handicap races

11 DEC

Sunday was the last handicap round for 2017. It is always great to see new faces down the beach each week, a special mention goes to **Rishabh** U9s who finished the race in some big surf with a big smile on his face. I made a few mistakes with the results from the swim on 3 DEC and I have updated these. **Nick Durkin** won both line honours and handicap honours in the swim so well done Nick and sorry about the mistake. **Kyan** and **Ryan** fought it out this week with the boys getting 1 & 2 in both the line and handicap honours for the Iron on Sunday. The updated points table is attached. Whilst **Sophie** has the lead a few of the boys from the U13s are making ground on her. We look forward to seeing as many of you there next year as we countdown to State. There will be no handicap race this week due to the man in red making an appearance.
