and won by the mighty competitors of the home Club. Thanks to all section leaders.

The boat area of the carnival experienced their greatest number of entries for a long time. Thank you Elouera for your support.

The hospitality of the North Cronulla Ladies committee was again second to none.

The support and input from many members under a heavy heart was inspirational.

*"Morning Baz"*

*"Morning Laz, thanks for coming"*

*"What can I do?"*

*"Same as always thanks Larry"*

*"We lost Marc last night....."*

RIP Marc Leadbeater.

A Champion Son from a Champion Family.

## Surfsports Officials Coordinators Report

ANOTHER GREAT SEASON FOR NORTH CRONULLA AT ALL CARNIVALS, LOCAL, BRANCH, STATE AND THREE (3) AUSSIES. OPENS, MASTERS AND THE NEW CONCEPT, YOUTH CHAMPIONSHIPS.

TONY HUGHES

KEVIN MACNAMARA AND MICHAEL DAY

JODEE CALO

This Club was well represented by Officials at all these events as has been the norm for previous years.

This season we welcomed an additional six members who have completed their Level 1 Accreditation. They, along with all Officials are listed in the earlier reports.

To all competitors that represented the Club, congratulations on your achievements and a special mention to Peter Moyle and his team of Section Leaders and Coaches for the outstanding results this season the most notable being securing the Inter Club Championship.

If you know any fellow members that wish to become an accredited Official please get them to contact me.

To all, thank you for your efforts in ensuring this seasons success and I look forward sharing next season's success with you all.

## Coolangatta Gold 2014 - 30th Anniversary

NORTH CRONULLA WAS REPRESENTED IN THE 30TH ANNIVERSARY OF THE COOLANGATTA GOLD ACROSS VARIOUS CATEGORIES.

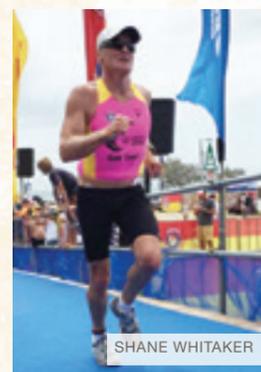

William Budd competed in the event for the first time finishing an admirable 13th in elite open men's division.

Shane Whittaker was 3rd in Masters completing the long course for the 11th time!

Team Moses was 3rd open mixed team (Luke on ski, Chad on board, Lara swimming and Jake running).

## Youth Development Director's Report

WHAT A YEAR - IT HAS BEEN AN AMAZING FIRST YEAR IN MY ROLE AS YDD AT NORTH CRONULLA SLSC. I MUST FIRSTLY GIVE MY THANKS TO THE OTHER MEMBERS OF THE NORTH CRONULLA SLSC BOARD OF DIRECTORS, THEY HAVE MADE THIS YEAR THAT MUCH EASIER, OFFERING THEIR SUPPORT, WISDOM AND GUIDANCE.

Retention and engagement of our youth is a major issue facing all clubs not only within the Sydney Branch but across the entire state. North Cronulla SLSC has made it a goal to increase our Youth retainment throughout the 2015-2016 season. I have been working closely with the JAG Director Donna Hargreaves to develop a program for the youth of North Cronulla SLSC. This program is based on the Australian Surf Lifesaving Youth Engagement Program (YEP); this program has been very successfully running throughout Queensland for a number of years.

I would like to extend an invitation to all youth members of North Cronulla SLSC to become inaugural members of the North Cronulla Youth Engagement Program. This program will allow you to explore and become more involved in a range of areas within surf lifesaving, many of which you wouldn't even had known about. Under the guidance of a mentor you will earn points or 'surf creds' gaining experience, be rewarded for those points with prizes and develop many useful life skills along the way. Thanks everyone who has offered to help with this project.

A North Cronulla SLSC Youth Team will also be re-established; this team will become a voice for the youth of the club. The team will give the youth of North Cronulla SLSC a voice and the opportunity to be more actively involved in decision making process creating lasting change for all youth members.

This season saw the introduction of the Youth Australian Championships; I would like to congratulate all competitors, officials and spectators on representing the club brilliantly and special congratulations to Alex Rampoldi on her gold medal.

Congratulations to Jarred Tranter, who was selected to represent North Cronulla SLSC and Sydney Branch at the Youth Opportunities Makers Workshop. Jarred met with other highly motivated youth members to discuss issues affecting youth in Surf Lifesaving and has developed a number of exciting ideas. I am looking forward to working with Jarred on developing his ideas.

Congratulations must also be extended to Emily Maythers. Emily was named the Female Sydney Branch Junior Life Saver of the Year. This is a huge accomplishment and Emily is a well deserving candidate. Well done to Darcy Thompson on his being named a Sydney Branch Finalist Junior Life Saver of the Year.

Thank you everyone for all the assistance provided to me throughout my first year. I am really excited about the 2015-2016 season and the many opportunities that are available to the youth members of North Cronulla SLSC.

**Monika Di Maio**  
Youth Development Director

Stewart Cameron (visitor)	1		

## Sydney Branch Delegate's Report

DIRECTOR DONNA HARGREAVES, SECRETARY BARB MAYTHERS AND DEPUTY DIRECTOR BROOK FLEMING AND THEIR COMMITTEE PUT IN COUNTLESS HOURS TO ASSIST WITH ALL ASPECTS OF RUNNING OF THE NIPPER SECTION AND MAKING SURE IT WAS A SAFE AND ENJOYABLE ENVIRONMENT FOR ALL INVOLVED. THIS IS A REWARDING BUT INCREDIBLY TOUGH JOB AND THEY CAN BE PROUD OF THEIR EFFORTS AGAIN.

Our club captains this season were Emily Maythers & Darby Thompson who did a fantastic job representing their club and assisting their peers throughout the year. They capped it off by both making the final of the Sydney Branch Life Saver of the year competition. Emily was announced as the Female Sydney Branch Junior Life Saver of the Year in front of Club Members and proud parents Barb and Jeff at the Branch Championships. Both Darby and Emily were outstanding nominees and did themselves and their club proud. The committee was very impressed with the standard of all the young finalists. Emily was invited to a State Camp with other Branch JLSOY and this was enjoyable and worthwhile for all involved.

It was again great to see so many U/14 members gain their Surf Rescue Certificates this season after extensive training by instructor Jason Gollan and his team. We hope they continue to enjoy the movement as they move forward through the senior section.

