## tackling the water ...

What a glorious day it was to be on the beach last week - with Water Point Score it was great to see so many nippers getting in and tackling the water even if it wasn't their favourite event - the water was not easy and you were all amazing and better off for challenging yourselves. Remember if your competing in the Cronulla Carnival on Saturday, you'll need your club cap and pink rashie.

## 4 way carnival 27 nov 2016 @ elouera

The 4 way carnival is basically the battle of the Bay (Bate Bay) between Wanda, Elouera, North Cronulla and South Cronulla.

All all proficient U8-U14 nippers to attend as it will contribute towards NC nipper end of year point score & attendance.

**U8 Marshall at 8AM | U9-U14 Marshal at 7:30AM**

U8 area will be up at Wanda look out for the Yellow NC tent on the beach and meet there. All other age area's will be from Elouera and spreading up towards Wanda.

There will hopefully be a Yellow North Cronulla tent in each area.

There is no nippers on this day for U8-U14's - kids will be marked off at the carnival as part of their attendance.
