fun in the sun

It was HOT last Sunday and with the beach closed it made it hard to get through the beach events but on they went and good on everyone who gave it their best . Thankfully our awesome water safety people managed to find a safe spot and jumped in to make sure at least a wade was possible. Thanks to everyone who helps out each week whether in the water or on the beach.

THANK YOU doesn't seem enough but this week we would like to especially thank everyone who came out in force to get the Australia Day Carnival off the ground it was a great success and we thank all involved. See some pics on Page 3.