Doug Hawkins was once again the Sydney Branch Junior development Director. Doug is passionate about the development of the junior ranks and the lifesaving movement and puts in a lot of time and effort into this role. Doug was assisted again by Bruce Bevan as Deputy Director and Donna Hargreaves our Nipper Director as Secretary, Mike Day was again the Junior Competition Director. These two North Cronulla members did a great job for the Branch. The Sydney Branch is the biggest Branch in Australia and its clubs completed 5,500 education awards and has over 7,000 nippers. Doug hosted a Junior Activity Management Course where 8 clubs and 45 participants attended at the Maroubra and North Cronulla clubs. This was well received by all who attended and was of great

benefit. Branch's continued commitment to providing better education and skills to our youth is evident. The u/11 & under 13 development camps have been a fantastic success over the years with feedback from all clubs saying it was very well run and all the young members having a wonderful experience. Sydney Airport, in their third year of sponsorship with Surf Life Saving Sydney Nippers assisted with the running of the development camps and the Branch carnival entries. We hope this partnership continues.

Branch Surf Sports Director Wayne Druery, Deputy Greg Pearce, BJD competition co-ordinator Mike Day and their highly experienced and committed team again spent countless hours organising the running of our carnivals. With the assistance of the clubs they organised some terrific Surf carnivals. Our Branch officials are the best in the business and should also be congratulated on their professionalism and care of our young competitors. The Communication from Branch to club has again been outstanding. The BOSS team is constantly thinking of new ideas to make carnivals more enjoyable and relevant for today. The addition of a Branch Officials Team APP was an innovation that was very welcome.

Best wishes to the committee for the upcoming 2015/2016 season.

## JAG Director's Report

OVER THE LAST COUPLE OF YEARS THE WEATHER AND WAVES HAVEN'T BEEN KIND TO OUR NIPPERS AT NORTH CRONULLA AND THIS YEAR WAS NO DIFFERENT.

We have had carnivals cancelled, including our own Sunday nippers on two separate occasions. So the decision in the second half of the season was made to take our nippers to Kurnell. This was a great initiative by our Deputy Director, Brook Fleming. With the help of our great committee we moved boards and tents and set up water areas which gave the Under 8s to the Under 14s a chance to get in the water and have some fun.

This different approach to their usual Sunday routine was embraced by all and gave the children that hadn't had the confidence in the past to get in the water and give it a go. Next year our plan is to have a couple of Sundays at the start of the season out at Kurnell so that the younger age groups can continue to build their confidence and give the older age groups the chance to assist.

This season we had a record number of Squad Leaders whose support and enthusiasm for our nippers was fantastic. All attended the Squad Leader Information night at the start of the season which gave them the opportunity to meet, discuss and learn about the role they had taken on. I wish to thank the Squad Leaders for their efforts; it's not an easy job to ensure that all children are enjoying themselves but you all did it!

Our Under 14 Nippers obtained their Surf Rescue Certificate which is an awesome effort and to top it off they organised the Ice Bucket Challenge which included the local fire brigade, the Hogs Breath Pig and most of the Club Board. It was fantastic to be a part of this with a great bunch of kids.

### Celebrating 50 Years

The 2014/15 season brought the celebrations of 50 years of nippers at North Cronulla. I would like to thank the organising committee for their outstanding efforts in preparing such a wonderful day for all our members. It was a great celebration and would not have been possible without their commitment and hard work on the day.

North Cronulla Nippers and Cronulla Nippers stepped in to host the 4-Way on behalf of Wanda due to the refurbishment of their club. It is always great to see the four Bate Bay clubs work so well together to run the biggest carnival in the branch besides the Sydney Branch Titles.

The Australia Day Ironperson Classic started out at North but was quickly moved to Cronulla Beach this season due to the dangerous surf conditions and I would like to thank Cronulla Surf Club for their support. Moving the Carnival didn't stop the large number of competitors we had. Great to see so many return to the club at the completion of the carnival for the presentation. Thank you to our wonderful sponsors Rip Curl. And a special thank you to the Under 13 Fundraising Team for your outstanding efforts.

This year it was very exciting to have two finalists in the Sydney Airport Branch Age Championships Junior Life Saver of the Year

(JLOTY) – Darby Thompson and Emily Maythers. Emily was named Sydney Branch JLOTY to a very excited North Cronulla Cheer Squad during the branch carnival. North Cronulla Nippers hopes that we can again next year have finalists in this event.

North Cronulla Nippers did well this year at the NSW State Titles despite fielding a smaller team than in previous years. The club came home with nine gold, two silver and four bronze – fantastic efforts by all our nippers. A big thank you to our rash vest sponsors Paragon Plumbing; the kids looked great! The nipper committee is exceptionally proud of the whole team that went away this season especially with the ever changing conditions – we might have had big waves and had to move tents and build trenches but at least this year we had sunshine!

This season North Cronulla took a small team of under 14s to the Inaugural Australian Surf Life Saving Youth Titles, which was held at North Kirra on the Gold Coast. This year was extra special as we are celebrating 90 years at North Cronulla and 100 years since the first carnival was ever held for Surf Life Saving.

Along with the under 15s our nippers competed for two full days in individual and team events, this was a hard challenge for our nippers as we have always had three days of competition at state level. This challenge only made our kids stronger and they continued to show the team spirit that North Cronulla is well known for. Special congratulations must go to Alex Rampoldi for winning Gold in the under 14 Flags and Silver in the under 14 Beach Sprint. I thank all competitors who attended this event and their parents it was a big two days and it would not be possible if it weren't for the hard work put in behind the scenes by our Club Competition Director Peter Moyle, thank you to Peter and his team.

A special thanks to our Coaches, Officials, Water Safety members and Education team; without your help we would not be able to send so many kids to carnivals or run our Sunday nippers. Looking back we have once again excelled in surf sports and education at North Cronulla. It's great to see so many children achieving awards in both areas of surf lifesaving.

Parents I ask you all to consider assisting us next season by completing or updating your bronze medallion, or putting your hand up to become an official. These jobs will always put you in the best seat in the house!

To the North Cronulla Board of Directors thank you for your support and guidance that you have shown me this season. To the Nipper Committee, I thank you all for your hard work and dedication to our section of the club. It has made our job on the Nipper Executive so much easier.

Last, but not least, I leave my final thanks to Brook and Barb. Your help and drive in making North Cronulla Nippers a great success is what being a part of a surf club is all about and I couldn't have done this job without you.

**Donna Hargreaves**

## JAG Secretary's Report

IT WAS MY PRIVILEGE TO BE PART OF THE NORTH CRONULLA JAG DURING OUR NIPPERS 50TH ANNIVERSARY YEAR.

It was my first year in this role and stepping into Donna's efficient and energetic shoes provided many challenges but the rewards were far greater.

We started off with our Squad Leader Information Night which included visual presentations from various stakeholders in Nippers to arm our Squad Leaders with as much information and ideas for the season. By all accounts and feedback this night was greatly appreciated.

The position of Squad Leader Manager was created and taken on by Tracey Schriek, who also assumed the role of Team Manager ably assisted by Dave Boggiss. This gave our Squad Leaders a point of call for any assistance required and also input into important issues regarding carnival participation.

