beach point score

For U8 to U14 will be held the 4th February 2017 - twilight nippers so events will start at 2.30pm sharp.

handicap races
4 DEC

We had another great handicap race on the weekend. Once again **Sophie Crawford** dominated in both the swim and the board taking out handicap honours in both. Hot on her heels on the board was **Cruz KcKee** who flew around the course so fast we are going to get his board checked for a hidden motor. It was great to see lots of new faces having a go. **Can all nippers please make sure you know your number.** The Master List is below please write your number on your pink vest so you don't forget. It was difficult working out the results this week as I had some wrong numbers. I apologise for any mistakes. This week's race will be an Iron so bring googles, a board and know your number !
