## mates are great...

How great was Nippers last week (well except for the pesky bluebottles that is!) Everyone out in force, our amazing volunteers got everything ready to go for all our kids to do their best for our Beach Competition day.

Some might think Nippers is just a sport or just fun and games but sometimes something special can happen out there on the sand... last week I saw some truly amazing kids not only trying their hardest but cheering on and supporting their mates, helping them have a go even if they *thought* they didn't want to! Sports with mates has the ability to bring out the best in people; sometimes it's not about winning it's about having a go and being a part of the adventure.