We also introduced a new carnival entry system whereby parents could enter their child directly via the SLS Payment Gateway and forward their receipt to me. This really streamlined the process and assisted me to provide the office with a competitors list fully paid for and up to date. Thanks to all the parents who embraced this process.

Again the weather challenged our smooth running of the season, interrupting weekly Nippers, carnivals and important events. However, we battled on and saw the introduction of "Sunday Nippers at Kurnell" when the surf conditions were dangerous. This was a great initiative by Brook Fleming and the nippers loved the fun and different approach to their usual Sunday routine.

Our 50th Anniversary celebrations were wonderful and the committee who put the event together deserve huge congratulations. It was a terrific night and all the speeches were interesting and motivating. I continue to be inspired by our Patron Warren Rennie and all our Club volunteers both junior and senior with their dedication to North Cronulla and surf lifesaving.

It was another proud moment when our Under 14s group graduated to become Junior Lifesavers and attain their Surf Rescue Certificates. These young men and women were provided with information sessions on their patrol responsibilities and also the many future directions they can choose within the Club. Thank you to those trainers led by Jason Gollan who made this possible for them and our Club Captain Jamie Primmer who organized many of the events. The group also enjoyed their tour to Queensland plus a graduation breakfast at the conclusion of the season which gave them some additional guidance for their transition into the seniors.

The Australia Day Ironperson Classic was marred by dangerous surf and eventually had to be relocated to Cronulla during the event. However, this did not dampen the enthusiasm of the competitors and many returned to the Nipper area for the presentation. With the generous sponsorship of Rip Curl plus the prizes sourced by our dedicated Under 13 Fundraising Group, this carnival is building up a reputation as one not to be missed.

Not only did we provide prizes for 1st to 6th, but also a lucky door prize for each age group both male and female.

The other major event our Committee was heavily involved in was the Bate Bay 4-Way Carnival. This was directed by North Cronulla & Cronulla with both clubs attending many preparation meetings working extremely well as a unit to present a terrific carnival.

A special thank you to our Officials led by Tony Hughes, Water Safety members led by Richard Roja and the IRB section led by Kane Hughes. Without their help our own carnivals and those we participate in would not be possible.

On behalf of the Nippers I would also like to extend our gratitude to our coaches Geoff Budd, Tracey Schriek, Brook Fleming, Stewart Cameron Damien Bulian and Bernie Staunton (Education) – the children and parents appreciate all those hours that you put in.

My sincere gratitude is extended to all those who assisted me in the role of Secretary especially my family, Donna, Brook, Kevin, Lisa, Carmel, Sheridan and Glenn Marie. It is not possible to name everyone but you know who you are.

North Cronulla Nippers are in excellent hands with our dedicated and hardworking Director Donna Hargreaves and Deputy Director Brook Fleming along with their enthusiastic committee team, but they still need more help from you the parents to implement and continue their program.

I urge you to think about how you can participate in this great historic club which is now in its 90th year!

**Barbara Maythers**

## Nipper Team Manager's Report

THIS SEASON FOR NORTH CRONULLA NIPPERS WAS VERY CHALLENGING!!! AND IT WAS ALL BECAUSE OF ONE REASON.... BAD WEATHER!!!

Firstly, Sunday nippers was plagued with big surf or flooding rain... But in true North Cronulla spirit, we all banded together and made the best of a bad situation. Sunday nippers was cancelled twice and it was also moved twice to Kurnell which proved to be a huge success and thoroughly enjoyed by all involved. This is an activity which will be carried on through next season.

Secondly, the Ohana carnival was scheduled to be run on three separate Saturdays and was cancelled on each occasion. The water events at Sydney branch carnival (excluding all age board relay) were also cancelled. And just when we thought it couldn't happen again, we all made the trek North to Umina Beach for the NSW state titles and the surf was HUGE!!! We couldn't believe it could happen three years in a row, but again we all worked together to support the kids and one another to make state titles an enjoyable event.

The results this season as always were outstanding. Congratulations to Leo Nosatti, Connor Flanagan, Alex Rampoldi and Zac Roja on their selection in the Sydney Branch Representative team.

As always, there were many great results at state titles and I am very proud of the way all the North Cronulla nippers conducted themselves in very trying conditions.

The stand out performance for me was the Gold Medal victory at state titles in the all age board relay. This event has never been won by a Sydney Branch team at the state titles and it was a great way to finish off the carnival. To Toby Byron, Cruz McKee, Ryan McGrath, Mitchell O'Loughlin, Zac Roja and Leo Nosatti, congratulations on an inspiring victory!!!

Thank you to all the officials, water safety, squad leaders and parents for making this season and enjoyable and successful one..

See you all next season..

**Tracey Schriek**  
Team Manager

## Junior Club Captain Reports

THIS PAST SEASON HAS BEEN AN INCREDIBLE TIME FOR THE NORTH CRONULLA NIPPERS. TOGETHER WE HAVE COMMEMORATED OUR 50TH ANNIVERSARY; INTRODUCED OVER 40 NEW SRC'S TO PATROL OUR BEACH; CELEBRATED AMAZING LIFESAVING AND SPORTING ACHIEVEMENTS AND OF COURSE WELCOMED MANY NEW MEMBERS TO OUR WONDERFUL NC FAMILY.

CLUB CAPTAINS EMILY MAYTHERS AND DARBY THOMPSON

Our North Cronulla 50th anniversary of Nippers was an incredible experience to be a part of. So many wonderful moments and memories have been shared over those 50 years and I have felt extremely privileged to be a part of such a significant milestone and event. For 50 years North Cronulla has been teaching young children about surf safety and survival. For me personally, North Cronulla has taught me more about the community, mateship and the true meaning of service to one another in nine years, than I think I will ever be able to learn for the rest of my life.

Nippers have played a very prominent role in my life for a long time now, for years my family and I have travelled to the North Cronulla Surf Club to participate in Nippers. I have thoroughly enjoyed every moment of my time spent there. I have been fortunate enough to receive many amazing opportunities throughout my career as a nipper. Some of the most notable achievements include being the female junior Club Captain and being selected as the Sydney Branch Junior Lifesaver of the Year.

I have learnt so many things about myself and leadership and helping others through these experiences, and I am very grateful to North Cronulla for providing me with such wonderful opportunities. I have made such special friends throughout Nippers and these friendships will travel with me to the senior section.

This year we have celebrated remarkable athlete successes; we have travelled together to the State titles at Umina and there

we achieved some impressive results but most importantly we bonded as an NC team and family and we all came home with countless wonderful stories and memories to share.

Although we had a great time away at Umina the renowned beach certainly did live up to its previous form with tsunami surf, rain, flooding, "wildlife warnings" and a whole lot of walking for everyone to enjoy.

