Issue 3 2016

7 October 2016

let the fun begin ...

Sunday 9th October is go day - the first day of the 52nd year of Nippers at North Cronulla SLSC!

Nippers is about learning new skills, gaining confidence and having fun in a safe beach environment. For Nippers, the beach is the classroom. They gain confidence by passing the 'tests' of swimming, board paddling, beach sprinting, dolphin-diving, spotting a rip, having fun with new friends and discovering things about themselves.

nipper parent **BRONZE GROUP**

This course is for NIPPER PARENTS designed to give you the **training, education & confidence** you will need to help, encourage & support Nippers achieve a high standard of Water Safety Members, thus giving children confidence in the Water.

YOU WILL HAVE FUN & MEET NEW PEOPLE AND BE AN IMPORTANT PART OF OUR NC TEAM!

This course will also give you a better understanding of the Surf Club & help you understand the value of a Bronze Medallion. It may also help you save a life.

Whilst you will not be forced onto a Rostered Patrol, it would be appreciated if you could preform 1-2 patrols a season whilst the Seniors are away at State & Aussie Titles (The club puts out a call for assistance during these times) – Requests for Subs are also called for during the season by the Club Captain

and members, if you could assist with those that would be great. Again, not compulsory, but would be hoped that you would at the successful completion of your Bronze Medallion course, upskill by doing your ARTC (Advance Resus Training Course) and the Spinal Award (these will be discussed during the BM course).

ANY QUESTIONS CONTACT GEOFF BUDD 0418 230 465 GBUDD@TPG.COM.AU
