WEEK 3 NORTH CRONULLA NIPPER SEASON

Another fabulous Sunday Nippers even with the cloudy skies. It was wonderful to see lots of nippers participating in beach events and in the water even in the grey skies. A special mention to the U8 girls and boys who had a wonderful time, being very brave on the boards in the rock pool and doing some excellent 'deep water' wading!

Also a huge congratulations to our latest SRC recruits. For those who are new to Nippers and just starting their Lifesaving journey, these children have worked very hard to achieve this ... they have to not only be proficient physically, swimming, board rescue etc...they also have to achieve a surf education award, which means they have to know all their signals, use of radios, how to call boats in, and also first aid.

To be able to achieve all these skills at the age of 13 and be confident to go on Patrol - potentially assisting the saving of lives, as a volunteer is a

wonderful achievement and something to be very proud of.

WELL DONE U/14's - and enjoy your Queensland Trip! We will look forward to lots of stories and photos of your 'excursion'!!