This season we have welcomed many new members to the NC Nipper family and I am very grateful that I have received the opportunity to assist and pass on my knowledge to the younger age groups.

As Junior Club Captain, alongside Darby, we have been lucky enough to be able to mentor and guide some of the younger nippers. I have really loved being able to give back to this wonderful club, although I do not think that I can ever fully repay all the people who have encouraged and taught me over the past memorable 9 years.

Finally, as a Nipper Club North Cronulla may not have the biggest club house or the newest equipment or even the best board shed, but as an NC family we have the biggest hearts and at the end of the day we can win together, lose together, have a smile on our face and still be more than willing to come back and do it all again; because this club has the most amazing people and together we make our Surf Club the biggest and best club in the world!

**Emily Maythers**

WHAT A MAGNIFICENT SEASON WE HAVE HAD! WE CELEBRATED 90 YEARS OF NORTH CRONULLA SURF LIFESAVING, 50 YEARS OF NIPPERS, CAME 7TH AT THE AGE STATE CHAMPIONSHIPS, AND INTRODUCED NEW ARSENAL TO OUR PATROLS. I AM GLAD THAT I COULD EXPERIENCE EVERY SECOND OF IT!

This year, North Cronulla had its 90th Anniversary, with the club beginning back in 1925. Celebratory festivities occurred recently and over two days numerous members, both past and present, united to reminisce. I was glad to be able to participate in the celebrations of this historical event and learn that in 90 years North Cronulla has conducted over 50 thousand patrols, 250 thousand hours and 13 thousand rescues. This is a phenomenal effort.

This season, the Under 14's received their Surf Rescue Certificates. This means our nippers added over 40 new patrol members to our Surf Life Saving roster. This should be the goal of all nippers, to obtain education and surf awareness in order to protect the public on our much loved beach. This doesn't come unrewarded as you meet, bond and make friendships for life.

This year, I joined Patrol number 5. My patrol captain is Martin Fulton, whose name I now know off by heart ( If only I had remembered that at the Lifesaver of the Year interview! ). I have done over 40 hours on patrol and I enjoyed all 144 thousand seconds of it. My patrol is full of a lot of nice people who I can easily get along with. Every patrol we go roving down the beach, or take watch from the patrol tower. When we take our breaks, we jump in the surf for a swim, paddle boards or get hot chips. Surf life saving is something that is fun, educational and extremely rewarding in the event a life is saved.

Can you believe the Surf Life Saving Gods were not smiling upon us again for the 3rd year straight at the Age State Championships at Umina? Despite the huge surf, the waiting, and the long treks up and down the beach, we still had a great time. Congratulations to all the medal winners and to everyone who participated and gave it their best shot. A special mention to the Under 14 boys, fantastic result placing in the top 5 for every event they participated in. This success in part can be attributed to our early training as young nippers and being taken to the cans and out of our comfort zone by one crazy squad leader...

The highlight of my year was definitely the Under 14's Queensland Trip. It was a great way of bringing the group closer together. This is the event everyone should look forward to towards the end of their nipper experience. I'd like to thank everyone who helped with fundraising for that event, particularly Carmel Lewis, and the chaperones that went along with us. Fun was had by everyone with the expected

frivolity initiated by the usual suspects. No harm done and no limbs lost, except for the mannequin's (those on tour will understand).

I'd like to thank all the squad leaders, parents, coaches and people behind the scenes. Without you, nippers just wouldn't be the same. The hard work you have done for North Cronulla is fantastic and greatly appreciated.

To the nippers, I hope you have made lifelong friends, learned to take responsibility and most importantly, learned to save lives. You are the future lifesavers of North Cronulla.

Finally, to Elizabeth Smith, Jack Vrazalica, Daisy Waugh and Michael DeFrancesco, as next season's junior club captains and vice captains, I wish you the best on your journey. Take good care of the club and the nippers.

Go North Cronulla!

**Darby Thompson**

### LADIES COMMITTEE

Julie Howell (President). Betty Brown, Julie Brown, Shirley Cameron, Amanda Duran, Kaylene Flint, Lynette Garland, Kim Glasson, Gladys Honer, Mayanne Macnamara, Julie McKinnery, Rhonda McPherson, Bette Rees, July Whitford, Neryl Young

## Ladies Committee Report

A NEW SEASON WITH SOME NEW TEAM MEMBERS, SOME NEW IDEAS, SOME NEW PLANS, SOME NEW INITIATIVES AND MOST OF ALL A NEW KITCHEN BUT STILL ALL INTERWOVEN WITH TRADITION AND PURPOSE.

Whilst the committee may be new we still welcome the skills and knowledge of Ladies Committee stalwarts Shirley Cameron, Betty Brown, Betty Rees, and a few other lovely ladies who are always there with the right intent and support.

We have provided meals and support on a number of special occasions and of course at the regular carnivals hosted at North Cronulla and will always be a part of the club there largely behind the scene but still there to do a job and of course do it well.

We are trying to be 'One Strong Team' so I please ask for the support of all involved to be a part of the One Team rather than create mini teams within as these just fracture what we have and create unnecessary tension which just serves no purpose and helps no one.

We are looking to remain as a strong supporting section within this proud club and always open to new members who like a

LADIES COMMITTEE MEMBERS AT 90TH ANNIVERSARY

chat and willing to lend a hand on those hectic days.

Early days but good days ahead where all nice people are always welcome, and I would also like to thank all the Ladies committee as well as Sheridan and Glen Maree who are always there to help me carry up the supplies thanks for all the constructive feedback and appreciation as it is always appreciated.

Warm regards,

**Julie Howell**

Ladies Committee

## Harry Brown Room Upgrade

OVER THE LAST 12 MONTHS, A TEAM OF DEDICATED CLUB MEMBERS AND CLUB SPONSORS HAS COMPLETED STAGE 1 OF THE HARRY BROWN ROOM UPGRADE.

The funds were provided under a grant provided by NSW Government, Department of Sport and Recreation under the 2013 – 2014 Surf Club Facility Grant Program and we once again we thank the Member for Cronulla Mark Speakman SC MP and NSW Government for their support of this important infrastructure project at our club.

The main ball room and kitchen have been completed and special thanks to our supports, members and sponsors who provided their services and valued assistance:

**BOFELECTRIX** (Michael Bofinger) – Electrical work

**STREATER PLUMBING** (Geoff Streater) – Plumbing work

**2 BARROWS** (Paul Moses) – Bench Top

**MELMAC INTERIORS** (Mal Robertson) – Cupboards & kitchen fit out

**REMONDIS** – Garbage disposal

**TRIPLE X STAINLESS STEEL** – Custom stainless steel benches

**CARPET COURT CARINGBAH** – New carpets and kitchen flooring

**ENWARE** – Tapwear

**EB INTERIORS** – Overall design and curtains

**SUTHERLAND SHIRE COUNCIL** – Painting services

There was a dedicated crew of club members who helped with the kitchen removal, carpet removal, wood work, bar work and moving equipment into the room and I hoped they enjoyed the experience because at times there was more laughter and good humor banter than actual work performed.

The timing of the work schedule for Stage 2 is under review and will require feedback from Sutherland Shire Council on what can be achieved and a formal opening will be announced once that information is confirmed.

The Harry Brown Room has held many club and private functions with great success over the last 12 months and is generating rental revenue for the club and I hope the members and sponsors involved with the project are proud of the overall result so far.

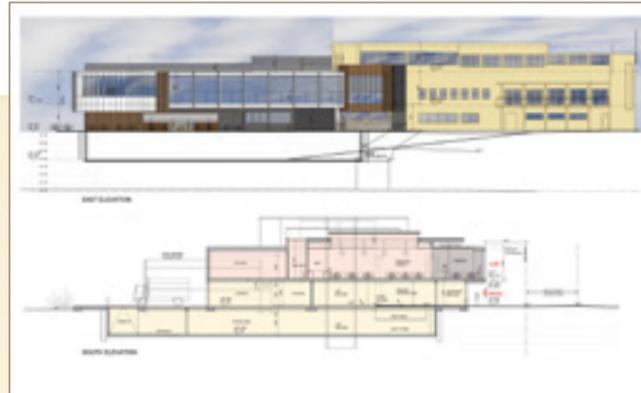

HARRY BROWN ROOM (BEFORE PHOTOS)

RENOVATED HARRY BROWN ROOM

## Project Phoenix

NORTH CRONULLA SURF LIFE SAVING CLUB INC. GEAR COMPLEX REDEVELOPMENT. (REDEVELOPMENT OF EXISTING CLUB GEAR COMPLEX, CLUB AND COUNCIL FACILITIES AND CAFÉ)

The proposed redevelopment of North Cronulla SLSC gear complex, club and council facilities and existing café has been around for many years and gone through several different designs, proposals and ideas without any real success or progress of construction activities.

The current gear complex is now running at capacity and there are issues with the safe storage of existing club and council life-saving equipment and competition equipment for all sections of the club. As the club continues to grow and expand our passive and active storage requirements, we need provide updated facilities for male and female club members and provide new and updated facilities to perform training and education of our club members, these cannot be provided in the existing three story surf club building and therefore the redevelopment of the gear complex is critical for the club to accommodate these changes and allow the Club to grow and develop over the next 50 to 100 years.

The redevelopment will have allowance for commercial floor space that will provide the club with a revenue stream based on the consent conditions outlined and approved in Sutherland Shire Council - North Cronulla SLSC Management Plan. This revenue stream will be critical to the future and ongoing development of the Club and will provide Club Board of Directors with the ability to provide funds to help fund our commitment to our members and the community to provide equipment for Life Saving and Patrols on North Cronulla beach, competition equipment and training and education equipment and facilities for our members.

Last year the Board of Directors approved the engagement of Bergstrom Architects for the development of a Master Concept Plan for the redevelopment. These plans are finalized, approved and have been used in all correspondence with the Club and Sutherland Shire Council and will form the base for any work associated with moving the project through various phases to approved Development Application stage.

In September 2014, the Assistant Minister for Infrastructure, the Hon Jamie Briggs approved the funding of up to \$100,000 ex GST under the Community Development Grants program to the North Cronulla Surf Life Saving Club Inc. for the North Cronulla Surf Life Saving Club – Upgrade of facilities project (Project Phoenix). These funds are to be used for Project Phoenix: North Cronulla Surf Life Saving Club Inc. Gear Complex Redevelopment (Redevelopment of existing club gear complex, club and council facilities and café) Planning Phase as per the terms and conditions of the funding agreement and associated schedules.

A Special General Meeting was held on Sunday 9th November 2014 and two motions were voted upon our membership and approval was granted to continue with the development process. These motions approved the overall development project and the expenditure of funds for the engagement of suitable qualified professional organisations for the planning, design, creation of Development Application and a Construction Certificate required to bring Project Phoenix (Redevelopment of existing club gear complex, club and council facilities and café) to an approved development stage as per Sutherland Shire Council development application process or associated process if referred to NSW Government Joint Regional Planning Panel.

Sutherland Shire Council has engaged external companies to perform a Building Code of Australia Compliance Assessment Report and DDA Audit report on the surf club buildings and also a building condition report. These have highlighted major issues with the condition of the existing buildings and estimated costs of \$1.2 Million to make the building code complaint and address major maintenance and building faults. Over the May and June months, the Council has been working on making repairs and painting the internal walls, windows and door of the surf club and we are very appreciative of these work activities.

In January 2015, a presentation was made by Club members to the Sutherland Shire Council Special Infrastructure Project and Work Committee to outline our Club history, Project Phoenix overview, financial update, review master concept plans and outline council support required for the project and questions and answer session at end of the meeting.

An outcome of the meeting was the establishment of a Council Working Party and the first meeting was held in February 2015 and representatives from Council, Councilors and Club members and worked through a set agenda and tour of the club and proposed area of development. Several action items were discussed at the meeting and these were adopted at the next meeting of the Council.

A Pre Application Development (PAD) meeting was held in March 2015 and report supplied to the Club and we will engage with suitable qualified professionals to discuss and resolve the items listed in the report. Another outcome of this report was a recommendation to meet for a pre DA ARAP (Architectural Review Advisory Panel) and that meeting will be arranged shortly.

Another item raised at the PAD meeting was the influence of our construction zone on the proposed North Cronulla Sea Wall and that will require further investigation from Council

officers and reported back to Council for review. A report has been supplied to Sutherland Shire Council for review and consideration with one of the main objectives is to combine the three projects of North Cronulla SLSC Project Phoenix, North Cronulla Sea Wall construction and Dunningham Park Upgrade into a single Plan of Management for the precinct. At time of

writing this report the Council had not held the Council meeting considered the report and recommendations contained.

The project is progressing and moving forward and is critical to the future of North Cronulla Surf Life Saving Club and our current and future members – There is no second place here, it must be delivered!

## Club Historian's Report

WITH THE GROWTH IN MEMBERSHIP, WE NOW HAVE UP TO 1200 MEMBERS, AND THIS IS BECOMING A MAJOR PROPOSITION KEEPING ON LINE WITH THE ACTIVITIES AND ACTIONS OF EVERY MEMBER FROM THE YOUNGEST JAG MEMBER AND AS FAR UP TO OUR RESPECTED PATRON.

The progressive advancement in the Club, over the past year under the leadership of our President, towards the future, has been nothing short of amazing, and he and his committee are to be congratulated. If everything goes to plan, then the Club as we know it today, should be free of never ending financial problems, providing better facilities to us the members.

The success once again goes to show that we are the leading Surf Club in the Bate Bay (originally called Whale Bay) area. Congratulations to all our competitors in Interclub, Sydney, State and Australian Championships, above all we can hold our heads high when we carry out our community service to the public by patrolling the beach.

Wednesday mornings are again a hive of activity, and I am most grateful to Darien Fleming, Margaret Sorensen, Shirley Cameron, Beth Boggiss, "Mr Reliable" Billy Bofinger, and now a new comer Bob Hanson who has offered to carry out an inventory of the increasing amount of memorabilia artifacts we are collecting. May I take this opportunity to request members, if they have any Club bits and pieces that may be past their use by date, then the Club would greatly appreciate these items.

One of the tasks, fallen upon our group, has been the nomination of members towards their SLSA Service Awards, these Awards are calculated from the Annual Reports which are recorded at our Annual General Meeting to be a true and correct record over the past year. Your name is listed in there as a financial member, and we rely on these records relating to the number of years you have been a financial member, and then we submit your name to the Management Committee for their approval.

If you have any enquiries in regard to your membership, or would like a print out of your time in the Club, please contact us any Wednesday morning.

My gratitude and appreciation is recorded to their most co-operative guidance and assistance we receive from our office staff Sheridan and Glenn-Marie, it is a pleasure to work with them.

Finally congratulations to the organisers of the 90th Reunion celebrations. It proved to be an outstanding success and a thank you to Rebecca Blue who personally assisted me with the display of artifacts.

# Vales

## Arthur West

A member during the 1940-50 period of the Surf Club and it was at this time during the 2nd World War that membership of the Club was virtually restricted to people in "reserved occupations" working on the "war effort", and it was people like Arthur who did the patrols and kept the Club functioning.

After the war, Arthur married a local girl he met through the Surf Club and lived in a garage on his block of land whilst building their home. Maintaining an interest in all things related to North Cronulla.

When the Oil Refinery was being built at Kurnell he commenced work there, along with many other Club members, remaining there until his retirement and in later years did not enjoy the best of health.

## Ernest K (Ike) Smith

It is with deep regret that I record the passing of our longest serving Life Member on 1st May, 2015. A very highly respected member, who was responsible to bring the first Australian Junior Surf Boat Championship to North Cronulla. Always a fearless competitor, many of our older Club members will recall his approach (in true pirate style) to our parent Club Cronulla's boat crew sweep, to sort out an incident during a heat in the InterClub competition.

Small in stature but big in heart, his early trade as a Moulder working in a foundry contributed to his physic, having strong arms and a well developed chest. Away from the Club, Ikie lead a quiet life caring for his Mother and later on for his Aunt, he moved to Cronulla living a reclusive life style but still could be found walking the promenade of a morning. He also found enjoyment with his weekender down the south coast fishing.

Ernest was farewelled by a private family funeral, and the Club was unable to give the respect to the service he gave to North Cronulla Surf Club.

Sleep well dear friend, you will be missed by many.

## Lennie (Lenny) Raper

Past Active Member, whose antics kept many members amused, but his passion was for March Past and coaching many successful March Past teams. He moved to Queensland and joined Tugun Surf Club coaching their March Past teams. He lived a semi reclusive life but was always enthusiastic about the progress of North Cronulla, seeking the club members company when the Club visited Queensland for the Aussies. Lennie's loss will be a blow to popular past member Freddy Hill who at all times kept an eye on Lennie's welfare.

## Marc Leabeater

Marc was tragically killed in a road accident on 19 December 2014 aged just 26. Marc joined North Cronulla Nippers in the Under 6's in 1993 and he went on to become a champion beach sprinter who was selected in many Branch and State teams, he was named Sydney Branch U17 Athlete of the Year in 2006. Marc moved to Wanda where he won the elusive Australian Gold Medal.

Anyone who met Marc knows he had a BIG personality. He'd make us all laugh with his vibrant and cheeky personality. His antics would sometimes rub those in authority up the wrong way. However, it was hard not to forgive his larrikin spirit. His many friends at North Cronulla and Wanda surf clubs will miss him dearly. Gone far too soon.

## Peter Ward

Peter was suddenly taken from us on 5th May, 2015. He joined this Club in 1956 and gained his bronze medallion. In his early years he swam and competed for the Club in Interclub competition that was held annually by the 4 Bate Bay Surf Clubs. The rivalry was intense in those early years as the 4 Clubs were the strongest competitively in Australia. To make the 12 a side surf relay was an achievement on its own.

Peter was highly regarded as a North Cronulla member. He was a floor and wall tiler by trade and at 75 years of age was still working, until he passed away. He volunteered to do maintenance work on our Club swimming pool over the years and any other tiling maintenance job in the Club when required. Our Club will forever be indebted to him for his generous support.

He was a popular member of the Gymnasium Show Ponies for 25 years, doing gym workouts with all his mates. He will be sadly missed but never forgotten by this Club and the members that were lucky enough to have known him.

## EXECUTIVE COMMITTEE REPORT

Your committee members submit the financial report of the North Cronulla Surf Life Saving Club Incorporated for the financial year ended 30 April 2015.

**Executive Committee Members**

The names of committee members throughout the Year and at the date of this report are:

Committee Members	Position
Craig McKinnery	President
Geoff Budd	Deputy President
Ben Smollett	Finance Director
Tracey McKinnery	Secretary
Jamie Primmer	Club Captain
Monika Di Maio (Appointed 13/07/14)	Youth Development Director
Lee Howell (Retired 13/07/14)	Youth Development Director

**Principal Activities**

The principal activity of the incorporated association during the financial year was the operation of a surf life saving club.

**Significant Changes**

No significant change in the nature of these activities occurred during the year.

**Objectives of the Club**

To maintain a safe beach environment for the public to use whilst adhering to the objects of the North Cronulla Surf Life Saving Club Incorporated constitution including;

- To Study and Practice the methods of Surf Life Saving as taught by Surf Life Saving Australia
- To minimise the loss of life through use of life saving apparatus and appointment of life saving patrols
- To provide for the well being of the members

**Strategies for achieving objectives**

- Continued education and training of life saving members
- Acquisition of new surf life saving apparatus as required

**Performance Measures**

- Review and report on club's life saving KPI's performance including;
- Number of Surf Life Saving Australia Awards achieved
- Number of volunteer patrol hours performed
- Adherence to Surf Life Saving Australia life saving policies'

**EXECUTIVE COMMITTEE REPORT**

**STATEMENT OF PROFIT AND LOSS AND OTHER COMPREHENSIVE INCOME**

FOR THE YEAR ENDED 30 APRIL 2015

**Operating Result**

The profit amounted to \$78,827 (2014 \$41,506).

Signed in accordance with a resolution of the Members of the Committee.

**President:**

  
 \_\_\_\_\_  
 Craig McKinnier

**Finance Director:**

  
 \_\_\_\_\_  
 Ben Smollett

**Dated this 19th day of June 2015**

Cash and cash equivalents at end of financial year	<b>5</b>	<u><u>993,750</u></u>	<u><u>894,491</u></u>

The accompanying notes form part of these financial statements.

**NOTES TO THE FINANCIAL STATEMENTS**

FOR THE YEAR ENDED 30 APRIL 2015

**1 Statement of Significant Accounting Policies**

The principal accounting policies adopted in the preparation of the financial statements are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated.

**New, revised or amending Accounting Standards and Interpretations adopted**

The incorporated association has adopted all of the new, revised or amending Accounting Standards and Interpretations issued by the Australian Accounting Standards Board ('AASB') that are mandatory for the current reporting period.

Any new, revised or amending Accounting Standards or Interpretations that are not yet mandatory have not been early adopted.

**Basis of preparation**

In the officers' opinion, the incorporated association is not a reporting entity because there are no users dependent on general purpose financial statements.

These are special purpose financial statements that have been prepared for the purposes of complying with the New South Wales legislation the Associations Incorporation Act 2009, the Charitable Fundraising Act 1991 and associated regulations. The officers have determined that the accounting policies adopted are appropriate to meet the needs of the members of North Cronulla Surf Life Saving Club Incorporated.

These financial statements have been prepared in accordance with the recognition and measurement requirements specified by the Australian Accounting Standards and Interpretations issued by the Australian Accounting Standards Board ('AASB') and the disclosure requirements of AASB 101 'Presentation of Financial Statements', AASB 107 'Statement of Cash Flows', AASB 108 'Accounting Policies, Changes in Accounting Estimates and Errors', AASB 1031 'Materiality', AASB 1054 'Australian Additional Disclosures' and AASB 1048 'Interpretation and Application of Standards', as appropriate for not-for-profit oriented entities. These financial statements do not conform with International Financial Reporting Standards as issued by the International Accounting Standards Board ('IASB').

*Historical cost convention*

The financial statements have been prepared under the historical cost convention.

*Critical accounting estimates*

The preparation of the financial statements requires the use of certain critical accounting estimates. It also requires management to exercise its judgement in the process of applying the incorporated association's accounting policies. The areas involving a higher degree of judgement or complexity, or areas where assumptions and estimates are significant to the financial statements, are disclosed in note 2.

**NOTES TO THE FINANCIAL STATEMENTS**

FOR THE YEAR ENDED 30 APRIL 2015

The financial report has been prepared on an accruals basis and is based on historic costs and does not take into account changing money values or, except where specifically stated, current valuations of non-current assets.

The following significant accounting policies, which are consistent with the previous period unless otherwise stated, have been adopted in the preparation of this financial report.

**Revenue Recognition**

Revenue is recognised when it is probable that the economic benefit will flow to the incorporated association and the revenue can be reliably measured. Revenue is measured at the fair value of the consideration received or receivable.

*Donations*

Donations are recognised at the time the pledge is made.

*Grants*

Grants are recognised at their fair value where there is a reasonable assurance that the grant will be received and all attached conditions will be complied with.

*Interest*

Interest revenue is recognised as interest accrues using the effective interest method. This is a method of calculating the amortised cost of a financial asset and allocating the interest income over the relevant period using the effective interest rate, which is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to the net carrying amount of the financial asset.

*Other revenue*

Other revenue is recognised when it is received or when the right to receive payment is established.

All revenue is stated net of the amount of goods and services tax (GST).

**Income Tax**

As the incorporated association is a charitable institution in terms of subsection 50-5 of the Income Tax Assessment Act 1997, as amended, it is exempt from paying income tax.

**Cash and Cash Equivalents**

Cash and cash equivalents include cash on hand, deposits held at-call with banks, other short-term highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of change in value.

**NOTES TO THE FINANCIAL STATEMENTS**

FOR THE YEAR ENDED 30 APRIL 2015

**Inventories**

Inventories are measured at the lower of cost and net realisable value. Costs are assigned on a first-in first-out basis.

**Trade and Other Receivables**

Accounts receivable are recognised initially at the transaction price (i.e. cost) and are subsequently measured at cost less provision for impairment. Receivables expected to be collected within 12 months of the end of the reporting period are classified as current assets. All other receivables are classified as non-current assets.

At the end of each reporting period, the carrying amount of accounts receivable and other receivables are reviewed to determine whether there is any objective evidence that the amounts are not recoverable. If so, an impairment loss is recognised immediately in the income and expenditure statement.

**Property, Plant and Equipment (PPE)**

Plant and equipment is stated at historical cost less accumulated depreciation and impairment. Historical cost includes expenditure that is directly attributable to the acquisition of the items.

Leasehold improvements and office equipment are carried at cost less, where applicable, any accumulated depreciation and impairment.

Leasehold improvements are amortised over the shorter of either the unexpired period of the lease or the estimated useful lives of the improvements.

**Depreciation**

Depreciation is calculated on a straight line basis to write off the net cost of each item of property, plant & equipment over the useful life as follows:

Class of Fixed Asset	Useful Life
Office Equipment	3-5 Years

The residual values, useful lives and depreciation methods are reviewed, and adjusted if appropriate, at each reporting date. An item of property, plant & equipment is derecognised upon disposal of when there is no future economic benefits to the association. Gains and losses between the carrying amount and the disposal proceeds are taken to profit or loss.

**NOTES TO THE FINANCIAL STATEMENTS**

FOR THE YEAR ENDED 30 APRIL 2015

**Impairment of Non-Financial Assets**

Non-financial assets are reviewed for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognised for the amount by which the asset's carrying amount exceeds its recoverable amount.

Recoverable amount is the higher of an asset's fair value less costs to sell and value-in-use. The value-in-use is the present value of the estimated future cash flows relating to the asset using a pre-tax discount rate specific to the asset or cash-generating unit to which the asset belongs. Assets that do not have independent cash flows are grouped together to form a cash-generating unit.

**Trade and Other Payables**

These amounts represent liabilities for goods and services provided to the incorporated association prior to the end of the financial year and which are unpaid. Due to their short-term nature they are measured at amortised cost and are not discounted. The amounts are unsecured and are usually paid within 30 days of recognition.

**Goods and Services Tax (GST)**

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Tax Office. In these circumstances, the GST is recognised as part of the cost of acquisition of the asset or as part of an item of the expense. Receivables and payables in the Statement of Financial Position are shown inclusive of GST.

The net amount of GST recoverable or payable to the Australian Taxation Office is included in other receivables or other payables in the Statement of Financial Position. Cash flows are presented on a gross basis.

**New Accounting Standards and Interpretations not yet mandatory or early adopted**

Australian Accounting Standards and Interpretations that have recently been issued or amended but are not yet mandatory, have not been early adopted by the incorporated association for the annual reporting period ended 30 April 2014. The incorporated association has not yet assessed the impact of these new or amended Accounting Standards and Interpretations.

**NOTES TO THE FINANCIAL STATEMENTS**

FOR THE YEAR ENDED 30 APRIL 2015

**2 Critical accounting judgements, estimates and assumptions**

The preparation of the financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts in the financial statements. Management continually evaluates its judgements and estimates in relation to assets, liabilities, contingent liabilities, revenue and expenses. Management bases its judgements, estimates and assumptions on historical experience and on other various factors, including expectations of future events, management believes to be reasonable under the circumstances. The resulting accounting judgements and estimates will seldom equal the related actual results. The judgements, estimates and assumptions that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year are discussed below.

The incorporated association determines the estimated useful lives and related depreciation and amortisation charges for its property, plant and equipment and finite life intangible assets. The useful lives could change significantly as a result of technical innovations or some other event. The depreciation and amortisation charge will increase where the useful lives are less than previously estimated lives, or technically obsolete or non-strategic assets that have been abandoned or sold will be written off or written down.

	-	51,420

**15 Auditor's Remuneration**

During the financial year the following fees were paid or payable for services provided by BDO East Coast Partnership, the auditor of the association.

**Auditor's Remuneration**

Audit of financial statements	4,500	4,000
-------------------------------	-------	-------

**16 Contingent Liabilities**

The incorporated association had no contingent liabilities as at 30 April 2015 and 30 April 2014.

**17 Commitments**

The incorporated association had no commitments for expenditure as at 30 April 2015 and 30 April 2014 not otherwise disclosed in the accounts.

**18 Events After the Reporting Period**

No matter or circumstance has arisen since 30 April 2015 that has significantly affected, or may significantly affect the incorporated association's operations, the results of those operations, or the incorporated association's state of affairs in future financial years.

**STATEMENT BY MEMBERS OF THE COMMITTEE**

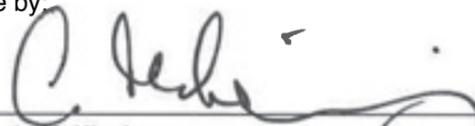

The committee has determined that the association is not a reporting entity and that this special purpose financial report should be prepared in accordance with the accounting policies outlined in Note 1 to the financial statements.

In the opinion of the executive committee the financial statements as set out on pages 109 to 132:

1. Presents a true and fair view of all income and expenditure of the North Cronulla Surf Life Saving Club Incorporated with respect of fundraising appeals
2. Complies with the provisions of the Charitable Fundraising Act 1991 and the regulations under that Act and the conditions attached to the authority, and Association Incorporations Act 2009, of NSW.
3. Presents a true and fair view of the financial position of North Cronulla Surf Life Saving Club Incorporated as at 30 April 2015 and its performance for the year ended on that date.
4. At the date of this statement, there are reasonable grounds to believe that North Cronulla Surf Life Saving Club Incorporated will be able to pay its debts as and when they fall due.

This statement is made in accordance with a resolution of the Executive Committee and is signed for and on behalf of the Committee by:

**President:**

  
Craig McKinnery

**Finance Director:**

  
Ben Smollett

**Dated this 19th day of June 2015**

**DECLARATION OF INDEPENDENCE BY ADAM BROWN**

TO THE COMMITTEE OF NORTH CRONULLA SURF LIFE SAVING CLUB INCORPORATED

As auditor of North Cronulla Surf Life Saving Club Incorporated for the year ended 30 April 2015, I declare that, to the best of my knowledge and belief, there have been no contraventions of:

- the auditor independence requirements of the *Australian Accounting Standards* in relation to the audit; and
- any applicable code of professional conduct in relation to the audit.

**Adam Brown**  
Partner  
Cronulla

Dated: 19 June 2015

**INDEPENDENT AUDITOR'S REPORT**

TO THE MEMBERS OF NORTH CRONULLA SURF LIFE SAVING CLUB INCORPORATED

**Report on the Financial Report**

We have audited the accompanying financial report of North Cronulla Surf Life Saving Club Incorporated, which comprises the statement of financial position as at 30 April 2015, the statement of comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, notes comprising a summary of significant accounting policies other explanatory information, and the statement of the members of the committee.

**Committee's Responsibility for the Financial Report**

The committee of the association are responsible for the preparation of the financial report that gives a true and fair view in accordance with Australian Accounting Standards - Reduced Disclosure Requirements and the *Associations Incorporation Act of New South Wales* and for such internal control as management determines necessary to enable the preparation of the financial report that is free from material misstatement, whether due to fraud or error.

**Auditor's Responsibility**

Our responsibility is to express an opinion on the financial report based on our audit. We conducted our audit in accordance with Australian Auditing Standards. Those standards require that we comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance about whether the financial report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial report in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the members of the committee, as well as evaluating the overall presentation of the financial report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

**Independence**

In conducting our audit we have complied with the independence requirements of the Australian Accounting Standards.

We confirm that the independence declaration has been given to the management of North Cronulla Surf Life Saving Club Incorporated, would be in the same terms if given to the management committee as at the time of this audit

**INDEPENDENT AUDITOR'S REPORT**

TO THE MEMBERS OF NORTH CRONULLA SURF LIFE SAVING CLUB INCORPORATED

**Basis of Qualified Opinion**

Our audit report has been issued with the following qualifications:

- (a) As is common for organisations of this type it is not practicable for the club to maintain an effective system of internal control over donations, subscriptions, sales and fundraising activities until their initial entry into the accounting record. Accordingly, our audit in relation to such revenue was limited to amounts recorded.

**Qualified Opinion**

In our opinion, except for the effects on the financial report of the matters referred to in the qualification paragraph, the financial report of North Cronulla Surf Life Saving Club Incorporated is in accordance with the Associations Incorporation Act of New South Wales, including:

- (a) Giving a true and fair view of the association's financial position as at 30 April 2015 and of its performance for the year ended on that date;
- (b) Complying with Australian Accounting Standards - Reduced Disclosure Requirements;
- (c) That the financial statements show a true and fair view of the financial results of fundraising appeals conducted during the year;
- (d) That the accounting and associated records have been properly kept during the year in accordance with the Charitable Fundraising Act 1991 and the regulations;
- (e) That monies received as a result of fundraising appeals conducted during the year have been properly accounted for and applied in accordance with the Charitable Fundraising Act 1991 and the regulations; and
- (f) At the date of this report there are reasonable grounds to believe that the organisation will be able to pay its debts as and when they fall due.
